tools necessary to successfully interdict the promulgation of high technology crime. According to the federal Law Enforcement Training Center, it is expected that states will see a tremendous growth in high technology crimes over the next few years as computers become more available and computer users more skilled in utilizing technology to commit these faceless crimes. High technology crimes are those crimes in which technology is used as an instrument in committing, or assisting in the commission of, a crime, or which is the target of a criminal act.

(b) Funds provided under this program are intended to ensure that law enforcement is equipped with the necessary personnel and equipment to successfully combat high technology crime which includes, but is not limited to, the following offenses:

(c) The allocation and award of funds shall be made upon application executed by the chief law enforcement officer of the applicant unit of government and approved by the legislative body. Funds disbursed under this chapter shall not supplant local funds that would, in the absence of the California Career Criminal Apprehension Program, be made available to support the apprehension of multiple or repeat felony criminal offenders.

(d) The Director of Emergency Services shall prepare and issue administrative guidelines and procedures for the California Career Criminal Apprehension Program consistent with this chapter.

(e) These guidelines shall set forth the terms and conditions upon which the Office of Emergency Services is prepared to offer grants of funds pursuant to statutory authority. The guidelines do not constitute rules, regulations, orders, or standards of general application.

Such measures may include:

(1) Innovative personnel deployment techniques.

(2) Innovative techniques of case screening.

(3) Management of continuing investigations.

(4) Monitoring of investigation operations.

(c) (1) Each career criminal apprehension program, supported under this chapter, shall concentrate on the identification and arrest of career criminals and the support of their subsequent prosecution. The determination of which suspected felony offenders shall be the subject of career criminal apprehension efforts shall be in accordance with written criteria developed by the applicant law enforcement agency, consistent with Section 13853 and approved by the head district attorney. Highly qualified and experienced personnel shall be assigned to staff career criminal apprehension programs.

13854. (a) The Director of Emergency Services shall develop specific guidelines, and administrative procedures, for the selection of the California Career Criminal Apprehension Program.

(b) Administration of the overall program and the evaluation and monitoring of all grants made under this chapter shall be performed by the Office of Emergency Services, provided that funds expended for those functions shall not exceed 7.5 percent of the total
annual amount made available for the purpose of this chapter.

CHAPTER 7. SUPPRESSION OF DRUG ABUSE IN SCHOOLS

13860. The Legislature finds and declares that a substantial drug abuse and drug trafficking problem exists among school-age children on and around school campuses in the State of California. By enacting this chapter, it is the intention of the Legislature to support increased efforts by local law enforcement agencies, working in conjunction with school districts and county drug offices to suppress trafficking and prevent drug abuse among school age children on and around school campuses through the development of innovative and model programs by local law enforcement agencies and schools and drug abuse agencies. As used in this chapter, drugs are defined as marijuana, inhalants, narcotics, dangerous drugs, pharmaceuticals, glue and alcohol. It is the further intention of the Legislature to establish a program of financial and technical assistance for local law enforcement and school districts.

13861. There is hereby created in the Office of Emergency Services the Suppression of Drug Abuse in Schools Program. All funds made available to the Office of Emergency Services for the purposes of this chapter shall be administered and disbursed by the Director of Emergency Services in consultation with the State Suppression of Drug Abuse in Schools Advisory Committee established pursuant to Section 13863.

(a) The Director of Emergency Services, in consultation with the State Suppression of Drug Abuse in Schools Advisory Committee, is authorized to allocate and award funds to local law enforcement agencies and public schools jointly working to develop drug abuse prevention and drug trafficking suppression programs in substantial compliance with the policies and criteria set forth in Sections 13862 and 13863.

(b) The allocation and award of funds shall be made upon the joint application by the chief law enforcement officer of the coapplicant law enforcement agency and approved by the law enforcement agency’s legislative body and the superintendent and board of the school district coapplicant. The joint application of the law enforcement agency and the school district shall be submitted for review to the Local Suppression of Drug Abuse in Schools Advisory Committee established pursuant to paragraph (4) of subdivision (a) of Section 13862. After review, the application shall be submitted to the Office of Emergency Services. Funds disbursed under this chapter may enhance but shall not supplant local funds that would, in the absence of the Suppression of Drug Abuse in Schools Program, be made available to suppress and prevent drug abuse among school-age children and to curtail drug trafficking in and around school areas.

(c) The coapplicant local law enforcement agency and the coapplicant school district may enter into interagency agreements between themselves which will allow the management and fiscal tasks created pursuant to this chapter and assigned to both the law enforcement agency and the school district to be performed by only one of them.

(d) Within 90 days of the effective date of this chapter, the Director of Emergency Services, in consultation with the State Suppression of Drug Abuse in Schools Advisory Committee established pursuant to Section 13863, shall prepare and issue administrative guidelines and procedures for the Suppression of Drug Abuse in Schools Program consistent with this chapter. In addition to all other formal requirements that may apply to the enactment of these guidelines and procedures, a complete and final draft shall be submitted within 60 days of the effective date of this chapter to the Chairpersons of the Committee on Criminal Law and Public Safety of the Assembly and the Judiciary Committee of the Senate of the California Legislature.

13862. Law enforcement agencies and school districts receiving funds under this chapter shall concentrate enhanced apprehension, prevention, and education efforts and resources on drug abuse and drug trafficking in and around school campuses.

(a) These enhanced apprehension, prevention, and education efforts shall include, but not be limited to:

(1) Drug traffic intervention programs.

(2) School and classroom-oriented programs, using tested drug abuse education curriculum that provides indepth and accurate information on drugs, which may include the participation of local law enforcement agencies and qualified drug abuse prevention specialists and which are designed to increase teachers’ and students’ awareness of drugs and their effects.

(3) Family oriented programs aimed at preventing drug abuse which may include the participation of community-based organizations experienced in the successful operation of such programs.

(4) The establishment of a Local Suppression of Drug Abuse in Schools Advisory Committee. The committee shall be established and appointed by the board of supervisors of each county and city and county. However, if the agency receiving funds under this chapter is a city agency and the program does not involve any county agency, or if a county agency is involved and the county board of supervisors consents, the committee shall be established and appoint-
ed by the city council. The committee may be a newly created committee or an existing local drug abuse committee as designated by the board or city council. The committee shall be composed of, at a minimum, the following:

(A) Local law enforcement executives.
(B) School district executives.
(C) Schoolsite staff, which includes administrators, teachers, or other credentialed personnel.

(6) Development of prevention and intervention programs for elementary school teachers and students, including utilization of existing prevention and intervention programs.

(7) Development of a coordinated intervention system that identifies students with chronic drug abuse problems and facilitates their referral to a drug abuse treatment program.

These efforts shall include, but not be limited to, the concentration of apprehension efforts in “problem” areas identified by local school authorities.

(c) Funds appropriated pursuant to this chapter may be used in part to support state-level development and statewide distribution of appropriate written and audio-visual aids for public awareness and training of school and law enforcement staff for handling drug-related problems and offenses. When existing aids can be identified, these aids may be utilized in lieu of the development of new aids.

13864. There is hereby created in the Office of Emergency Services the Comprehensive Alcohol and Drug Prevention Education component of the Suppression of Drug Abuse in Schools Program in public elementary schools in grades 4 to 6, inclusive. Notwithstanding Section 13861 or any other provision in this code, all Comprehensive Alcohol and Drug Prevention Education component funds made available to the Office of Emergency Services in accordance with the Classroom Instructional Improvement and Accountability Act shall be administered by and disbursed to county superintendents of schools in this state by the Director of Emergency Services. All applications for that funding shall be reviewed and evaluated by the Office of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education.

(a) The Director of Emergency Services is authorized to allocate and award funds to county department superintendents of schools for allocation to individual school districts or to a consortium of two or more school districts. Applications funded under this section shall comply with the criteria, policies, and procedures established under subdivision (b) of this section.

(b) As a condition of eligibility for the funding described in this section, the school district or consortium of school districts shall have entered into an agreement with a local law enforcement agency to jointly implement a comprehensive alcohol and drug abuse prevention, intervention, and suppression program developed by the Office of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education, containing all of the following components:

(1) A standardized age-appropriate curriculum designed for pupils in grades 4 to 6, inclusive, specifically tailored and sensitive to the socioeconomic and ethnic characteristics of the target pupil population. Although new curricula shall not be required to be developed, existing curricula may be modified and adapted to meet local needs. The elements of the standardized comprehensive alcohol and drug prevention education program curriculum shall be defined and approved by the Governor’s Policy Council on Drug and Alcohol Abuse, as established by Executive Order No. D-70-80.

(2) A planning process that includes assessment of the school district’s characteristics, resources, and the extent of problems related to juvenile drug abuse, and input from local law enforcement agencies.

(3) A school district governing board policy that provides for a coordinated intervention system that, at a minimum, includes procedures for identification, intervention, and referral of at-risk alcohol- and drug-involved youth, and identifies the roles and responsibilities of law enforcement, school personnel, parents, and pupils.

(4) Early intervention activities that include, but are not limited to, the identification of pupils who are high risk or have chronic drug abuse problems, assessment, and referral for appropriate services, including ongoing support services.

(5) Parent education programs to initiate and maintain parental involvement, with an emphasis for parents of at-risk pupils.

all school faculty and administrative, credentialed, and noncredentialed school personnel.

(7) In-service training programs for local law enforcement officers.

(8) School, law enforcement, and community involvement to ensure coordination of program services. Pursuant to that coordination, the school district or districts and other local agencies are encouraged to use a single community advisory committee or task force for drug, alcohol, and tobacco abuse prevention programs, as an alternative to the creation of a separate group for that purpose under each state or federally funded program.

(c) The application of the county superintendent of schools shall be submitted to the Office of Emergency Services. Funds made available to the Office of Emergency Services for allocation under this section are intended to enhance, but shall not supplant, local funds that would, in the absence of the Comprehensive Alcohol and Drug Prevention Education component, be made available to prevent, intervene in, or suppress drug abuse among school-age children. For districts that are already implementing a comprehensive drug abuse prevention program for pupils in grades 4 to 6, inclusive, the county superintendent shall propose the use of the funds for drug prevention activities in school grades other than 4 to 6, inclusive, compatible with the program components of this section. The expenditure of funds for that alternative purpose shall be approved by the Director of Emergency Services.

(1) Unless otherwise authorized by the Office of Emergency Services, each county superintendent of schools shall be the fiscal agent for any Comprehensive Alcohol and Drug Prevention Education component award, and shall be responsible for ensuring that each school district within that county receives the allocation prescribed by the Office of Emergency Services. Each county superintendent shall develop a countywide plan that complies with program guidelines and procedures established by the Office of Emergency Services pursuant to subdivision (d). A maximum of 5 percent of the county’s allocation may be used for administrative costs associated with the project.

(2) Each county superintendent of schools shall establish and chair a local coordinating committee to assist the superintendent in developing and implementing a countywide implementation plan. This committee shall include the county drug administrator, law enforcement executives, school district governing board members and administrators, school faculty, parents, and drug prevention and intervention program executives selected by the superintendent and approved by the county board of supervisors.

(d) The Director of Emergency Services, in consultation with the State Department of Health Care Services and the State Department of Education, shall prepare and issue guidelines and procedures for the Comprehensive Alcohol and Drug Prevention Education component consistent with this section.

(e) The Comprehensive Alcohol and Drug Prevention Education component guidelines shall set forth the terms and conditions upon which the Office of Emergency Services is prepared to award grants of funds pursuant to this section. The guidelines shall not constitute rules, regulations, orders, or standards of general application.

(f) Funds awarded under the Comprehensive Alcohol and Drug Prevention Education Program shall be subject to Section 10318 of the Public Contract Code.

(g) Funds available pursuant to Item 8100-111-001 and Provision 1 of Item 8100-001-001 of the Budget Act of 1989, or the successor provision of the appropriate Budget Act, shall be allocated to implement this section.

(h) The Director of Emergency Services shall collaborate, to the extent possible, with other state agencies that administer drug, alcohol, and tobacco abuse prevention education programs to streamline and simplify the process whereby local educational agencies apply for drug, alcohol, and tobacco education funding under this section and under other state and federal programs. The Office of Emergency Services, the State Department of Health Care Services, the State Department of Education, and other state agencies, to the extent possible, shall develop joint policies and collaborate on the administration of drug, alcohol, and tobacco abuse prevention education programs.

CHAPTER 8. INFORMATION ON RACIAL, ETHNIC AND RELIGIOUS CRIMES

13872. The crimes that shall be the focus of this chapter shall include a wide variety of incidents, which reflect obvious racial, ethnic, or religious motivations, ranging from vandalizing a place of worship to assaults between members of gangs, including, but not limited to, incidents that occur on school grounds and between gang members and any other incidents that law enforcement officers on a case-by-case basis identify as having a racial, ethnic or religious motivation. They shall not include incidents of discrimination in employment.

CHAPTER 8.6. LAW ENFORCEMENT RESPONSE TO DRUG ENDANGERED CHILDREN

13879.80. (a) Every law enforcement and social services agency in this state is encouraged to develop, adopt, and implement written policies and standards for their response
to narcotics crime scenes where a child is either immediately present or where there is evidence that a child lives, by January 1, 2005. These policies shall reflect the fact that exposing a child to the manufacturing, trafficking, and use of narcotics is criminal conduct and that a response coordinated by law enforcement and social services agencies is essential to the child’s health and welfare. The Legislature further finds and declares that the production, distribution, and sale of narcotics is an ever increasing problem because of the substantial illicit profits derived therefrom. The Legislature recognizes the need to provide financial assistance for these counties.

(c) The Legislature intends to support intensified efforts by district attorneys’ offices to prosecute drug producers and sellers through organizational and operational techniques that have been proven effective in selected jurisdictions in this and other states.

13881. (a) There is hereby established in the office a program of financial and technical assistance for district attorneys’ offices, designated the California Major Narcotic Vendors Prosecution Law. All funds appropriated to the office for the purposes of this chapter shall be administered and disbursed by the director in consultation with the California Council on Criminal Justice, and shall to the greatest extent feasible be coordinated or consolidated with federal funds that may be made available for these purposes.

(b) The director is authorized to allocate and award funds to counties in which the California Major Narcotic Vendors Prosecution Law is implemented in substantial compliance with the policies and criteria set forth in this chapter.

(c) The allocation and award of funds shall be made upon application executed by the county’s district attorney and approved by its board of supervisors. Funds disbursed under this chapter shall not supplant local funds that would, in the absence of the California Major Narcotic Vendors Prosecution Law, be made available to support the prosecution of felony drug cases. Funds available under this program shall not be subject to review, as specified in Section 14780 of the Government Code.

(d) The director shall prepare and issue written program and administrative guidelines and procedures for the California Major Narcotic Vendors Prosecution Program consistent with this chapter, which shall be submitted to the Chairpersons of the Assembly Committee on Public Safety and the Senate Committee on Criminal Procedure. These guidelines shall permit the selection of a county for the allocation and award of funds only on a finding by the office that the county is experiencing a proportionately significant increase in major narcotic cases. Further, the guidelines shall provide for the allocation and award of funds to small county applicants, as designated by the director. The guidelines shall also provide that any funds received by a county under this chapter shall be used only for the prosecution of cases involving major narcotic dealers. For purposes of this subdivision, “small county” means a county having a population of 200,000 or less.
13882. California major narcotic vendors prosecution units receiving funds under this chapter shall concentrate enhanced prosecution efforts and resources upon individuals identified under selection criteria set forth in Section 13883. Enhanced prosecution efforts and resources shall include, but not be limited to, all of the following:

(a) "Vertical" prosecutorial representation, whereby the prosecutor who makes the initial filing or appearance in a drug case will perform all subsequent court appearances on that particular case through its conclusion, including the sentencing phase.

(b) Assignment of highly qualified investigators and prosecutors to drug cases.

(c) Significant reduction of caseloads for investigators and prosecutors assigned to drug cases.

13883. (a) An individual may be the subject of the California Major Narcotic Vendors Prosecution Law prosecution efforts who is under arrest for the commission or attempted commission of one or more felonies relating to controlled substances in violation of Section 11351, 11352, 11358, 11378, 11378.5, 11379, 11379.5, or 11383 of the Health and Safety Code.

(b) In applying the criteria set forth in subdivision (a), a district attorney may, consistent with the provisions of subdivision (d) of Section 13881, elect to limit drug prosecution efforts to persons arrested for any one or more of the felonies listed in subdivision (a) if crime statistics demonstrate that the incidence of that felony or felonies presents a particularly serious problem in the county.

(c) In exercising the prosecutorial discretion granted by this section, the district attorney shall consider (1) the character, background, and prior criminal background of the defendant, and (2) the number and the seriousness of the offenses currently charged against the defendant.

13884. (a) Each district attorney’s office establishing a California major narcotic vendors prosecution unit and receiving state support under this chapter shall adopt and pursue the following policies for the California Major Narcotic Vendors Prosecution Law cases:

(1) All reasonable prosecutorial efforts shall be made to resist the pretrial release of a charged defendant selected for prosecution under the California Major Narcotic Vendors Prosecution Law.

(2) All reasonable prosecutorial efforts shall be made to persuade the court to impose the most severe authorized sentence upon a person convicted after prosecution under the California Major Narcotic Vendors Prosecution Law.

(3) All reasonable prosecutorial efforts shall be made to reduce the time between arrest and disposition of charge against an individual selected for prosecution under the California Major Narcotic Vendors Prosecution Law.

(b) The selection criteria set forth in Section 13883 shall be adhered to for each California Major Narcotic Vendors Prosecution Law case unless, in the reasonable exercise of prosecutor’s discretion, extraordinary circumstances require the departure from those policies in order to promote the general purposes and intent of this chapter.

CHAPTER 9.5. STATEWIDE SEXUAL PREDATOR APPREHENSION TEAM

13885. The Legislature hereby finds that a substantial and disproportionate amount of sexual offenses are committed against the people of California by a relatively small number of multiple and repeat sex offenders. In enacting this chapter, the Legislature intends to support efforts of the criminal justice community through a focused effort by law enforcement and prosecuting agencies to identify, locate, apprehend, and prosecute sex offenders.

13885.1. The Attorney General shall maintain, upon appropriation of funds by the Legislature, a statewide Sexual Predator Apprehension Team force. The Sexual Predator Apprehension Team force shall be comprised of special agent teams throughout California. The teams shall focus on repeat sex offenders, and perform the following activities:

(a) Coordinate state and local investigative resources to apprehend high risk sex offenders and persons required to register under Section 290 who violate the law or conditions of probation or parole.

(b) Target and monitor chronic repeat violent sex offenders before the commission of additional sexual offenses.

(c) Develop profiles in unsolved sexual assault cases.

13885.15. (a) The special agent teams established pursuant to Section 13885.1 shall also take a proactive role in the investigation and prosecution of preferential child molesters and sexual exploiters.

(b) For purposes of this section, “preferential child molester” means a person whose primary sex drive is directed toward children. A preferential child molester is distinguished from a situational child molester, who will use children sexually in times of stress because of a lack of impulse control or as a result of circumstances.

13885.2. The Attorney General, subject to the availability of funds, shall establish in the Department of Justice the High Risk Sex Offender Program, which is hereby created, which shall receive the Facts of Offense Sheets, pursuant to Section 1203e. The program shall use the scores of sex offenders reported on the Facts of Offense
Sheets for the purpose of identifying, assessing, monitoring, and containing those sex offenders at a high risk of reoffending. This shall be a statewide program. It is the intent of the Legislature that this statewide program shall not affect the operation of the Serious Habitual Offender Program authorized by Chapter 10 (commencing with Section 13890) involving the Counties of San Francisco, San Mateo, Santa Clara, Santa Cruz, Alameda, Contra Costa, Napa, Sonoma, Solano, and Marin which shall become inoperative on July 1, 1994.

13885.4. As used in this chapter, “high risk sex offenders” means those persons who are required to register as sex offenders pursuant to the Sex Offender Registration Act and who have been assessed with a score indicating a “high risk” on the SARATSO identified for that person’s specific population as set forth in Section 290.04, or who are identified as being at a high risk of reoffending by the Department of Justice, based on the person’s SARATSO score when considered in combination with other, empirically based risk factors.

13885.6. The Department of Justice shall establish and maintain a comprehensive file of existing information maintained by law enforcement agencies, probation departments, the Department of Corrections and Rehabilitation, the State Department of State Hospitals, the Department of Motor Vehicles, and the Department of Justice. The Department of Justice may request the Department of Corrections and Rehabilitation, the State Department of State Hospitals, the Department of Motor Vehicles, law enforcement agencies, and probation departments to provide existing information from their files regarding persons identified by the Department of Justice as high risk sex offenders pursuant to Section 13885.4. The Department of Corrections and Rehabilitation, the State Department of State Hospitals, the Department of Motor Vehicles, law enforcement agencies, and probation departments, when requested by the Department of Justice, shall provide copies of existing information maintained in their files regarding persons identified by the Department of Justice as high risk sex offenders and shall provide followup information to the Department of Justice as it becomes available, unless otherwise prohibited by federal law. This information shall include, but is not limited to, criminal histories, Facts of Offense Sheets, sex offender registration records, police reports, probation and presentencing reports, judicial records and case files, juvenile records, psychological evaluations and psychological hospital reports, and sexually violent predator treatment program reports. This information shall also include records that have been sealed. This information shall be provided to the Department of Justice in a manner and format jointly approved by the submitting department and the Department of Justice. This high risk sex offender file shall be maintained by the Department of Justice High Risk Sex Offender Program and shall contain a complete physical description and method of operation of the high risk sex offender, information describing his or her interaction with criminal justice agencies, and his or her prior criminal record. The Department of Justice also shall prepare a bulletin on each high risk sex offender for distribution to law enforcement agencies.

13885.8. The Department of Justice shall electronically provide a bulletin on each high risk sex offender to law enforcement agencies via the California Sex Offender Registry database and the California Law Enforcement Web (CLEW). Upon request, the department shall provide the complete file of information on a high risk sex offender to law enforcement agencies, district attorneys, and the courts for the purpose of identifying, apprehending, prosecuting, and sentencing high risk sex offenders.

CHAPTER 9.7. COUNTY SEXUAL ASSAULT FELONY ENFORCEMENT (SAFE) TEAM PROGRAM

13887. (a) Any county may establish and implement a sexual assault felony enforcement (SAFE) team program pursuant to the provisions of this chapter.

(b) The Legislature finds and declares that identifying and developing reliable and sustainable funding for SAFE teams established by this chapter, including those established in rural and regional areas, is critical for reducing sexual assaults in California.

13887.1. (a) The mission of this program shall be to reduce violent sexual assault offenses in the county through proactive surveillance and arrest of habitual sexual offenders, as defined in Section 667.71, and strict enforcement of registration requirements for sex offenders pursuant to Section 290.

(b) The proactive surveillance and arrest authorized by this chapter shall be conducted within the limits of existing statutory and constitutional law.

(c) The mission of this program shall also be to provide community education regarding the purposes of Chapter 5.5 (commencing with Section 290) of Title 9 of Part 2. The goal of community education is to do all of the following:

(1) Provide information to the public about ways to protect themselves and families from sexual assault.

(2) Emphasize the importance of using the knowledge of the presence of registered sex offenders in the community to enhance public safety.
(3) Explain that harassment or vigilanzism against registrants may cause them to disappear and attempt to live without supervision, or to register as transients, which would defeat the purpose of sex offender registration.

13887.2. The regional SAFE teams may consist of officers and agents from the following law enforcement agencies:
(a) Police departments.
(b) Sheriff’s departments.
(c) The Bureau of Investigations of the Office of the District Attorney.
(d) County probation departments.
(e) To the extent that these agencies have available resources, the following law enforcement agencies:
   (1) The Department of Justice.
   (2) The Department of the California Highway Patrol.
   (3) The Department of Corrections and Rehabilitation.
(4) The Federal Bureau of Investigation.

13887.3. The program established pursuant to this chapter shall have the following objectives:
(a) To identify, monitor, arrest, and assist in the prosecution of habitual sexual offenders who violate the terms and conditions of their probation or parole, who fail to comply with the registration requirements of Section 290, or who commit new sexual assault offenses.
(b) To collect data to determine if the proactive law enforcement procedures adopted by the program are effective in reducing violent sexual assault offenses.
(c) To develop procedures for operating a multijurisdictional regional task force.

13887.4. Nothing in this chapter shall be construed to authorize the otherwise unlawful violation of any person’s rights under the law.

CHAPTER 10. CALIFORNIA FORENSIC SCIENCE LABORATORY ENHANCEMENT PROGRAM

13890. It is the intent of the Legislature to review the needs assessment report, as provided for in Section 13892, prior to providing additional funds for support of local forensic laboratory services or improvements.

13891. This chapter shall be known and may be cited as the California Forensic Science Laboratory Enhancement Act.

CHAPTER 11. VICTIMS’ LEGAL RESOURCE CENTER

13897. The Legislature finds and declares each of the following:
(a) The citizens of California have expressed great concern for the plight of crime victims.
(b) It is in the best interest, not only of the victims and their families, but also of all the citizens of California to ensure that crime victims receive comprehensive assistance in overcoming the effects of victimization.

(c) While many options and rights exist for the crime victim, including providing financial assistance pursuant to Chapter 5 (commencing with Section 13959) of Part 4 of Division 3 of Title 2 of the Government Code, participation in sentencing and parole eligibility hearings of criminal perpetrators, civil litigation against the perpetrator and third parties, assistance from victim-witness programs, and private support and counseling services, research indicates that many crime victims suffer needlessly because they are not aware of these options and rights, or are apprehensive or uncertain about where to go for assistance or how to exercise their rights.

(d) It is thus necessary to provide a resource center, statewide in scope, where victims of crime, their families, and providers of services to victims of crime can receive referral information, assistance, and legal guidance in order to deal effectively with the needs of victims of crime and minimize the continuing victimization process, which often results from a complex justice system. This resource center shall be independent, offer victims assistance in understanding and effectively exercising their legal rights, provide information about their rights and the workings of the criminal justice system, and direct them to appropriate local resources and agencies which can offer further assistance. The resource center shall provide, on a statewide basis, information assistance for all crime victims without charge and shall complement the efforts of various local programs, including victim-witness programs, rape crisis units, domestic violence projects, and child abuse centers.

13897.1. There shall be established a resource center which shall operate a statewide, toll-free information service, consisting of legal and other information, for crime victims and providers of services to crime victims. The center shall provide information and educational materials discussing victims’ legal rights. The center shall distribute these materials to administrative agencies, law enforcement agencies, victim-service programs, local, regional, and statewide education systems, appropriate human service agencies, and political, social, civic, and religious leaders and organizations. As used in this chapter, “provider of services to crime victims” means any hospital, doctor, attorney, local or statewide rape crisis center, domestic violence center, child abuse counseling center, or victims’ witness center that seeks to assist crime victims in understanding and exercising their legal rights, including those under Chapter 5 (commencing with Section 13959) of Part 4 of Division 3 of Title 2 of the Government
The Legislature finds and declares:

(a) That crime is a local problem that must be dealt with by state and local governments if it is to be controlled effectively.

(b) That criminal justice needs and problems vary greatly among the different local jurisdictions of this state.
(c) That effective planning and coordination can be accomplished only through the direct, immediate and continuing cooperation of local officials charged with general governmental and criminal justice agency responsibilities.

(d) That planning for the efficient use of criminal justice resources requires a permanent coordinating effort on the part of local governments and local criminal justice and delinquency prevention agencies.

13901. (a) For the purposes of coordinating local criminal justice activities and planning for the use of state and federal action funds made available through any grant programs, criminal justice and delinquency prevention planning districts shall be established.

(b) On January 1, 1976, all planning district boundaries shall remain as they were immediately prior to that date. Thereafter, the number and boundaries of those planning districts may be altered from time to time pursuant to this section; provided that no county shall be divided into two or more districts, nor shall two or more counties which do not comprise a contiguous area form a single district.

(c) Prior to taking any action to alter the boundaries of any planning district, the council shall adopt a resolution indicating its intention to take the action and, at least 90 days prior to the taking of the action, shall forward a copy of the resolution to all units of government directly affected by the proposed action.

(d) If any county or a majority of the cities directly affected by the proposed action objects thereto, and a copy of the resolution of each board of supervisors or city council stating its objection is delivered to the Director of Emergency Services within 30 days following the giving of the notice of the proposed action, the director shall conduct a public meeting within the boundaries of the district as they are proposed to be determined. Notice of the time and place of the meeting shall be given to the public and to all units of local government directly affected by the proposed action, and reasonable opportunity shall be given to members of the public and representatives of those units to present their views on the proposed action.

13902. Each county placed within a single county planning district may constitute a planning district upon execution of a joint powers agreement or arrangement acceptable to the county and to at least that one-half of the cities in the district which contain at least one-half of the population of such district. If no combination of one-half of the cities of a district contains at least one-half of the population of the district, then agreement of any half of the cities in such district is sufficient to enable execution of joint powers agreements or other acceptable arrangements for constituting planning districts.

13903. Planning districts may be the recipients of criminal justice and delinquency prevention planning or coordinating funds made available to units of general local government by federal or state law. Such planning districts shall establish local criminal justice and delinquency prevention planning boards, but shall not be obligated to finance their activities in the event that federal or state support of such activities is lacking.

13904. (a) The membership of each local board shall be consistent with state and federal statutes and guidelines; shall be representative of a broad range of community interests and viewpoints; and shall be balanced in terms of racial, sexual, age, economic, and geographic factors. Each local board shall consist of not less than 21 and not more than 30 members, a majority of whom shall be locally elected officials.

(b) The California Council on Criminal Justice shall promulgate standards to ensure that the composition of each board complies with subdivision (a). The council shall annually review the composition of each board, and if it finds that the composition of a local board complies with the standards, it shall so certify. Certification shall be effective for one year; provided that if the membership of a board changes by more than 25 percent during a period of certification, the council may withdraw the certificate prior to its expiration.

(c) If the council determines that the composition of a local board does not comply with the standards, it shall direct the appropriate appointing authority to reappoint the local board and shall again review the composition pursuant to this section after such reappointments are made. The council may void decisions made by such board after such finding and due notice. The council may approve the allocation of planning or action funds only to those districts which have been certified pursuant to this section.

13905. Except as otherwise provided in Section 13904, representatives of the public shall be appointed to local criminal justice and delinquency prevention planning boards, of a number not to exceed the number of representatives of government on that board. At least one-fifth of the membership of such boards shall be representatives of citizens, professional and community organizations, including organizations directly related to delinquency prevention.

13906. Planning boards may contract
with other public or private entities for the performance of services, may appoint an executive officer and other employees, and may receive and expend funds in order to carry out planning and coordinating responsibilities.

13980. (a) The Office of Criminal Justice Planning shall undertake a study to determine whether it would be feasible to develop a state-operated center on computer forensics for the purpose of collecting, compiling, and analyzing information, including evidence seized in connection with criminal proceedings, in computer formats to provide assistance to state and local law enforcement agencies in the investigation and prosecution of crimes involving computer technology.

(b) The office shall involve state and local law enforcement agencies as well as representatives of the computer industry in the development of the feasibility study required by this section.

(c) The office shall report its findings and conclusions to the Legislature on or before June 30, 2000.

TITLE 7.5. THE HERTZBERG-LESLIE WITNESS PROTECTION ACT

14020. There is hereby established the Witness Relocation and Assistance Program.

14021. As used in this title:

(a) “Witness” means any person who has been summoned, or is reasonably expected to be summoned, to testify in a criminal matter, including grand jury proceedings, for the people whether or not formal legal proceedings have been filed. (a) To protect witnesses where credible evidence exists that they may be in substantial danger of intimidation or retaliatory violence because of their testimony.

(b) To provide temporary and permanent relocation of witnesses and provide for their transition and well-being into a safe and secure environment.

14027. The Attorney General shall issue appropriate guidelines and may adopt regulations to implement this title. These guidelines shall include:

(a) A process whereby state and local agencies shall apply for reimbursement of the costs of providing witness protection services.

(b) A 25-percent match that shall be required of local agencies. The Attorney General may also establish a process through which to waive the required local match when appropriate.

14028. The State of California, the counties and cities within the state, and their respective officers and employees shall have immunity from civil liability for any decision declining or revoking protection to a witness under this title.

(2) A violation of this subdivision that leads to the bodily injury of the witness, or of any of the witness’ family members who are participating in the program, is a misdemeanor punishable by a fine of up to five thousand dollars ($5,000), or imprisonment of up to one year in a county jail, or by both that fine and imprisonment.

(3) A violation of this subdivision that results in the threatened bodily injury of any witness or witness’ family member, is a misdemeanor punishable by a fine of up to five thousand dollars ($5,000), or imprisonment of up to one year in a county jail, or by both that fine and imprisonment.

This form shall notify entities of the protected person and prevent the inclusion of the participant’s addresses and telephone numbers in public Internet search databases.

(c) A business, state or local agency, private entity, or person that receives the opt-out form of a WRAP participant pursuant to this section shall remove the participant’s personal information from public display on the Internet within two business days of delivery of the opt-out form, and shall continue to ensure that this information is not reposted on the same Internet Web site, a subsidiary site, or any other Internet Web site maintained by the recipient of the opt-out form. No business, state or local agency, private entity, or person that has received an opt-out form from a WRAP participant shall solicit, sell, or trade on the Internet the home address or telephone number of that participant.

(d) A business, state or local agency, private entity, or person that violates subdivision (c) shall be subject to a civil penalty for each violation in the amount of five thousand dollars ($5,000). An action for a civil penalty under this subdivision may be brought by any public prosecutor in the name of the people of the State of California and the penalty imposed shall be enforceable as a civil judgment.

(e) A witness whose home address or tele-

If a jury or court finds that a violation has occurred, it may grant injunctive or declaratory relief and shall award the witness court costs and reasonable attorney’s fees.

(5) Notwithstanding any other provision of law, a witness whose home address or telephone number is solicited, sold, or traded in violation of subdivision (c) may bring an action in any court of competent jurisdiction. If a jury or court finds that a violation has occurred, it shall award damages to that witness in an amount up to a maximum of three times the actual damages, but in no case less than four thousand dollars ($4,000).

(g) Nothing in this section shall preclude prosecution under any other provision of law.

14030. (a) The Attorney General shall establish a liaison with the United States Marshal’s office in order to facilitate the legal processes over which the federal government has sole authority, including, but not limited to, those processes included in Section 14024. The liaison shall coordinate all requests for federal assistance relating to witness protection as established by this title.

(b) The Attorney General shall pursue all federal sources that may be available for implementing this program. For that purpose, the Attorney General shall establish a liaison with the United States Department of Justice.

(c) The Attorney General, with the California Victim Compensation and Government Claims Board, shall establish procedures to maximize federal funds for witness protection services.

14031. Commencing one year after the effective date of this title, the Attorney General shall make an annual report to the Legislature no later than January 1 on the fiscal and operational status of the program. This report shall include the amount of funding sought by each county, the amount of funding provided to each county, and the amount of the county match.

14032. The administrative costs of the Attorney General for the purposes of administering this title shall be limited to 5 percent of all costs incurred pursuant to this title.

14033. (a) The Governor’s budget shall specify the estimated amount in the Restitution Fund that is in excess of the amount needed to pay claims pursuant to Sections 13960 to 13965, inclusive, of the Government Code, to pay administrative costs for increasing restitution funds, and to maintain a prudent reserve.

(b) It is the intent of the Legislature that, notwithstanding Government Code Section 13967, in the annual Budget Act, funds be appropriated to the Attorney General from those funds that are in excess of the amount specified pursuant to subdivision (a) for the purposes of this title.

TITLE 8. BUILDING SECURITY

14051. The chief law enforcement and fire officials of every city shall consult with the chief officer of their city who is charged with the enforcement of laws or ordinances regulating the erection, construction, or alteration of buildings within their jurisdiction for the purpose of developing local security standards and regulations supplemental to those adopted as part of Title 24 of the California Administrative Code, relating to building standards. The chief law enforcement and fire officials of every county shall consult with the chief officer of their county who is charged with the enforcement of laws or ordinances regulating the erection, construction, or alteration of buildings within their jurisdiction for the purpose of developing local security standards and regulations supplemental to those adopted as part of Title 24 of the California Administrative Code, relating to building standards. No provision of this or any other code shall prevent a city or county from enacting building security standards stricter than those enacted by the state.

TITLE 10. COMMUNITY VIOLENCE PREVENTION AND CONFLICT RESOLUTION

14110. The Legislature finds the following:

(a) The incidence of violence in our state continues to present an increasing and dominating societal problem that must be addressed at its root causes in order to reduce significantly its effects upon our society.

(b) As an initial step toward that goal, the Legislature passed Assembly Bill No. 23 of the 1979-80 Regular Session which created the California Commission on Crime Control and Violence Prevention which was charged with compiling the latest research on root causes of violence, in order to lay the foundation for a credible, effective violence eradication program.

(c) The commission produced a final report in 1982 entitled “Ounces of Prevention,” which established that long-term prevention is a valuable and viable public policy and demonstrated that there are reachable root causes of violence in our society.

(d) The report contains comprehensive findings and recommendations in 10 broad categorical areas for the removal of individual, familial, and societal causal factors of crime and violence in California.

(e) The recommendations in the report are feasible and credible, propose an effec-
The Legislature further finds that:

(a) It is in the public interest to translate the findings of the California Commission on Crime Control and Violence Prevention into community-based, community-empowering, community-activated violence prevention efforts that would educate, inspire, and inform the citizens of California about, coordinate existing programs relating to, and provide direct services addressing the root causes of violence in California.

(b) The recommendations in the report of the commission can serve as both the foundation and guidelines for short-, intermediate-, and long-term programs to address and alleviate violence in California.

(c) It is in the public interest to facilitate the highest degree of coordination between, cooperation among, and utilization of public, nonprofit, and private sector resources, programs, agencies, organizations, and institutions toward maximally successful violence prevention programs to address and alleviate violence in California.

(d) Prevention is a sound fiscal, as well as social, policy objective. Crime and violence prevention programs can and should yield substantially beneficial results with regard to the exorbitant costs of both violence and crime to the public and private sectors.

(e) The Office of Emergency Services is the appropriate state agency to contract for programs addressing the root causes of violence.

The Legislature therefore intends:

(a) To develop community violence prevention and conflict resolution programs, in the state, based upon the recommendations of the California Commission on Crime Control and Violence Prevention, that would present a balanced, comprehensive educational, intellectual, and experiential approach toward eradicating violence in our society.

(b) That these programs shall be regulated, and funded pursuant to contracts with the Office of Emergency Services.

14121. The Office of Emergency Services may hire support staff and utilize resources necessary to carry out the purposes of this title.

TITLE 10.5. VIOLENT CRIMES AGAINST WOMEN

14140. (a) Each county is authorized and encouraged to create a county task force on violent crimes against women. The board of supervisors of a county which elects to create a task force under this section shall notify the Office of Emergency Services that the county is establishing, by appointment, a countywide task force. Each county task force shall develop a countywide policy on violent crimes against women.

(b) The Office of Emergency Services may provide technical assistance to, and collect and disseminate information on, the county task forces established under this section.

14141. The purpose of each county task force may be as follows:

(a) To promote a countywide policy on violent crimes against women.

(b) To make recommendations on how to reduce violent crime.

(c) To prepare and place counties in a strong position to compete for federal and state funds that may become available for the purposes of this title.

(d) To facilitate coordination of services and responses between governmental agencies and nonprofit agencies serving women who are victims of violent crimes.

(e) To initiate local domestic violence prevention planning and priorities for the use of federal and state domestic violence prevention grants.

14142. Each county task force may evaluate and make recommendations regarding the following:

(a) The adequacy of current law enforcement efforts at the local level to reduce the rate of violent crimes against women.

(b) The responsiveness of local prosecutors and the courts to violent crimes against women.

(c) Local government efforts to reduce violent crimes against women.

(d) Public awareness and public dissemination of information essential to the prevention of violent crimes against women.

(e) The information collection and government statistics on the incidence and prevalence of violent crimes against women.

14143. Every effort shall be made to ensure that the ethnic and racial composition of each task force is reflective of the ethnic and racial distribution of the persons and families in the community. Each county task force shall include, to the extent possible, but not be limited to, the following:

(a) A criminal court judge.

(b) A domestic relations or civil court judge.

(c) A prosecuting attorney.

(d) A city council person or other elected local governmental official.

(e) Representatives from the Council of Cities, the Police Chief Association, the County Office of Education, the Public Defender Program, the County Bar Association, the Domestic Violence Coalition, health services, social services, probation, a

**TITLE 10.6. COMMUNITY CONFLICT RESOLUTION PROGRAMS**

14150. The Legislature hereby finds and declares:

(a) Over the last 10 years, criminal case filings, including misdemeanor filings, have been increasing faster than any other type of filing in California's courts. Between 1981 and 1991, nontraffic misdemeanor and infraction filings in municipal and justice courts increased by 35 percent.

(b) These misdemeanor cases add to the workload which is now straining the California court system. In addition, many of these cases are ill-suited to complete resolution through the criminal justice system because they involve underlying disputes which may result in continuing conflict and criminal conduct within the community.

(c) Many victims of misdemeanor criminal conduct feel excluded from the criminal justice process. Although they were the direct victims of the offenders' criminal conduct, the process does not currently provide them with a direct role in holding the offender accountable for this conduct.

(d) Community conflict resolution programs utilizing alternative dispute resolution (ADR) processes such as mediation and arbitration have been effectively used in California and elsewhere to resolve conflicts involving conduct that could be charged as a misdemeanor. These programs can assist in reducing the number of cases burdening the court system. By utilizing ADR processes, these programs also provide an opportunity for direct participation by the victims of the conduct, thereby increasing victims' satisfaction with the criminal justice process. In addition, by bringing the parties together, these programs may reduce conflict within the community by facilitating the settlement of disputes which are causing repeated misdemeanor criminal conduct and may increase compliance with restitution agreements by encouraging the offender to accept personal responsibility.

(e) As of the effective date of this section, the San Francisco and Contra Costa district attorney offices refer between 1,000 and 1,500 cases per year involving conduct which could be charged as a misdemeanor to California Community Dispute Services, which provides ADR services. Between 70 and 75 percent of these cases are successfully resolved through the ADR process, and the rate of compliance with the agreements reached is between 80 and 93 percent.

(f) The State of New York has developed a substantial statewide alternative dispute resolution program in which 65 percent of the cases using the services are of a criminal nature. These cases are referred to arbitration, conciliation, and mediation. Of the criminal misdemeanor cases that were mediated, 82 percent reached an agreement through the mediation process.

(g) It is in the public interest for community dispute resolution programs to be established to provide ADR services in cases involving conduct which could be charged as a misdemeanor and for district attorneys and courts to be authorized to refer cases to these programs.

14151. The district attorney may establish a community conflict resolution program pursuant to this title to provide alternative dispute resolution (ADR) services, such as mediation, arbitration, or a combination of both mediation and arbitration (med-arb) in cases, including those brought by a city prosecutor, involving conduct which could be charged as a misdemeanor. The district attorney may contract with a private entity to provide these services and may establish minimum training requirements for the neutral persons conducting the ADR processes.

14152. (a) The district attorney may refer cases involving conduct which could be charged as a misdemeanor to the community conflict resolution program. In determining whether to refer a case to the community conflict resolution program, the district attorney shall consider, but is not limited to considering, all of the following:

(1) The nature of the conduct in question.

(2) The nature of the relationship between the alleged victim and the person alleged to have committed the conduct.

(3) Whether referral to the community conflict resolution program is likely to help resolve underlying issues which are likely to result in additional conduct which could be the subject of criminal charges.

(b) No case where there has been a history of child abuse, sexual assault, or domestic violence, as that term is defined in Section 6211 of the Family Code, between the alleged victim and the person alleged to have committed the conduct, or where a protective order, as defined in Section 6218 of the Family Code, is in effect, shall be referred to the community conflict resolution program.

14153. Both the alleged victim and the person alleged to have committed the conduct shall knowingly and voluntarily consent to participate in the ADR process conducted by the community conflict resolution program.

14154. In a county in which the district attorney has established a community conflict resolution program, the superior court
may, with the consent of the district attorney and the defendant, refer misdemeanor cases, including those brought by a city prosecutor, to that program. In determining whether to refer a case to the community conflict resolution program, the court shall consider, but is not limited to considering, all of the following:

(a) The factors listed in Section 14152.

(b) Any other referral criteria established by the district attorney for the program. The court shall not refer any case to the community conflict resolution program which was previously referred to that program by the district attorney.

14155. (a) If the alleged victim or the person alleged to have committed the conduct does not agree to participate in the community conflict resolution program or the case is not resolved through the ADR process provided by that program, the community conflict resolution program shall promptly refer the case back to the district attorney or to the court that made the referral for appropriate action.

(b) If the community conflict resolution program determines that a case referred to it prior to the filing of a complaint has been resolved through that referral, the program shall recommend to the district attorney that the case not be prosecuted.

(c) If a case referred to the community conflict resolution program after the filing of a complaint but prior to adjudication is resolved through that referral, the court may dismiss the action pursuant to Section 1378 or 1385.

14156. It is the intent of the Legislature that neither this title nor any other provision of law be construed to preempt other precomplaint or pretrial diversion programs. It is also the intent of the Legislature that this title not preempt other posttrial diversion programs.

**TITLE 11. RECORDS AND REPORTS OF MONETARY INSTRUMENT TRANSACTIONS**

14160. (a) It is the purpose of this title to require certain reports or records of transactions involving monetary instruments as defined herein where those reports or records have a high degree of usefulness in criminal investigations or proceedings.

(b) The Attorney General shall adopt rules and regulations for the administration and enforcement of this title.

(c) It is the intent of the Legislature that the rules and regulations prescribed by the Attorney General for the administration and enforcement of this title shall be designed to minimize the cost and difficulty of compliance and shall, to the greatest extent possible, result in report and record-keeping forms consistent with those in use for compliance with Sections 5311 et seq. of Title 31 of the United States Code, Section 6050 I of Title 26 of the United States Code, and regulations adopted thereunder.

(c) “Monetary instrument” means United States currency and coin; the currency and coin of any foreign country; and any instrument defined as a “monetary instrument” by Section 5312 of Title 31 of the United States Code or Section 103.11 of Title 31 of the Code of Federal Regulations, or the successor of either. 14162. (a) A financial institution shall make and keep a record of each transaction by, through, or to, the financial institution that involves currency of more than ten thousand dollars ($10,000). A financial institution shall file a report of the transaction with the department in a form and at the time that the department, by regulation, shall require. The filing with the department within the time specified in its regulations of a duplicate copy of a report of the transaction required by Section 6050I of Title 26 of the United States Code, and any regulations adopted thereunder, shall satisfy the reporting requirements of this subdivision. This subdivision does not apply to a financial institution, as defined in Section 5312 of Title 31 of the United States Code and Section 103.11 of Title 31 of the Code of Federal Regulations and any successor provisions thereto.

(b) A financial institution, as defined in Section 5312 of Title 31 of the United States Code and Section 103.11 of Title 31 of the Code of Federal Regulations and any successor provisions, shall file with the department, at any time as the department by regulation shall require, a duplicate copy of each report required by Sections 5313 and 5314 of Title 31 of the United States Code and by Sections 103.22 and 103.23 of Title 31 of the Code of Federal Regulations, and any successor provisions thereto. (c) (1) A financial institution with actual knowledge of the requirements of this section that knowingly and willfully fails to comply with the requirements of this section shall be liable for a civil penalty.

(2) The court may impose a civil penalty for each violation. However, in the first civil proceeding against a financial institution, the civil penalties for all violations shall not exceed a total sum of ten thousand dollars ($10,000). If a civil penalty was imposed in a prior civil proceeding, the civil penalties for all violations shall not exceed a total sum of twenty-five thousand dollars ($25,000). If a civil penalty was imposed in two or more prior civil proceedings, the civil penalties for all violations shall not exceed a total sum of one hundred thousand dollars ($100,000).

(4) This subdivision shall not apply to any case where the financial institution is criminally prosecuted in federal or state court for conduct related to a violation of this section.

14163. Except as otherwise provided, a financial institution may exempt from the reporting requirements of Section 14162 monetary instrument transactions exempted from the reporting requirements of Section 5313 of Title 31 of the United States Code. However, the exemption shall be approved in writing and with the signature of two or more officers of the financial institution and subject to review and disapproval for reasonable cause by the department. An exemption disapproved by the department in writing shall be effective to require reporting pursuant to Section 14162 within five business days of the time the disapproval is communicated to the financial institution. The department may require, by regulation, the maintenance, and may provide for the inspection, of records of exemptions granted under this section.

(b) The department, in the discretion of the Attorney General, may make a report or information contained in a report filed under Section 14162 available to a district attorney or a deputy district attorney in this state, upon request made by the district attorney or his or her designee. The report or information shall be available only for a purpose consistent with this title and subject to regulations prescribed by the Attorney General, which shall require the district attorney or his or her designee seeking the report or information contained in the report to specify in writing the specific reasons for believing that a provision of this title or Section 186.10 has been violated.

(c) The department shall destroy a report filed with it under Section 14162 at the end of the fifth calendar year after receipt of the report, unless the report or information contained in the report is known by the department to be the subject of an existing criminal proceeding or investigation.

TITLE 11.5. CENTRAL VALLEY RURAL CRIME PREVENTION PROGRAM

14170. (a) It is the intent of the Legislature in enacting this measure to enhance crime prevention efforts by establishing a pilot program to strengthen the ability of law enforcement agencies in rural areas to detect and monitor agricultural- and rural-based crimes.

(b) The County of Tulare has developed the Rural Crime Demonstration Project administered by the Tulare County District Attorney's office under a joint powers agreement with the Tulare County Sheriff's office entered into pursuant to Chapter 5 (commencing with Section 6500) of Division 7 of Title 1 of the Government Code. The parties to that agreement formed a task force to include the office of the Tulare County Agricultural Commissioner. The task force is an interactive team working together to develop problem solving and crime control techniques, to encourage timely reporting of crimes, and to evaluate the results of these activities. The task force conducts joint operations in order to facilitate investigative coordination. The task force consults with experts from the United States military, the California Military Department, the Department of Justice, other law enforcement entities, and various other state and private organizations as deemed necessary to maximize the effectiveness of the task force. Media and community support have been solicited to promote the task force. The Rural Crime Demonstration Project has proven its cost effectiveness. It is appropriate that the project be expanded into a program that will allow the County of Tulare to continue to operate the task force formed under the above described joint powers agreement, and to permit the Counties of Fresno, Kern, Kings, Madera, Merced, San Joaquin, and Stanislaus to establish their own programs,
pursuant to the provisions of this title, and

to collectively establish a task force for the

prevention of rural crime in those counties.

(c) The Legislature finds and declares

that California has experienced an escalat-
oin agricultural crimes in general, both

property and personal, and that there has

been no concentrated effort applied to the

prevention of crimes against the agricultur-
al industry. Currently, no national or state
agency keeps track of statistics on agricul-
tural and rural crime. According to media
reports, this state lost millions of dollars
worth of crops, livestock, and equipment in
1994 and 1995. A majority of these crimes
occurred in agricultural-based counties.
However, there has been no effort on the part
of any state or local agency to accurately re-
cord these types of crimes. The Legislature
further finds and declares that there are no state or local law enforcement agencies in
this state with programs that are specially
designed to detect or monitor agricultural-
and rural-based criminal activities. In addi-
tion, local law enforcement agencies do not
possess the jurisdictional authority, investiga-
tive facilities, or data systems to coordi-
nate a comprehensive approach to the state's
agricultural and rural crime problem. The
Legislature additionally finds and declares
that the proliferation of agricultural and
rural crime in the various rural counties of
this state is a threat to the vitality of our
rich agrarian tradition. Agricultural and
rural crime, if left unchecked, endangers an
entire industry that is vital to America's con-
tinued economic role in the world, and there-
fore requires a proactive response from the
Legislature. The intent of the Legislature in
authorizing the Central Valley Rural Crime
Prevention Program pursuant to this act is
to provide for the protection and safety of
the state's agriculture industry by creating
a state-mandated local program.

The Central Valley Rural Crime Prevention Program, which
shall be administered by the county dis-

tinct attorney’s office or the county sheriff for each county in accor-
dance with the joint powers agreement. This paragraph does not prohib-

it counties from using their own funds to
implement the requirements of this

paragraph. This paragraph does not prohib-

b) The parties to each agreement shall
form a regional task force that shall be
known as the Central Valley Rural Crime
Task Force, that may include the respec-
tive county office of the county agricultural
commissioner, the county district attorney,
the county sheriff, and interested property
owner groups or associations. The task
force shall be an interactive team working
together to develop crime prevention, prob-
lem solving, and crime control techniques, to
encourage timely reporting of crimes, and to
evaluate the results of these activities. The
task force may operate from a joint facility
in order to facilitate investigative coordina-
tion. The task force may also consult with
experts from the United States military, the
California Military Department, the
Department of Justice, other law enforce-
ment entities, and various other state and
private organizations as deemed necessary
to maximize the effectiveness of this pro-
gram. Media and community support may
be solicited to promote this program. Each of
the participating designated counties shall

**23505.** If any section, subdivision, paragraph, subparagraph, sentence, clause, or phrase of any provision listed in Section 16580 is for any reason held unconstitutional, that decision does not affect the validity of any other provision listed in Section 16580. The Legislature hereby declares that it would have passed the provisions listed in Section 16580 and each section, subdivision, paragraph, subparagraph, sentence, clause, and phrase of those provisions, irrespective of the fact that any one or more other sections, subdivisions, paragraphs, subparagraphs, sentences, clauses, or phrases be declared unconstitutional.

**23510.** (a) For purposes of Sections 25400 and 26500, Sections 27500 to 27590, inclusive, Section 28100, Sections 29610 to 29750, inclusive, Sections 29900 to 29905, inclusive, and Section 31615 of this code, and any provision listed in subdivision (a) of Section 16585 of this code, and Sections 8100, 8101, and 8103 of the Welfare and Institutions Code, notwithstanding the fact that the term “any firearm” may be used in those sections, each firearm or the frame or receiver of each firearm constitutes a distinct and separate offense under those sections.

One copy of the fingerprints may be submitted to the United States Federal Bureau of Investigation.
DIVISION 2. FIREARM SAFETY DEVICES, GUN SAFES, AND RELATED WARNINGS

23620. This division and Sections 16540, 16610, and 16870 shall be known and may be cited as the “Aroner-Scott-Hayden Firearms Safety Act of 1999.”

23625. The Legislature makes the following findings:

(a) In the years 1987 to 1996, nearly 2,200 children in the United States under the age of 15 years died in unintentional shootings. In 1996 alone, 138 children were shot and killed unintentionally. Thus, more than 11 children every month, or one child every three days, were shot or killed unintentionally in firearms-related incidents.

(b) The United States leads the industrialized world in the rates of children and youth lost to unintentional, firearms-related deaths. A 1997 study from the federal Centers for Disease Control and Prevention reveals that for unintentional firearm-related deaths for children under the age of 15, the rate in the United States was nine times higher than in 25 other industrialized countries combined.

(c) While the number of unintentional deaths from firearms is an unacceptable toll on America’s children, nearly eight times that number are treated in U.S. hospital emergency rooms each year for nonfatal unintentional gunshot wounds.

(d) A study of unintentional firearm deaths among children in California found that unintentional gunshot wounds most often involve handguns.

(e) A study in the December 1995 issue of the Archives of Pediatric and Adolescent Medicine found that children as young as three years old are strong enough to fire most commercially available handguns. The study revealed that 25 percent of three to four year olds and 70 percent of five to six year olds had sufficient finger strength to fire 89 (92 percent) of the 64 commonly available handguns referenced in the study.

(f) The Government Accounting Office (GAO), in its March 1991 study, “Accidental Shootings: Many Deaths and Injuries Caused by Firearms Could be Prevented,” estimates that 31 percent of accidental deaths caused by firearms might be prevented by the addition of two safety devices: a child-resistant safety device that automatically engages and a device that indicates whether the gun is loaded. According to the study results, of the 107 unintentional firearms-related fatalities the GAO examined for the calendar years 1988 and 1989, 8 percent could have been prevented had the firearm been equipped with a child-resistant safety device. This 8 percent represents instances in which children under the age of six unintentionally shot and killed themselves or other persons.

(g) Currently, firearms are the only products manufactured in the United States that are not subject to minimum safety standards.

(h) A 1997 public opinion poll conducted by the National Opinion Research Center at the University of Chicago in conjunction with the Johns Hopkins Center for Gun Policy and Research found that 74 percent of Americans support safety regulation of the firearms industry.

(i) Some currently available trigger locks and other similar devices are inadequate to prevent the accidental discharge of the firearms to which they are attached, or to prevent children from gaining access to the firearm.

23630. (a) This division does not apply to the commerce of any antique firearm.

(b) (1) This division does not apply to the commerce of any firearm intended to be used by a salaried, full-time peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2, for purposes of law enforcement.

(2) Nothing in this division precludes a local government, local agency, or state law enforcement agency from requiring its peace officers to store their firearms in gun safes or attach firearm safety devices to those firearms.

23635. (a) Any firearm sold or transferred in this state by a licensed firearms dealer, including a private transfer through a dealer, and any firearm manufactured in this state, shall include or be accompanied by a firearm safety device that is listed on the Department of Justice's roster of approved firearm safety devices and that is identified as appropriate for that firearm by reference to either the manufacturer and model of the firearm, or to the physical characteristics of the firearm that match those listed on the roster for use with the device.

(b) The sale or transfer of a firearm shall be exempt from subdivision (a) if both of the following apply:

(1) The purchaser or transferee owns a gun safe that meets the standards set forth in Section 23650. Gun safes shall not be required to be tested, and therefore may meet the standards without appearing on the Department of Justice roster.

(2) The purchaser or transferee presents an original receipt for purchase of the gun safe, or other proof of purchase or ownership of the gun safe as authorized by the Attorney General, to the firearms dealer. The dealer shall maintain a copy of this receipt or proof of purchase with the dealer’s record of sales of firearms.

(c) The sale or transfer of a firearm shall be exempt from subdivision (a) if all of the following apply:

(1) The purchaser or transferee purchases an approved safety device no more than...
30 days prior to the day the purchaser or transferee takes possession of the firearm.

(2) The purchaser or transferee presents the approved safety device to the firearms dealer when picking up the firearm.

(3) The purchaser or transferee presents an original receipt to the firearms dealer, which shows the date of purchase, the name, and the model number of the safety device.

(4) The firearms dealer verifies that the requirements in paragraphs (1) to (3), inclusive, have been satisfied.

(5) The firearms dealer maintains a copy of the receipt along with the dealer’s record of sales of firearms.

(d) (1) Any long-gun safe commercially sold or transferred in this state, or manufactured in this state for sale in this state, that does not meet the standards for gun safes adopted pursuant to Section 23650 shall be accompanied by the following warning: “WARNING: This gun safe does not meet the safety standards for gun safes specified in California Penal Code Section 23650. It does not satisfy the requirements of Penal Code Section 23635, which mandates that all firearms sold in California be accompanied by a firearm safety device or proof of ownership, as required by law, of a gun safe that meets the Section 23650 minimum safety standards developed by the California Attorney General.”

(2) This warning shall be conspicuously displayed in its entirety on the principal display panel of the gun safe’s package, on any descriptive materials that accompany the gun safe, and on a label affixed to the front of the gun safe.

(3) This warning shall be displayed in both English and Spanish, in conspicuous and legible type in contrast by typography, layout, or color with other printed matter on the package or descriptive materials, in a manner consistent with Part 1500.121 of Title 16 of the Code of Federal Regulations, or successor regulations thereto.

(e) Any firearm sold or transferred in this state by a licensed firearms dealer, including a private transfer through a dealer, and any firearm manufactured in this state, shall be accompanied by a warning label or notice shall be affixed to the firearm itself by a method to be prescribed by regulation of the Attorney General.

(3) Include provisions to ensure that all firearm safety devices and gun safes are reusable and of adequate quality and construction to prevent children and unauthorized users from firing the firearm and to ensure that these devices cannot be readily removed from the firearm or that the firearm cannot be readily removed from the gun safe except by an authorized user utilizing the key, combination, or other method of access intended by the manufacturer of the device.

(4) Include additional provisions as appropriate.

(b) The Attorney General may consult, for the purposes of guidance in development of

(b) The Department of Justice may charge any laboratory that is seeking certification to test firearm safety devices a fee not exceeding the costs of certification, including costs associated with the development and approval of regulations and standards pursuant to Section 23650.

(c) The certified laboratory shall, at the manufacturer’s or dealer’s expense, test a firearm safety device and submit a copy of the final test report directly to the Department of Justice, along with the firearm safety device. The department shall notify the manufacturer or dealer of its receipt of the final test report and the department’s determination as to whether the firearm safety device tested may be sold in this state.

(d) Commencing on July 1, 2001, the Department of Justice shall compile, publish, and maintain a roster listing all of the firearm safety devices that have been tested by a certified testing laboratory, have been determined to meet the department’s standards for firearm safety devices, and may be sold in this state.

(e) The roster shall list, for each firearm safety device, the manufacturer, model number, and model name.

(f) The department may randomly retest samples obtained from sources other than directly from the manufacturer of the firearm safety device listed on the roster to ensure compliance with the requirements of this division.

(g) Firearm safety devices used for random sample testing and obtained from sources other than the manufacturer shall be in new, unused condition, and still in the manufacturer’s original and unopened package.

23660. (a) No person shall keep for commercial sale, offer, or expose for commercial sale, or commercially sell any firearm safety device that is not listed on the roster maintained pursuant to subdivision (d) of Section 23655, or that does not comply with the standards for firearm safety devices adopted pursuant to Section 23650.

23665. (a) No long-gun safe may be manufactured in this state for sale in this state that does not comply with the standards for gun safes adopted pursuant to Section 23650, unless the long-gun safe is labeled by the manufacturer consistent with the requirements of Section 23635.

(b) (1) Any person who keeps for commercial sale, offers, or exposes for commercial sale, or who commercially sells a long-gun safe that does not comply with the standards for gun safes adopted pursuant to Section 23650, and who knows or has reason to know, that the long-gun safe in question does not meet the standards for gun safes adopted pursuant to Section 23650, is in violation of this section, and is punishable as provided in Section 23670, unless the long-gun safe is labeled pursuant to Section 23635.

(2) Any person who keeps for commercial sale, offers, or exposes for commercial sale, or who commercially sells a long-gun safe that does not comply with the standards for gun safes adopted pursuant to Section 23650, and who removes or causes to be removed, from the long-gun safe, the label required pursuant to Section 23635, is in violation of this section, and is punishable as provided in Section 23670.

23670. (a) (1) A violation of Section 23660 or 23665 is punishable by a civil fine of up to five hundred dollars ($500).

(2) A second violation of any of those sections, which occurs within five years of the date of a previous offense, is punishable by a civil fine of up to one thousand dollars ($1,000) and, if the violation is committed by a licensed firearms dealer, the dealer shall be ineligible to sell firearms in this state for 30 days.

(b) The Attorney General, a district attorney, or a city attorney may bring a civil action for a violation of Section 23660 or 23665.
23675. Compliance with the requirements set forth in this division does not relieve any person from liability to any other person as may be imposed pursuant to common law, statutory law, or local ordinance.

23680. (a) If at any time the Attorney General determines that a gun safe or firearm safety device subject to the provisions of this division and sold after January 1, 2002, does not conform with the standards required by subdivision (a) of Section 23635 or Section 23650, the Attorney General may order the recall and replacement of the gun safe or firearm safety device, or order that the gun safe or firearm safety device be brought into conformity with those requirements.

(b) If the firearm safety device can be separated and reattached to the firearm without damaging the firearm, the licensed manufacturer or licensed firearms dealer shall immediately provide a conforming replacement as instructed by the Attorney General.

(c) If the firearm safety device cannot be separated from the firearm without damaging the firearm, the Attorney General may order the recall and replacement of the firearm.

23685. Each lead law enforcement agency investigating an incident shall report to the State Department of Health Services any information obtained that reasonably supports the conclusion that: (a) A child 18 years of age or younger suffered an unintentional or self-inflicted gunshot wound inflicted by a firearm that was sold or transferred in this state, or manufactured in this state.

(b) Whether as a result of that incident the child died, suffered serious injury, or was treated for an injury by a medical professional.

23690. (a) (1) The Department of Justice may require each dealer to charge each firearm purchaser or transferee a fee not to exceed one dollar ($1) for each firearm transaction.

25215. (a) If a person who allegedly violated Section 25200 is the parent or guardian of a child who was injured or who died as the result of an accidental shooting, no arrest of the person for the alleged violation of Section 25200 shall occur until at least seven days after the date upon which the accidental shooting occurred.

(b) In addition to the limitation contained in subdivision (a), before arresting a person for a violation of Section 25200, a law enforcement officer shall consider the health status of a child who suffers great bodily injury as the result of an accidental shooting, if the person to be arrested is the parent or guardian of the injured child. The intent of this section is to encourage law enforcement officials to delay the arrest of a parent or guardian of a seriously injured child while the child remains on life-support equipment or is in a similarly critical medical condition.

25220. (a) The fact that the person who allegedly violated Section 25200 attended a firearm safety training course prior to the purchase of the firearm that is obtained by a child in violation of Section 25200 shall be considered a mitigating factor by a district attorney when deciding whether to prosecute the alleged violation.

(b) In any action or trial commenced under Section 25200, the fact that the person who allegedly violated Section 25200 attended a firearm safety training course prior to the purchase of the firearm that was obtained by a child in violation of Section 25200 is admissible.

the Fingerprint Fee Account, and forty-eight dollars ($48) shall be deposited into the Dealers’ Record of Sale Special Account.

(c) Subdivision (a) shall not apply to a person who has been convicted of a felony under the laws of the United States unless either of the following criteria is satisfied:
(1) Conviction of a like offense under California law can only result in imposition of felony punishment.
(2) The defendant was sentenced to a federal correctional facility for more than 30 days, or received a fine of more than one thousand dollars ($1,000), or received both punishments.

29805. Except as provided in Section 29855 or subdivision (a) of Section 29800, any person who has been convicted of a misdemeanor violation of Section 71, 76, 136.1, 136.5, or 140, subdivision (d) of Section 148, Section 171b, paragraph (1) of subdivision (a) of Section 171c, 171d, 186.28, 240, 241, 242, 243, 243.4, 244.5, 245, 245.5, 246.3, 247, 273.5, 273.6, 417, 417.6, 422, 626.9, 646.9, or 830.95, subdivision (a) of former Section 12100, as that section read at any time from when it was enacted by Section 3 of Chapter 1386 of the Statutes of 1988 to when it was repealed by Section 18 of Chapter 23 of the Statutes of 1994, Section 17500, 17510, 25300, 25800, 30315, or 32625, subdivision (b) or (d) of Section 26100, or Section 27510, or Section 8100, 8101, or 8103 of the Welfare and Institutions Code, any firearm-relat-

impose probation consistent with Section 1203.097.

The order shall also state that a firearm owned or possessed by the person shall be relinquished to the local law enforcement agency for that jurisdiction, sold to a licensed firearms dealer, or transferred to a licensed firearms dealer pursuant to Section 29830 for the duration of the period that the protective order is in effect, and that proof of surrender or sale shall be filed within a specified time of receipt of the order. The order shall state the penalties for a violation of the prohibition. The order shall also state on its face the expiration date for relinquishment.

29830. (a) Any person who is prohibited from owning or possessing a firearm pursuant to this article, or who is prohibited from owning or possessing a firearm pursuant to any other law, may transfer or cause to be transferred, any firearm or firearms in his or her possession, or of which he or she is the owner, to a firearms dealer licensed pursuant to Section 26700 to 26915, inclusive, for storage during the duration of the prohibition, if the prohibition on owning or possessing the firearm will expire on a date specified in the court order.

(b) A firearms dealer who stores a firearm or firearms pursuant to subdivision (a), may charge the owner a fee for the storage of the firearm or firearms.

(c) A firearms dealer who stores a firearm or firearms pursuant to subdivision (a) shall notify the Department of Justice of the date that the firearms dealer has taken possession of the firearm or firearms.

(d) Any firearm that is returned by a dealer to the owner of the firearm pursuant to this section shall be returned in accordance with the procedures set forth in Section 27540 and Article 1 (commencing with Section 26700) and Article 2 (commencing with Section 26800) of Chapter 2 of Division 6.

Article 2. Exemption or Petition for Relief

29850. (a) A violation of Section 29800, 29805, 29815, or 29820 is justifiable where all of the following conditions are met:

(1) The person found the firearm or took the firearm from a person who was committing a crime against the person who found or took the firearm.

(2) The person possessed the firearm no longer than was necessary to deliver or transport the firearm to a law enforcement agency for that agency’s disposition according to law or to a licensed firearms dealer for transfer or for storage pursuant to Section 29830.

(3) If the firearm was transported to a law enforcement agency or to a licensed firearms dealer, it was transported in accordance with subdivision (b) of Section 25570.

(4) If the firearm is being transported to a law enforcement agency or to a licensed firearms dealer, the person transporting the firearm has given prior notice to the law enforcement agency or to the licensed firearms dealer that the person is transporting the firearm to the law enforcement agency or the licensed firearms dealer for disposition according to law.

(b) Upon the trial for violating Section 29800, 29805, 29815, or 29820, the trier of fact shall determine whether the defendant was acting within the provisions of the exemption created by this section.

(c) The defendant has the burden of proving by a preponderance of the evidence that the defendant comes within the provisions of the exemption created by this section.

29855. (a) Any person employed as a peace officer described in Section 830.1, 830.2, 830.31, 830.32, 830.33, or 830.5 whose employment or livelihood is dependent on the ability to legally possess a firearm, who is subject to the prohibition imposed by Section 29805 because of a conviction under Section 273.5, 273.6, or 646.9, may petition the court only once for relief from this prohibition.

(b) The petition shall be filed with the court in which the petitioner was sentenced. If possible, the matter shall be heard before the same judge who sentenced the petitioner.

(c) Upon filing the petition, the clerk of the court shall set the hearing date and shall notify the petitioner and the prosecuting attorney of the date of the hearing.

(d) Upon making each of the following findings, the court may reduce or eliminate the prohibition, impose conditions on reduction or elimination of the prohibition, or otherwise grant relief from the prohibition as the court deems appropriate:

(1) Finds by a preponderance of the evidence that the petitioner is likely to use a firearm in a safe and lawful manner.

(2) Finds that the petitioner is not within a prohibited class as specified in Section 29815, 29820, 29825, or 29900, or subdivision (a) or (b) of Section 29800, and the court is not presented with any credible evidence that the petitioner is a person described in Section 8100 or 8103 of the Welfare and Institutions Code.

(3) Finds that the petitioner does not have a previous conviction under Section 29805, no matter when the prior conviction occurred.

(e) In making its decision, the court shall consider the petitioner’s continued employment, the interest of justice, any relevant evidence, and the totality of the circumstances. The court shall require, as a condition of granting relief from the prohibition
under Section 29805, that the petitioner agree to participate in counseling as deemed appropriate by the court. Relief from the prohibition shall not relieve any other person or entity from any liability that might otherwise be imposed. It is the intent of the Legislature that courts exercise broad discretion in fashioning appropriate relief under this section in cases in which relief is warranted. However, nothing in this section shall be construed to require courts to grant relief to any particular petitioner. It is the intent of the Legislature to permit persons who were convicted of an offense specified in Section 273.5, 273.6, or 646.9 to seek relief from the prohibition imposed by Section 29805.

29860. (a) Any person who is subject to the prohibition imposed by Section 29805 because of a conviction of an offense prior to that offense being added to Section 29805 may petition the court only once for relief from this prohibition.

(b) The petition shall be filed with the court in which the petitioner was sentenced. If possible, the matter shall be heard before the same judge that sentenced the petitioner.

(c) Upon filing the petition, the clerk of the court shall set the hearing date and notify the petitioner and the prosecuting attorney of the date of the hearing.

(d) Upon making each of the following findings, the court may reduce or eliminate the prohibition, impose conditions on reduction or elimination of the prohibition, or otherwise grant relief from the prohibition as the court deems appropriate:

1. Finds by a preponderance of the evidence that the petitioner is likely to use a firearm in a safe and lawful manner.

2. Finds that the petition is not within a prohibited class as specified in Section 29815, 29820, 29825, or 29900, or subdivision (a) or (b) of Section 29800, and the court is not presented with any credible evidence that the petitioner is a person described in Section 8100 or 8103 of the Welfare and Institutions Code.

3. Finds that the petitioner does not have a previous conviction under Section 29805, no matter when the prior conviction occurred.

(e) In making its decision, the court may consider the interest of justice, any relevant evidence, and the totality of the circumstances. It is the intent of the Legislature that courts exercise broad discretion in fashioning appropriate relief under this section in cases in which relief is warranted. However, nothing in this section shall be construed to require courts to grant relief to any particular petitioner.

29865. Law enforcement officials who enforce the prohibition specified in Section 29805 against a person who has been granted relief pursuant to Section 29855 or 29860 shall be immune from any liability for false arrest arising from the enforcement of Section 29805 unless the person has in possession a certified copy of the court order that granted the person relief from the prohibition. This immunity from liability shall not relieve any person or entity from any other liability that might otherwise be imposed.

29875. Subject to available funding, the Attorney General, working with the Judicial Council, the California Alliance Against Domestic Violence, prosecutors, and law enforcement, probation, and parole officers, shall develop a protocol for the implementation of the provisions of Section 12021, as it reads in Section 2 of Chapter 830 of the Statutes of 2002, and as later amended at any time before completion of the protocol. The protocol shall be designed to facilitate the enforcement of restrictions on firearm ownership, including provisions for giving notice to defendants who are restricted, provisions for informing those defendants of the procedures by which defendants shall dispose of firearms when required to do so, provisions explaining how defendants shall provide proof of the lawful disposition of firearms, and provisions explaining how defendants may obtain possession of seized firearms when legally permitted to do so pursuant to any provision of law. The protocol shall be completed on or before January 1, 2005.

(2) A dismissal of an accusatory pleading pursuant to Section 1203.4a involving an offense set forth in Section 29905 does not affect the finding of a previous conviction.

The purpose of the file is to cross-reference persons who have ownership or possession of a firearm on or after January 1, 1991, as indicated by a record in the Consolidated Firearms Information System, and who, subsequent to the date of that ownership or possession of a firearm, fall within a class of persons who are prohibited from owning or possessing a firearm.

(b) The information contained in the Prohibited Armed Persons File shall only be available to those entities specified in, and pursuant to, subdivision (b) or (c) of Section 11105, through the California Law Enforcement Telecommunications System, for the purpose of determining if persons are armed and prohibited from possessing firearms.

(b) The department shall charge a fee of twenty dollars ($20) for performing the eligibility check authorized by this section, but not to exceed the actual processing costs of the department. After the department establishes fees sufficient to reimburse the department for processing costs, fees charged may increase at a rate not to exceed the legislatively approved cost-of-living adjustment for the department’s budget or as otherwise increased through the Budget Act.

(f) The department shall make applications to conduct a firearms eligibility check as described in this section available to licensed firearms dealers and on the department’s Internet Web site.

“If the applicant for a firearms eligibility check purchases, transfers, or receives a firearm through a licensed dealer as required by law, a waiting period and background check are both required.”

(c) Within 10 days of the date a handgun, and commencing January 1, 2014, any firearm, is acquired by the agency, a record of the same shall be entered as an institutional weapon into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System (CLETS) by the law enforcement or state agency. Any agency without access to AFS shall arrange with the sheriff of the county in which the agency is located to input this information via this system.

Proper written authorization is defined as verifiable written certification from the head of the agency by which the purchaser, transferee, or person otherwise acquiring ownership is employed, identifying the employee as an individual authorized to conduct the transaction, and authorizing the transaction for the exclusive use of the agency by which that individual is employed.

CHAPTER 2. ASSAULT WEAPONS AND .50 BMG RIFLES

30500. This chapter shall be known as the Roberti-Roos Assault Weapons Control Act of 1989 and the .50 Caliber BMG Regulation Act of 2004.

30505. (a) The Legislature hereby finds and declares that the proliferation and use of assault weapons poses a threat to the health, safety, and security of all citizens of this state. The Legislature has restricted the assault weapons specified in Section 30510 based upon finding that each firearm has such a high rate of fire and capacity for firepower that its function as a legitimate sports or recreational firearm is substantially outweighed by the danger that it can be used to kill and injure human beings. It is the intent of the Legislature in enacting this chapter to place restrictions on the use of assault weapons and to establish a registration and permit procedure for their lawful sale and possession. It is not, however, the intent of the Legislature by this chapter to place restrictions on the use of those weapons which are primarily designed and intended for hunting, target practice, or other legitimate sports or recreational activities.

(b) The Legislature hereby finds and declares that the proliferation and use of .50 BMG rifles poses a clear and present terror threat to the health, safety, and security of all residents of, and visitors to, this state, based upon findings that those firearms have such a high capacity for long distance and highly destructive firepower that they pose an unacceptable risk to the death and serious injury of human beings, destruction or serious damage of vital public and private buildings, civilian, police and military vehicles, power generation and transmission facilities, petrochemical production and storage facilities, and transportation infrastructure. It is the intent of the Legislature in enacting this chapter to place restrictions on the use of these rifles and to establish a registration and permit procedure for their lawful sale and possession.

30510. As used in this chapter and in Sections 16780, 17000, and 27555, “assault weapon” means the following designated semiautomatic firearms:

(a) All of the following specified rifles:

(1) All AK series including, but not limited to, the models identified as follows:

(e) This section is declaratory of existing law and a clarification of the law and the Legislature’s intent which bans the weapons enumerated in this section, the weapons included in the list promulgated by the Attorney General pursuant to former Section 12276.5, as it read in Section 3 of Chapter 954 of the Statutes of 1991, and any other models that are only variations of those weapons with minor differences, regardless of the manufacturer. The Legislature has defined assault weapons as the types, series, and models listed in this section because it was the most effective way to identify and restrict a specific class of semiautomatic weapons.
(f) As used in this section, “series” includes all other models that are only variations, with minor differences, of those models listed in subdivision (a), regardless of the manufacturer.
30515. (a) Notwithstanding Section 30510, “assault weapon” also means any of the following:
(1) A semiautomatic, centerfire rifle that has the capacity to accept a detachable magazine and any one of the following:
(A) A pistol grip that protrudes conspicuously beneath the action of the weapon.
(B) A thumbhole stock.

(C) A shroud that is attached to, or partially or completely encircles, the barrel that allows the bearer to fire the weapon without burning the bearer’s hand, except a slide that encloses the barrel.
(D) The capacity to accept a detachable magazine at some location outside of the pistol grip.
(5) A semiautomatic pistol with a fixed magazine that has the capacity to accept more than 10 rounds.

(7) A semiautomatic shotgun that has the ability to accept a detachable magazine.
(8) Any shotgun with a revolving cylinder.
(b) The Legislature finds a significant public purpose in exempting from the definition of “assault weapon” pistols that are designed expressly for use in Olympic target shooting events. Therefore, those pistols that are sanctioned by the International Olympic Committee and by USA Shooting, the national governing body for international shooting competition in the United States, and that were used for Olympic target shooting purposes as of January 1, 2001, and that would otherwise fall within the definition of “assault weapon” pursuant to this section are exempt, as provided in subdivision (c).
(c) “Assault weapon” does not include either of the following:
(1) Any antique firearm.

(2) Any of the following pistols, because they are consistent with the significant public purpose expressed in subdivision (b):

(3) The Department of Justice shall create a program that is consistent with the purposes stated in subdivision (b) to exempt new models of competitive pistols that would otherwise fall within the definition of “assault weapon” pursuant to this section from being classified as an assault weapon. The exempt competitive pistols may be based on recommendations by USA Shooting consistent with the regulations contained in the USA Shooting Official Rules or may be based on the recommendation or rules of any other organization that the department deems relevant.

30520. (a) The Attorney General shall prepare a description for identification purposes, including a picture or diagram, of each assault weapon listed in Section 30510, and any firearm declared to be an assault weapon pursuant to former Section 12276.5, as it read in Section 3 of Chapter 19 of the Statutes of 1989, Section 1 of Chapter 874 of the Statutes of 1990, or Section 3 of Chapter 954 of the Statutes of 1991, and shall distribute the description to all law enforcement agencies responsible for enforcement of this chapter. Those law enforcement agencies shall make the description available to all agency personnel.

(b) (1) Until January 1, 2007, the Attorney General shall promulgate a list that specifies all firearms designated as assault weapons in former Section 12276, as it read in Section 2 of Chapter 954 of the Statutes of 1991, Section 134 of Chapter 427 of the Statutes of 1992, or Section 19 of Chapter 606 of the Statutes of 1993, or declared to be assault weapons pursuant to former Section 12276.5, as it read in Section 3 of Chapter 19 of the Statutes of 1989, Section 1 of Chapter 874 of the Statutes of 1990, or Section 3 of Chapter 954 of the Statutes of 1991. The Attorney General shall file that list with the Secretary of State for publication in the California Code of Regulations. Any declaration that a specified firearm is an assault weapon shall be implemented by the Attorney General who, within 90 days, shall promulgate an amended list which shall include the specified firearm declared to be an assault weapon. The Attorney General shall file the amended list with the Secretary of State for publication in the California Code of Regulations. Any firearm declared to be an assault weapon prior to January 1, 2007, shall remain on the list filed with the Secretary of State.

(2) Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, pertaining to the adoption of rules and regulations, shall not apply to any list of assault weapons promulgated pursuant to this section.

In making its decision, the chief of police or sheriff shall consider the petitioner's continued employment, the interests of justice, any relevant evidence, and the totality of the circumstances. It is the intent of the Legislature that law enforcement officials exercise broad discretion in fashioning appropriate relief under this paragraph in cases in which relief is warranted. Relief from this prohibition does not relieve any other person or entity from any liability that might otherwise be imposed.

(d) Law enforcement officials who enforce the prohibition specified in subdivision (a) against a person who has been granted relief pursuant to subdivision (b), shall be immune from any liability for false arrest arising from the enforcement of this subdivision unless the person has in possession a certified copy of the permission granting the person relief from the prohibition, as required by subdivision (c). Article 4. “Unsafe Handgun” and Related Definitions

31900. As used in this part, the “drop safety requirement for handguns” means that at the conclusion of the firing requirements for handguns described in Section 31905, the same certified independent testing laboratory shall subject the same three handguns of the make and model for which certification is sought, to the following test:
(a) A primed case (no powder or projectile) shall be inserted into the chamber. For a pistol, the slide shall be released, allowing it to move forward under the impetus of the recoil spring, and an empty magazine shall be inserted. For both a pistol and a revolver, the weapon shall be placed in a drop fixture capable of dropping the pistol from a drop height of 1m + 1cm (39.4 + 0.4 in.) onto the largest side of a slab of solid concrete having minimum dimensions of 7.5 x 15 x 15 cm (3 x 6 x 6 in.). The drop distance shall be measured from the lowermost portion of the weapon to the top surface of the slab. The weapon shall be dropped from a fixture and not from the hand. The weapon shall be dropped in the condition that it would be in if it were dropped from a hand (cocked with no manual safety applied). If the pistol is designed so that upon leaving the hand a “safety” is automatically applied by the pistol, this feature shall not be defeated. An approved drop fixture is a short piece of string with the weapon attached at one end and the other end held in an air vise until the drop is initiated.
(b) The following six drops shall be performed:
(1) Normal firing position with barrel horizontal.
(2) Upside down with barrel horizontal.
(3) On grip with barrel vertical.
(4) On muzzle with barrel vertical.
(5) On either side with barrel horizontal.
(6) If there is an exposed hammer or striker, on the rearmost point of that device, otherwise on the rearmost point of the weapon.
(c) The primer shall be examined for indentations after each drop. If indentations are present, a fresh primed case shall be used for the next drop.
(d) The handgun shall pass this test if each of the three test guns does not fire the primer.

31905. (a) As used in this part, “firing requirement for handguns” means a test in which the manufacturer provides three handguns of the make and model for which certification is sought to an independent testing laboratory certified by the Attorney General pursuant to Section 32010. These
handguns may not be refined or modified in any way from those that would be made available for retail sale if certification is granted. The magazines of a tested pistol shall be identical to those that would be provided with the pistol to a retail customer.

(b) The test shall be conducted as follows:

(1) The laboratory shall fire 600 rounds from each gun, stopping after each series of 50 rounds has been fired to allow the weapon to cool, stopping after each series of 100 rounds has been fired to tighten any loose screws and clean the gun in accordance with the manufacturer's instructions, and stopping as needed to refill the empty magazine or cylinder to capacity before continuing.

(2) The ammunition used shall be of the type recommended by the handgun manufacturer in the user manual, or if none is recommended, any standard ammunition of the correct caliber in new condition that is commercially available.

(c) A handgun shall pass this test if each of the three test guns meets both of the following:

(1) Fires the first 20 rounds without a malfunction that is not due to ammunition that fails to detonate.

(2) Fires the full 600 rounds with no more than six malfunctions that are not due to ammunition that fails to detonate and without any crack or breakage of an operating part of the handgun that increases the risk of injury to the user.

(d) If a pistol or revolver fails the requirements of either paragraph (1) or (2) of subdivision (c) due to ammunition that fails to detonate, the pistol or revolver shall be retested from the beginning of the “firing requirement for handguns” test. A new model of the pistol or revolver that failed due to ammunition that fails to detonate may be submitted for the test to replace the pistol or revolver that failed.

(e) As used in this section, “malfunction” means a failure to properly feed, fire, or eject a round, or failure of a pistol to accept or eject the magazine, or failure of a pistol’s slide to remain open after the magazine has been expended.

31910. As used in this part, “unsafe handgun” means any pistol, revolver, or other firearm capable of being concealed upon the person, for which any of the following is true:

(a) For a revolver:

(1) It does not have a safety device that, either automatically in the case of a double-action firing mechanism, or by manual operation in the case of a single-action firing mechanism, causes the hammer to retract to a point where the firing pin does not rest upon the primer of the cartridge.

(2) It does not meet the firing requirement for handguns.

(3) It does not meet the drop safety requirement for handguns.

(b) For a pistol:

(1) It does not have a positive manually operated safety device, as determined by standards relating to imported guns promulgated by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives.

(2) It does not meet the firing requirement for handguns.

(3) It does not meet the drop safety requirement for handguns.

(4) Commencing January 1, 2006, for a center fire semiautomatic pistol that is not already listed on the roster pursuant to Section 32015, it does not have either a chamber load indicator, or a magazine disconnect mechanism.

(5) Commencing January 1, 2007, for all center fire semiautomatic pistols that are not already listed on the roster pursuant to Section 32015, it does not have both a chamber load indicator and if it has a detachable magazine, a magazine disconnect mechanism.

(7) (A) Commencing January 1, 2010, for all semiautomatic pistols that are not already listed on the roster pursuant to Section 32015, it is not designed and equipped with a microscopic array of characters that identify the make, model, and serial number of the pistol, etched or otherwise imprinted in two or more places on the interior surface or internal working parts of the pistol, and that are transferred by imprinting on each cartridge case when the firearm is fired, provided that the Department of Justice certifies that the technology used to create the imprint is available to more than one manufacturer unencumbered by any patent restrictions.

(B) The Attorney General may also approve a method of equal or greater reliability and effectiveness in identifying the specific serial number of a firearm from spent cartridge casings discharged by that firearm than that which is set forth in this paragraph, to be thereafter required as otherwise set forth by this paragraph where the Attorney General certifies that this new method is also unencumbered by any patent restrictions. Approval by the Attorney General shall include notice of that fact via regulations adopted by the Attorney General for purposes of implementing that method for purposes of this paragraph.

(C) The microscopic array of characters required by this section shall not be considered the name of the maker, model, manufacturer’s number, or other mark of identification, including any distinguishing number or mark assigned by the Department of Justice, within the meaning of Sections 23900 and 23920.

(b) This section shall not apply to any of the following:

(1) The manufacture in this state, or importation into this state, of a prototype handgun when the manufacture or importation is for the sole purpose of allowing an independent laboratory certified by the Department of Justice pursuant to Section 32010 to conduct an independent test to determine whether that handgun is prohibited by Sections 31900 to 32110, inclusive, and, if not, allowing the department to add the firearm to the roster of handguns that may be sold in this state pursuant to Section 32015.

This section does not prohibit the sale to, or purchase by, sworn members of these agencies of a handgun.

(c) Violations of subdivision (a) are cumulative with respect to each handgun and shall not be construed as restricting the application of any other law. However, an act or omission punishable in different ways by this section and other provisions of law shall not be punished under more than one provision, but the penalty to be imposed shall be determined as set forth in Section 654.

32005. (a) Every person who is licensed as a manufacturer of firearms pursuant to Chapter 44 (commencing with Section 921) of Title 18 of the United States Code and who manufactures firearms in this state shall certify under penalty of perjury and any other remedy provided by law that every model, kind, class, style, or type of pistol, revolver, or other firearm capable of being concealed upon the person that the person imports, keeps, or exposes for sale is not an unsafe handgun as prohibited by Sections 31900 to 32110, inclusive.

of the transfer, the handgun is removed from
the roster of not unsafe handguns because
of failure to pay the fee required to keep
that handgun listed on the roster, the hand-
gun shall be deliverable to the purchaser if
the purchaser is not otherwise prohibited
from purchasing or possessing the hand-
gun. However, if a purchaser has initiated
a transfer of a handgun that is listed on the
roster as not unsafe, and prior to the com-

from the roster pursuant to subdivision (d)

The applicant may contact the department to inquire about the reason for the denial.

33870. (a) If a law enforcement agency determines that the applicant is the legal owner of any firearm deposited with the agency, that the applicant is prohibited from possessing any firearm, and that the firearm is not a handgun and does not have a serial number, identification number, or identification mark assigned to it, that fact shall be noted in AFS.

(b) If the firearm has been lost or stolen, the firearm shall be restored to the lawful owner pursuant to Section 11108.5 upon the owner’s identification of the firearm, proof of ownership, and proof of eligibility to possess a firearm pursuant to Section 33865.

as provided for in Sections 18000 and 18005.

(b) This section does not apply to any firearm in the possession of the Department of Fish and Game, or which was used in the violation of any provision in the Fish and Game Code, or any regulation under that code.

**34005.** (a) (1) An officer having custody of any firearm that may be useful to the California National Guard, the Coast Guard Auxiliary, or to any military or naval agency of the federal government, including, but not limited to, the California State Military Museum and Resource Center, located in Sacramento, and at branch museums located at the California National Guard facilities at Camp Roberts, Camp San Luis Obispo, and Los Alamitos Armed Forces Reserve Center, may, upon the authority of the legislative body of the city, city and county, or county by which the officer is employed and the approval of the Adjutant General, deliver the firearm to the commanding officer of a unit of the California National Guard, the Coast Guard Auxiliary, or any other military agency of the state or federal government, in lieu of destruction as required by any of the provisions listed in Section 16580.

(2) Any state agency, county, municipality, or special purpose district may offer any excess military weapons or equipment, such as historical war equipment like artillery, tanks, or armored vehicles, to the California State Military Museum and Resource Center or any branch museum described in paragraph (1).

Alternatively, upon approval of a court, the agency may do either of the following:

(1) Release the weapons to any other law enforcement agency for use in carrying out the official duties of that agency.

(2) Turn over to the criminalistics laboratory of the Department of Justice or the criminalistics laboratory of a police department, sheriff’s office, or district attorney’s office, any weapons that may be useful in carrying out the official duties of the respective agencies.

(2) Firearms or weaponry donated to the California State Military Museum and Resource Center may be disposed of pursuant to Section 179 of the Military and Veterans Code.

(d) (1) Any law enforcement agency that has custody of any firearms, or any parts of any firearms, which are subject to destruction as required by any of the provisions listed in Section 16580, may, in lieu of destroying the firearms, obtain an order from the superior court directing the release of the firearms to the sheriff.

(2) The sheriff shall enter those weapons into the Automated Firearms System (AFS), via the California Law Enforcement Telecommunications System, with a complete description of each weapon, including the make, type, category, caliber, and serial number of the firearms, and the name of the academy receiving the weapon entered into the AFS miscellaneous field.

(3) The sheriff shall then release the firearms to the basic training academy certified by the Commission on Peace Officer Standards and Training, so that the firearms may be used for instructional purposes in the certificated courses. All firearms released to an academy shall be under the care, custody, and control of the particular academy.

(4) Any firearm, or part of any firearm, which is not destroyed, and is used for the purposes authorized by this section, shall be returned to the law enforcement agency that had original custody of the firearm when it is no longer needed by the basic training academy, or when the basic training academy is no longer certified by the commission.

(5) When those firearms are returned, the law enforcement agency to which the firearms are returned, shall on the date of the return, enter into the Automated Firearms System (AFS), via the California Law Enforcement Telecommunications System, a complete description of each weapon, including the make, type, category, caliber, and serial number of the firearms, and the name of the entity returning the firearm.

**34010.** Any law enforcement agency that retains custody of any firearm pursuant to Section 34005, or that destroys a firearm pursuant to Sections 18000 and 18005, shall notify the Department of Justice of the retention or destruction. CHAPTER 2. BALLISTICS
IDENTIFICATION SYSTEM

34350. (a) The Attorney General shall
conduct a study to evaluate ballistics identi-
fication systems to determine the feasibility
and potential benefits to law enforcement of
utilizing a statewide ballistics identification
system capable of maintaining a database
of ballistic images and information from
test fired and sold firearms. The study shall
include an evaluation of ballistics identifi-
cation systems currently used by state and
federal law enforcement agencies and the
firearms industry. The Attorney General
shall consult with law enforcement agencies,

(b) In evaluating ballistics identification
systems to determine the feasibility of uti-

make available to law enforcement ballistic
images submitted by firearm manufactur-

(7) The feasibility and potential benefits to law enforcement of requiring firearm manufacturers, importers, and dealers to provide the Attorney General with ballistic images from any, or a selected number of, test fired firearms prior to the sale of those firearms in California.

(c) The Attorney General shall submit a report to the Legislature with the results of the study not later than June 1, 2001. In the event the report includes a determination that a ballistics identification system and database is feasible and would benefit law enforcement, the report shall also recommend a strategy for implementation.

**34355.** (a) Section 34350 does not apply to any sale, delivery, or transfer of firearms made to an authorized law enforcement representative of any city, county, city and county, or state, or of the federal government, for exclusive use by that governmental agency if, prior to the sale, delivery, or transfer of these firearms, written authorization from the head of the agency authorizing the transaction is presented to the person from whom the purchase, delivery, or transfer is being made.

225. “Statement” means (a) oral or written verbal expression or (b) nonverbal conduct of a person intended by him as a substitute for oral or written verbal expression.

230. “Statute” includes a treaty and a constitutional provision.

235. “Trier of fact” includes (a) the jury and (b) the court when the court is trying an issue of fact other than one relating to the admissibility of evidence.

240. (a) Except as otherwise provided in subdivision (b), “unavailable as a witness” means that the declarant is any of the following:

1. Exempted or precluded on the ground of privilege from testifying concerning the matter to which his or her statement is relevant.

2. Disqualified from testifying to the matter.

3. Dead or unable to attend or to testify at the hearing because of then-existing physical or mental illness or infirmity.

4. Absent from the hearing and the court is unable to compel his or her attendance by its process.

5. Absent from the hearing and the proponent of his or her statement has exercised reasonable diligence but has been unable to procure his or her attendance by the court’s process.

6. Persistent in refusing to testify concerning the subject matter of the declarant’s statement despite having been found in contempt for refusal to testify.

(b) A declarant is not unavailable as a witness if the exemption, preclusion, disqualification, death, inability, or absence of the declarant was brought about by the procurement or wrongdoing of the proponent of his or her statement.

(c) Expert testimony that establishes that physical or mental trauma resulting from an alleged crime has caused harm to a witness of sufficient severity that the witness is physically unable to testify or is unable to testify without suffering substantial trauma may constitute a sufficient showing of unavailability pursuant to paragraph (3) of subdivision (a). As used in this section, the term “expert” means a physician and surgeon, including a psychiatrist, or any person described by subdivision (b), (c), or (e) of Section 1010.

The introduction of evidence to establish the unavailability of a witness under this subdivision shall not be deemed procurement of unavailability, in absence of proof to the contrary.

250. “Writing” means handwriting, typewriting, printing, Photostatting, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing, any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless
of the manner in which the record has been stored.

255. “Original” means the writing itself or any counterpart intended to have the same effect by a person executing or issuing it. An “original” of a photograph includes the negative or any print therefrom. If data are stored in a computer or similar device, any printout or other output readable by sight, shown to reflect the data accurately, is an “original.”

260. A “duplicate” is a counterpart produced by the same impression as the original, or from the same matrix, or by means of photography, including enlargements and miniatures, or by mechanical or electronic rerecording, or by chemical reproduction, or by other equivalent technique which accurately reproduces the original.

DIVISION 3. GENERAL PROVISIONS

CHAPTER 1. APPLICABILITY OF CODE

300. Except as otherwise provided by statute, this code applies in every action before the Supreme Court or a court of appeal or superior court, including proceedings in such actions conducted by a referee, court commissioner, or similar officer, but does not apply in grand jury proceedings.

CHAPTER 2. PROVINCE OF COURT AND JURY

310. (a) All questions of law (including but not limited to questions concerning the construction of statutes and other writings, the admissibility of evidence, and other rules of evidence) are to be decided by the court. Determination of issues of fact preliminary to the admission of evidence are to be decided by the court as provided in Article 2 (commencing with Section 400) of Chapter 4.

(b) Determination of the law of an organization of nations or of the law of a foreign nation or a public entity in a foreign nation is a question of law to be determined in the manner provided in Division 4 (commencing with Section 450).

311. If the law of an organization of nations, a foreign nation or a state other than this state, or a public entity in a foreign nation or a state other than this state, is applicable and such law cannot be determined, the court may, as the ends of justice require, either:

(a) Apply the law of this state if the court can do so consistently with the Constitution of the United States and the Constitution of this state;

(b) Dismiss the action without prejudice or, in the case of a reviewing court, remand the case to the trial court with directions to dismiss the action without prejudice.

312. Except as otherwise provided by law, where the trial is by jury:

(a) All questions of fact are to be decided by the jury.

(b) Subject to the control of the court, the jury is to determine the effect and value of the evidence addressed to it, including the credibility of witnesses and hearsay declarants.

CHAPTER 3. ORDER OF PROOF

320. Except as otherwise provided by law, the court in its discretion shall regulate the order of proof.

CHAPTER 4. ADMITTING AND EXCLUDING EVIDENCE

350. No evidence is admissible except relevant evidence.

351. Except as otherwise provided by statute, all relevant evidence is admissible.

351.1. (a) Notwithstanding any other provision of law, the results of a polygraph examination, the opinion of a polygraph examiner, or any reference to an offer to take, failure to take, or taking of a polygraph examination, shall not be admitted into evidence in any criminal proceeding, including pretrial and post-conviction motions and hearings, or in any trial or hearing of a juvenile for a criminal offense, whether heard in juvenile or adult court, unless all parties stipulate to the admission of such results.

(b) Nothing in this section is intended to exclude from evidence statements made during a polygraph examination which are otherwise admissible.

352. The court in its discretion may exclude evidence if its probative value is substantially outweighed by the probability that its admission will (a) necessitate undue consumption of time or (b) create substantial danger of undue prejudice, of confusing the issues, or of misleading the jury.

352.1. In any criminal proceeding under Section 261, 262, or 264.1, subdivision (d) of Section 286, or subdivision (d) of Section 288a of the Penal Code, or in any criminal proceeding under subdivision (c) of Section 286 or subdivision (c) of Section 288a of the Penal Code in which the defendant is alleged to have compelled the participation of the victim by force, violence, duress, menace, or threat of great bodily harm, the district attorney may, upon written motion with notice to the defendant or the defendant’s attorney, if he or she is represented by an attorney, within a reasonable time prior to any hearing, move to exclude from evidence the current address and telephone number of any victim at the hearing.

The court may order that evidence of the victim’s current address and telephone num-
ber be excluded from any hearings conducted pursuant to the criminal proceeding if the court finds that the probative value of the evidence is outweighed by the creation of substantial danger to the victim. Nothing in this section shall abridge or limit the defendant's right to discover or investigate the information.

353. A verdict or finding shall not be set aside, nor shall the judgment or decision based thereon be reversed, by reason of the erroneous admission of evidence unless:

(a) There appears to be an objection to or a motion to exclude or to strike the evidence that was timely made and so stated as to make clear the specific ground of the objection or motion; and

(b) The court which passes upon the effect of the error or errors is of the opinion that the admitted evidence should have been excluded on the ground stated and that the error or errors complained of resulted in a miscarriage of justice.

354. A verdict or finding shall not be set aside, nor shall the judgment or decision based thereon be reversed, by reason of the erroneous exclusion of evidence unless the court which passes upon the effect of the error or errors is of the opinion that the error or errors complained of resulted in a miscarriage of justice and it appears of record that:

(a) The substance, purpose, and relevance of the excluded evidence was made known to the court by the questions asked, an offer of proof, or by any other means;

(b) The rulings of the court made compliance with subdivision (a) futile; or

(c) The evidence was sought by questions asked during cross-examination or re-cross-examination.

355. When evidence is admissible as to one party or for one purpose and is inadmissible as to another party or for another purpose, the court upon request shall restrict the evidence to its proper scope and instruct the jury accordingly.

356. Where part of an act, declaration, conversation, or writing is given in evidence by one party, the whole on the same subject may be inquired into by an adverse party; when a letter is read, the answer may be given; and when a detached act, declaration, conversation, or writing is given in evidence, any other act, declaration, conversation, or writing which is necessary to make it understood may also be given in evidence.

Article 2. Preliminary Determinations on Admissibility of Evidence

400. As used in this article, “preliminary fact” means a fact upon the existence or nonexistence of which depends the admissibility or inadmissibility of evidence. The phrase “the admissibility or inadmissibility of evidence” includes the qualification or disqualification of a person to be a witness and the existence or nonexistence of a privilege.

401. As used in this article, “proffered evidence” means evidence, the admissibility or inadmissibility of which is dependent upon the existence or nonexistence of a preliminary fact.

402. (a) When the existence of a preliminary fact is disputed, its existence or nonexistence shall be determined as provided in this article.

(b) The court may hear and determine the question of the admissibility of evidence out of the presence or hearing of the jury; but in a criminal action, the court shall hear and determine the question of the admissibility of a confession or admission of the defendant out of the presence and hearing of the jury if any party so requests.

(c) A ruling on the admissibility of evidence implies whatever finding of fact is prerequisite thereto; a separate or formal finding is unnecessary unless required by statute.

403. (a) The proponent of the proffered evidence has the burden of producing evidence as to the existence of the preliminary fact, and the proffered evidence is inadmissible unless the court finds that there is evidence sufficient to sustain a finding of the existence of the preliminary fact, when:

(1) The relevance of the proffered evidence depends on the existence of the preliminary fact;

(2) The preliminary fact is the personal knowledge of a witness concerning the subject matter of his testimony;

(3) The preliminary fact is the authenticity of a writing; or

(4) The proffered evidence is of a statement or other conduct of a particular person and the preliminary fact is whether that person made the statement or so conducted himself.

(b) Subject to Section 702, the court may admit conditionally the proffered evidence under this section, subject to evidence of the preliminary fact being supplied later in the course of the trial.

(c) If the court admits the proffered evidence under this section, the court:

(1) May, and on request shall, instruct the jury to determine whether the preliminary fact exists and to disregard the proffered evidence unless the jury finds that the preliminary fact does exist.

(2) Shall instruct the jury to disregard the proffered evidence if the court subsequently determines that a jury could not reasonably find that the preliminary fact exists.

404. Whenever the proffered evidence is claimed to be privileged under Section 940, the person claiming the privilege has the burden of showing that the proffered evidence might tend to incriminate him; and the proffered evidence is inadmissible unless it clearly appears to the court that the
proffered evidence cannot possibly have a tendency to incriminate the person claiming the privilege.

**405.** With respect to preliminary fact determinations not governed by Section 403 or 404:

(a) When the existence of a preliminary fact is disputed, the court shall indicate which party has the burden of producing evidence and the burden of proof on the issue as implied by the rule of law under which the question arises. The court shall determine the existence or nonexistence of the preliminary fact and shall admit or exclude the proffered evidence as required by the rule of law under which the question arises.

(b) If a preliminary fact is also a fact in issue in the action:

(1) The jury shall not be informed of the court’s determination as to the existence or nonexistence of the preliminary fact.

(2) If the proffered evidence is admitted, the jury shall not be instructed to disregard the evidence if its determination of the fact differs from the court’s determination of the preliminary fact.

**406.** This article does not limit the right of a party to introduce before the trier of fact evidence relevant to weight or credibility.

**CHAPTER 5. WEIGHT OF EVIDENCE GENERALLY**

**410.** As used in this chapter, “direct evidence” means evidence that directly proves a fact, without an inference or presumption, and which in itself, if true, conclusively establishes that fact.

**411.** Except where additional evidence is required by statute, the direct evidence of one witness who is entitled to full credit is sufficient for proof of any fact.

**412.** If weaker and less satisfactory evidence is offered when it was within the power of the party to produce stronger and more satisfactory evidence, the evidence offered should be viewed with distrust.

**413.** In determining what inferences to draw from the evidence or facts in the case against a party, the trier of fact may consider, among other things, the party’s failure to explain or to deny by his testimony such evidence or facts in the case against him, or his willful suppression of evidence relating thereto, if such be the case.

**DIVISION 4. JUDICIAL NOTICE**

**450.** Judicial notice may not be taken of any matter unless authorized or required by law.

**451.** Judicial notice shall be taken of the following:

(a) The decisional, constitutional, and public statutory law of this state and of the United States and the provisions of any charter described in Section 3, 4, or 5 of Article XI of the California Constitution.

(b) Any matter made a subject of judicial notice by Section 11343.6, 11344.6, or 18576 of the Government Code or by Section 1507 of Title 44 of the United States Code.

(c) Rules of professional conduct for members of the bar adopted pursuant to Section 6076 of the Business and Professions Code and rules of practice and procedure for the courts of this state adopted by the Judicial Council.

(d) Rules of pleading, practice, and procedure prescribed by the United States Supreme Court, such as the Rules of the United States Supreme Court, the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure, the Admiralty Rules, the Rules of the Court of Claims, the Rules of the Customs Court, and the General Orders and Forms in Bankruptcy.

(e) The true signification of all English words and phrases and of all legal expressions.

(f) Facts and propositions of generalized knowledge that are so universally known that they cannot reasonably be the subject of dispute.

**452.** Judicial notice may be taken of the following matters to the extent that they are not embraced within Section 451:

(a) The decisional, constitutional, and statutory law of any state of the United States and the resolutions and private acts of the Congress of the United States and of the Legislature of this state.

(b) Regulations and legislative enactments issued by or under the authority of the United States or any public entity in the United States.

(c) Official acts of the legislative, executive, and judicial departments of the United States and of any state of the United States.

(d) Records of (1) any court of this state or (2) any court of record of the United States or of any state of the United States.

(e) Rules of court of (1) any court of this state or (2) any court of record of the United States or of any state of the United States.

(f) The law of an organization of nations and of foreign nations and public entities in foreign nations.

(g) Facts and propositions that are of such common knowledge within the territorial jurisdiction of the court that they cannot reasonably be the subject of dispute.

(h) Facts and propositions that are not reasonably subject to dispute and are capable of immediate and accurate determination by resort to sources of reasonably indisputable accuracy.

**452.5.** (a) The official acts and records specified in subdivisions (c) and (d) of Section 452 include any computer-generated official court records, as specified by the Judicial Council which relate to criminal convictions, when the record is certified by a clerk of the
superior court pursuant to Section 69844.5 of the Government Code at the time of computer entry.

(b) (1) An official record of conviction certified in accordance with subdivision (a) of Section 1550, or an electronically digitized copy thereof, is admissible under Section 1280 to prove the commission, attempted commission, or solicitation of a criminal offense, prior conviction, service of a prison term, or other act, condition, or event recorded by the record.

(2) For purposes of this subdivision, “electronically digitized copy” means a copy that is made by scanning, photographing, or otherwise exactly reproducing a document, is stored or maintained in a digitized format, and bears an electronic signature or watermark unique to the entity responsible for certifying the document.

453. The trial court shall take judicial notice of any matter specified in Section 452 if a party requests it and:
(a) Gives each adverse party sufficient notice of the request, through the pleadings or otherwise, to enable such adverse party to prepare to meet the request; and
(b) Furnishes the court with sufficient information to enable it to take judicial notice of the matter.

454. (a) In determining the propriety of taking judicial notice of a matter, or the tenor thereof:
(1) Any source of pertinent information, including the advice of persons learned in the subject matter, may be consulted or used, whether or not furnished by a party.

(2) Exclusionary rules of evidence do not apply except for Section 352 and the rules of privilege.

(b) Where the subject of judicial notice is the law of an organization of nations, a foreign nation, or a public entity in a foreign nation and the court resorts to the advice of persons learned in the subject matter, such advice, if not received in open court, shall be in writing.

455. With respect to any matter specified in Section 452 or in subdivision (f) of Section 451 that is of substantial consequence to the determination of the action:
(a) If the trial court has been requested to take or has taken or proposes to take judicial notice of such matter, the court shall afford each party reasonable opportunity, before the jury is instructed or before the cause is submitted for decision by the court, to present to the court information relevant to (1) the propriety of taking judicial notice of the matter and (2) the tenor of the matter to be noticed.

(b) If the trial court resorts to any source of information not received in open court, including the advice of persons learned in the subject matter, such information and its source shall be made a part of the record in the action and the court shall afford each party reasonable opportunity to meet such information before judicial notice of the matter may be taken.

456. If the trial court denies a request to take judicial notice of any matter, the court shall at the earliest practicable time so advise the parties and indicate for the record that it has denied the request.

457. If a matter judicially noticed is a matter which would otherwise have been for determination by the jury, the trial court may, and upon request shall, instruct the jury to accept as a fact the matter so noticed.

458. The failure or refusal of the trial court to take judicial notice of a matter, or to instruct the jury with respect to the matter, does not preclude the trial court in subsequent proceedings in the action from taking judicial notice of the matter in accordance with the procedure prescribed in this division.

459. (a) The reviewing court shall take judicial notice of (1) each matter properly noticed by the trial court and (2) each matter that the trial court was required to notice under Section 451 or 453. The reviewing court may take judicial notice of any matter specified in Section 452. The reviewing court may take judicial notice of a matter in a tenor different from that noticed by the trial court.

(b) In determining the propriety of taking judicial notice of a matter, or the tenor thereof, the reviewing court has the same power as the trial court under Section 454.

(c) When taking judicial notice under this section of a matter specified in Section 452 or in subdivision (f) of Section 451 that is of substantial consequence to the determination of the action, the reviewing court shall comply with the provisions of subdivision (a) of Section 455 if the matter was not theretofore judicially noticed in the action.

(d) In determining the propriety of taking judicial notice of a matter specified in Section 452 or in subdivision (f) of Section 451 that is of substantial consequence to the determination of the action, or the tenor thereof, if the reviewing court resorts to any source of information not received in open court or not included in the record of the action, including the advice of persons learned in the subject matter, the reviewing court shall afford each party reasonable opportunity to meet such information before judicial notice of the matter may be taken.

460. Where the advice of persons learned in the subject matter is required in order to enable the court to take judicial notice of a matter, the court on its own motion or on motion of any party may appoint one or more such persons to provide such advice. If the court determines to appoint such a person, he shall be appointed and compensated in the manner provided in Article 2 (commencing with Section 730) of Chapter 3 of Division 6.
DIVISION 5. BURDEN OF PROOF; BURDEN OF PRODUCING EVIDENCE; PRESUMPTIONS AND INFERENCES

CHAPTER 1. BURDEN OF PROOF

Article 1. General

500. Except as otherwise provided by law, a party has the burden of proof as to each fact the existence or nonexistence of which is essential to the claim for relief or defense that he is asserting.

501. Insofar as any statute, except Section 522, assigns the burden of proof in a criminal action, such statute is subject to Penal Code Section 1096.

502. The court on all proper occasions shall instruct the jury as to which party bears the burden of proof on each issue and as to whether that burden requires that a party raise a reasonable doubt concerning the existence or nonexistence of a fact or that he establish the existence or nonexistence of a fact by a preponderance of the evidence, by clear and convincing proof, or by proof beyond a reasonable doubt.

Article 2. Burden of Proof on Specific Issues

520. The party claiming that a person is guilty of crime or wrongdoing has the burden of proof on that issue.

521. The party claiming that a person did not exercise a requisite degree of care has the burden of proof on that issue.

522. The party claiming that any person, including himself, is or was insane has the burden of proof on that issue.

523. In any action where the state is a party, regardless of who is the moving party, where (a) the boundary of land patented or otherwise granted by the state is in dispute, or (b) the validity of any state patent or grant dated prior to 1950 is in dispute, the state shall have the burden of proof on all issues relating to the historic locations of rivers, streams, and other water bodies and the authority of the state in issuing the patent or grant.

This section is not intended to nor shall it be construed to supersede existing statutes governing disputes where the state is a party and regarding title to real property.

524. (a) Notwithstanding any other provision of law, in a civil proceeding to which the State Board of Equalization is a party, that board shall have the burden of proof by clear and convincing evidence in sustaining its assertion of a penalty for intent to evade or fraud against a taxpayer, with respect to any factual issue relevant to ascertaining the liability of a taxpayer.

(b) Nothing in this section shall be construed to override any requirement for a taxpayer to substantiate any item on a return or claim filed with the State Board of Equalization.

(c) Nothing in this section shall subject a taxpayer to unreasonable search or access to records in violation of the United States Constitution, the California Constitution, or any other law.

(d) For purposes of this section, “taxpayer” includes a person on whom fees administered by the State Board of Equalization are imposed.

CHAPTER 2. BURDEN OF PRODUCING EVIDENCE

550. (a) The burden of producing evidence as to a particular fact is on the party against whom a finding on that fact would be required in the absence of further evidence.

(b) The burden of producing evidence as to a particular fact is initially on the party with the burden of proof as to that fact.

CHAPTER 3. PRESUMPTIONS AND INFERENCES

Article 1. General

600. (a) A presumption is an assumption of fact that the law requires to be made from another fact or group of facts found or otherwise established in the action. A presumption is not evidence.

(b) An inference is a deduction of fact that may logically and reasonably be drawn from another fact or group of facts found or otherwise established in the action.

601. A presumption is either conclusive or rebuttable. Every rebuttable presumption is either (a) a presumption affecting the burden of producing evidence or (b) a presumption affecting the burden of proof.

602. A statute providing that a fact or group of facts is prima facie evidence of another fact establishes a rebuttable presumption.

603. A presumption affecting the burden of producing evidence is a presumption established to implement no public policy other than to facilitate the determination of the particular action in which the presumption is applied.

604. The effect of a presumption affecting the burden of producing evidence is to require the trier of fact to assume the existence of the presumed fact unless and until evidence is introduced which would support a finding of its nonexistence, in which case the trier of fact shall determine the existence or nonexistence of the presumed fact from the evidence and without regard to the presumption. Nothing in this section shall be construed to prevent the drawing of any inference that may be appropriate.
605. A presumption affecting the burden of proof is a presumption established to implement some public policy other than to facilitate the determination of the particular action in which the presumption is applied, such as the policy in favor of establishment of a parent and child relationship, the validity of marriage, the stability of titles to property, or the security of those who entrust themselves or their property to the administration of others.

606. The effect of a presumption affecting the burden of proof is to impose upon the party against whom it operates the burden of proof as to the nonexistence of the presumed fact.

607. When a presumption affecting the burden of proof operates in a criminal action to establish presumptively any fact that is essential to the defendant's guilt, the presumption operates only if the facts that give rise to the presumption have been found or otherwise established beyond a reasonable doubt and, in such case, the defendant need only raise a reasonable doubt as to the existence of the presumed fact.

Article 2. Conclusive Presumptions

620. The presumptions established by this article, and all other presumptions declared by law to be conclusive, are conclusive presumptions.

622. The facts recited in a written instrument are conclusively presumed to be true as between the parties thereto, or their successors in interest; but this rule does not apply to the recital of a consideration.

623. Whenever a party has, by his own statement or conduct, intentionally and deliberately led another to believe a particular thing true and to act upon such belief, he is not, in any litigation arising out of such statement or conduct, permitted to contradict it.

624. A tenant is not permitted to deny the title of his landlord at the time of the commencement of the relation.

Article 3. Presumptions Affecting the Burden of Producing Evidence

630. The presumptions established by this article, and all other rebuttable presumptions established by law that fall within the criteria of Section 603, are presumptions affecting the burden of producing evidence.

631. Money delivered by one to another is presumed to have been due to the latter.

632. A thing delivered by one to another is presumed to have belonged to the latter.

633. An obligation delivered up to the debtor is presumed to have been paid.

634. A person in possession of an order on himself for the payment of money, or delivery of a thing, is presumed to have paid the money or delivered the thing accordingly.

635. An obligation possessed by the creditor is presumed not to have been paid.

636. The payment of earlier rent or installments is presumed from a receipt for later rent or installments.

637. The things which a person possesses are presumed to be owned by him.

638. A person who exercises acts of ownership over property is presumed to be the owner of it.

639. A judgment, when not conclusive, is presumed to correctly determine or set forth the rights of the parties, but there is no presumption that the facts essential to the judgment have been correctly determined.

640. A writing is presumed to have been truly dated.

641. A letter correctly addressed and properly mailed is presumed to have been received in the ordinary course of mail.

642. A trustee or other person, whose duty it was to convey real property to a particular person, is presumed to have actually conveyed to him when such presumption is necessary to perfect title of such person or his successor in interest.

643. A deed or will or other writing purporting to create, terminate, or affect an interest in real or personal property is presumed to be authentic if it:

(a) Is at least 30 years old;
(b) Is in such condition as to create no suspicion concerning its authenticity;
(c) Was kept, or if found was found, in a place where such writing, if authentic, would be likely to be kept or found; and
(d) Has been generally acted upon as authentic by persons having an interest in the matter.

644. A book, purporting to be printed or published by public authority, is presumed to have been so printed or published.

645. A book, purporting to contain reports of cases adjudged in the tribunals of the state or nation where the book is published, is presumed to contain correct reports of such cases.

645.1. Printed materials, purporting to be a particular newspaper or periodical, are presumed to be that newspaper or periodical if regularly issued at average intervals not exceeding three months.

646. (a) As used in this section, “defendant” includes any party against whom the res ipsa loquitur presumption operates.

(b) The judicial doctrine of res ipsa loquitur is a presumption affecting the burden of producing evidence.

(c) If the evidence, or facts otherwise established, would support a res ipsa loquitur presumption and the defendant has introduced evidence which would support a finding that he was not negligent or that any
negligence on his part was not a proximate cause of the occurrence, the court may, and upon request shall, instruct the jury to the effect that:

(1) If the facts which would give rise to res ipsa loquitur presumption are found or otherwise established, the jury may draw the inference from such facts that a proximate cause of the occurrence was some negligent conduct on the part of the defendant; and

(2) The jury shall not find that a proximate cause of the occurrence was some negligent conduct on the part of the defendant unless the jury believes, after weighing all the evidence in the case and drawing such inferences therefrom as the jury believes are warranted, that it is more probable than not that the occurrence was caused by some negligent conduct on the part of the defendant.

647. The return of a process server registered pursuant to Chapter 16 (commencing with Section 22350) of Division 8 of the Business and Professions Code upon process or notice establishes a presumption, affecting the burden of producing evidence, of the facts stated in the return.

Article 4. Presumptions Affecting the Burden of Proof

660. The presumptions established by this article, and all other rebuttable presumptions established by law that fall within the criteria of Section 605, are presumptions affecting the burden of proof.

662. The owner of the legal title to property is presumed to be the owner of the full beneficial title. This presumption may be rebutted only by clear and convincing proof.

663. A ceremonial marriage is presumed to be valid.

664. It is presumed that official duty has been regularly performed. This presumption does not apply on an issue as to the lawfulness of an arrest if it is found or otherwise established that the arrest was made without a warrant.

665. A person is presumed to intend the ordinary consequences of his voluntary act. This presumption is inapplicable in a criminal action to establish the specific intent of the defendant where specific intent is an element of the crime charged.

669. (a) The failure of a person to exercise due care is presumed if:

(1) He violated a statute, ordinance, or regulation of a public entity;

(2) The violation proximately caused death or injury to person or property;

(3) The death or injury resulted from an occurrence of the nature which the statute, ordinance, or regulation was designed to prevent;

(4) The person suffering the death or the injury to his person or property was one of the class of persons for whose protection the statute, ordinance, or regulation was adopted.

(b) This presumption may be rebutted by proof that:

(1) The person violating the statute, ordinance, or regulation did what might reasonably be expected of a person of ordinary prudence, acting under similar circumstances, who desired to comply with the law; or

(2) The person violating the statute, ordinance, or regulation was a child and exercised the degree of care ordinarily exercised by persons of his maturity, intelligence, and capacity under similar circumstances, but the presumption may not be rebutted by such proof if the violation occurred in the course of an activity normally engaged in only by adults and requiring adult qualifications.

669.1. A rule, policy, manual, or guideline of state or local government setting forth standards of conduct or guidelines for its employees in the conduct of their public employment shall not be considered a statute, ordinance, or regulation of that public entity within the meaning of Section 669, unless the rule, manual, policy, or guideline has been formally adopted as a statute, as an ordinance of a local governmental entity in this state empowered to adopt ordinances, or as a regulation by an agency of the state pursuant to the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Division 3 of Title 2 of the Government Code), or by an agency of the United States government pursuant to the federal Administrative Procedure Act (Chapter 5 (commencing with Section 5001) of Title 5 of the United States Code). This section affects only the presumption set forth in Section 669, and is not otherwise intended to affect the admissibility or inadmissibility of the rule, policy, manual, or guideline under other provisions of law.

669.5. (a) Any ordinance enacted by the governing body of a city, county, or city and county which (1) directly limits, by number, the building permits that may be issued for residential construction or the buildable lots which may be developed for residential purposes, or (2) changes the standards of residential development on vacant land so that the governing body’s zoning is ren-

(b) With respect to any action which challenges the validity of an ordinance specified in subdivision (a) the city, county, or city and county enacting the ordinance shall bear the burden of proof that the ordinance is necessary for the protection of the public health, safety, or welfare of the population of the city, county, or city and county.

(c) This section does not apply to state and federal building code requirements or local ordinances which (1) impose a moratorium, to protect the public health and safety, on residential construction for a specified period of time, if, under the terms of the ordinance, the moratorium will cease when the public health or safety is no longer jeopardized by the construction, (2) create agricultural preserves under Chapter 7 (commencing with Section 51200) of Part 1 of Division 1 of Title 5 of the Government Code, or (3) restrict the number of buildable parcels or designate lands within a zone for nonresidential uses in order to protect agricultural uses as defined in subdivision (b) of Section 51201 of the Government Code or open-space land as defined in subdivision (b) of Section 65560 of the Government Code.

(d) This section shall not apply to a voter approved ordinance adopted by referendum or initiative prior to the effective date of this section which (1) requires the city, county, or city and county to establish a population growth limit which represents its fair share of each year’s statewide population growth, or (2) which sets a growth rate of no more than the average population growth rate experienced by the state as a whole. Paragraph (2) of subdivision (a) does not apply to a voter-approved ordinance adopted by referendum or initiative which exempts housing affordable to persons and families of low or moderate income, as defined in Section 50093 of the Health and Safety Code, or which otherwise provides low- and moderate-income housing sites equivalent to such an exemption.

670. (a) In any dispute concerning payment by means of a check, a copy of the check produced in accordance with Section 1550 of the Evidence Code, together with the original bank statement that reflects payment of the check by the bank on which it was drawn or a copy thereof produced in the same manner, creates a presumption that the check has been paid.

(b) As used in this section:
(1) “Bank” means any person engaged in the business of banking and includes, in addition to a commercial bank, a savings and loan association, savings bank, or credit union.

(2) “Check” means a draft, other than a documentary draft, payable on demand and drawn on a bank, even though it is described by another term, such as “share draft” or “negotiable order of withdrawal.”

DIVISION 6. WITNESSES

CHAPTER 1. COMPETENCY

700. Except as otherwise provided by statute, every person, irrespective of age, is qualified to be a witness and no person is disqualified to testify to any matter.

701. (a) A person is disqualified to be a witness if he or she is:
(1) Incapable of expressing himself or herself concerning the matter so as to be understood, either directly or through interpretation by one who can understand him; or
(2) Incapable of understanding the duty of a witness to tell the truth.

(b) In any proceeding held outside the presence of a jury, the court may reserve challenges to the competency of a witness until the conclusion of the direct examination of that witness.

702. (a) Subject to Section 801, the testimony of a witness concerning a particular matter is inadmissible unless he has personal knowledge of the matter. Against the objection of a party, such personal knowledge must be shown before the witness may testify concerning the matter.

(b) A witness' personal knowledge of a matter may be shown by any otherwise admissible evidence, including his own testimony.

703. (a) Before the judge presiding at the trial of an action may be called to testify in that trial as a witness, he shall, in proceedings held out of the presence and hearing of the jury, inform the parties of the information he has concerning any fact or matter about which he will be called to testify.

(b) Against the objection of a party, the judge presiding at the trial of an action may not testify in that trial as a witness. Upon such objection, the judge shall declare a mistrial and order the action assigned for trial before another judge.

703.5. CHAPTER 3. EXPERT WITNESSES

Article 1. Expert Witnesses Generally

720. (a) A person is qualified to testify as an expert if he has special knowledge, skill, experience, training, or education sufficient to qualify him as an expert on the subject to which his testimony relates. Against the objection of a party, such special knowledge, skill, experience, training, or education must be shown before the witness may testify as an expert.

(b) A witness’ special knowledge, skill, experience, training, or education may be shown by any otherwise admissible evidence, including his own testimony.

721. (a) Subject to subdivision (b), a witness testifying as an expert may be cross-examined to the same extent as any other witness and, in addition, may be fully cross-examined as to (1) his or her qualifications, (2) the subject to which his or her expert testimony relates, and (3) the matter upon which his or her opinion is based and the reasons for his or her opinion.

(b) If a witness testifying as an expert testifies in the form of an opinion, he or she may not be cross-examined in regard to the content or tenor of any scientific, technical, or professional text, treatise, journal, or similar publication unless any of the following occurs:

(1) The witness referred to, considered, or relied upon such publication in arriving at or forming his or her opinion.

(2) The publication has been admitted in evidence.

(3) The publication has been established as a reliable authority by the testimony or admission of the witness or by other expert testimony or by judicial notice.

If admitted, relevant portions of the publication may be read into evidence but may not be received as exhibits.

722. (a) The fact of the appointment of an expert witness by the court may be revealed to the trier of fact.

(b) The compensation and expenses paid or to be paid to an expert witness by the party calling him is a proper subject of inquiry by any adverse party as relevant to the credibility of the witness and the weight of his testimony.

723. The court may, at any time before or during the trial of an action, limit the number of expert witnesses to be called by any party.

Article 2. Appointment of Expert Witness by Court

730. When it appears to the court, at any time before or during the trial of an action, that expert evidence is or may be required by the court or by any party to the action,
the court on its own motion or on motion of any party may appoint one or more experts to investigate, to render a report as may be ordered by the court, and to testify as an expert at the trial of the action relative to the fact or matter as to which the expert evidence is or may be required. The court may fix the compensation for these services, if any, rendered by any person appointed under this section, in addition to any service as a witness, at the amount as seems reasonable to the court.

Nothing in this section shall be construed to permit a person to perform any act for which a license is required unless the person holds the appropriate license to lawfully perform that act.

731. (a) (1) In all criminal actions and juvenile court proceedings, the compensation fixed under Section 730 shall be a charge against the county in which the action or proceeding is pending and shall be paid out of the treasury of that county on order of the court.

(2) Notwithstanding paragraph (1), if the expert is appointed for the court’s needs, the compensation shall be a charge against the court.

(b) In any county in which the superior court so provides, the compensation fixed under Section 730 for medical experts appointed for the court’s needs in civil actions shall be a charge against the court. In any county in which the board of supervisors so provides, the compensation fixed under Section 730 for medical experts appointed in civil actions, for purposes other than the court’s needs, shall be a charge against and paid out of the treasury of that county on order of the court.

(c) Except as otherwise provided in this section, in all civil actions, the compensation fixed under Section 730 shall, in the first instance, be apportioned and charged to the several parties in a proportion as the court may determine and may thereafter be taxed and allowed in like manner as other costs.

732. Any expert appointed by the court under Section 730 may be called and examined by the court or by any party to the action. When such witness is called and examined by the court, the parties have the same right as is expressed in Section 775 to cross-examine the witness and to object to the questions asked and the evidence adduced.

733. Nothing contained in this article shall be deemed or construed to prevent any party to any action from producing other expert evidence on the same fact or matter mentioned in Section 730; but, where other expert witnesses are called by a party to the action, their fees shall be paid by the party calling them and only ordinary witness fees shall be taxed as costs in the action.

CHAPTER 4. INTERPRETERS AND TRANSLATORS

750. A person who serves as an interpreter or translator in any action is subject to all the rules of law relating to witnesses.

751. (a) An interpreter shall take an oath that he or she will make a true interpretation to the witness in a language that the witness understands and that he or she will make a true interpretation of the witness’ answers to questions to counsel, court, or jury, in the English language, with his or her best skill and judgment.

(b) In any proceeding in which a deaf or hard-of-hearing person is testifying under oath, the interpreter certified pursuant to subdivision (f) of Section 754 shall advise the court whenever he or she is unable to comply with his or her oath taken pursuant to subdivision (a).

(c) A translator shall take an oath that he or she will make a true translation in the English language of any writing he or she is to decipher or translate.

(d) An interpreter regularly employed by the court and certified or registered in accordance with Article 4 (commencing with Section 68560) of Chapter 2 of Title 8 of the Government Code, or a translator regularly employed by the court, may file an oath as prescribed by this section with the clerk of the court. The filed oath shall serve for all subsequent court proceedings until the appointment is revoked by the court.

752. (a) When a witness is incapable of understanding the English language or is incapable of expressing himself or herself in the English language so as to be understood directly by counsel, court, and jury, an interpreter whom the witness can understand and who can understand the witness shall be sworn to interpret for the witness.

(b) The record shall identify the interpreter, who may be appointed and compensated as provided in Article 2 (commencing with Section 730) of Chapter 3, with that compensation charged as follows:

(1) In all criminal actions and juvenile court proceedings, the compensation for an interpreter under this section shall be a charge against the court.

(2) In all civil actions, the compensation for an interpreter under this section shall, in the first instance, be apportioned and charged to the several parties in a proportion as the court may determine and may thereafter be taxed and allowed in a like manner as other costs.

753. (a) When the written characters in a writing offered in evidence are incapable of being deciphered or understood directly, a translator who can decipher the characters or understand the language shall be sworn to decipher or translate the writing.

(b) The record shall identify the translator, who may be appointed and compensated
as provided in Article 2 (commencing with Section 730) of Chapter 3, with that compensation charged as follows:

1. In all criminal actions and juvenile court proceedings, the compensation for a translator under this section shall be a charge against the court.

2. In all civil actions, the compensation for a translator under this section shall in the first instance, be apportioned and charged to the several parties in proportion as the court may determine and may thereafter be taxed and allowed in like manner as other costs.

754. (a) As used in this section, “individual who is deaf or hearing impaired” means an individual with a hearing loss so great as to prevent his or her understanding language spoken in a normal tone, but does not include an individual who is hearing impaired provided with, and able to fully participate in the proceedings through the use of, an assistive listening system or computer-aided transcription equipment provided pursuant to Section 54.8 of the Civil Code.

(b) In any civil or criminal action, including, but not limited to, any action involving a traffic or other infraction, any small claims court proceeding, any juvenile court proceeding, any family court proceeding or service, or any proceeding to determine the mental competency of a person, in any court-ordered or court-provided alternative dispute resolution, including mediation and arbitration, or any administrative hearing, where a party or witness is an individual who is deaf or hearing impaired and the individual who is deaf or hearing impaired is present and participating, the proceedings shall be interpreted in a language that the individual who is deaf or hearing impaired understands by a qualified interpreter appointed by the court or other appointing authority, or as agreed upon.

(c) For purposes of this section, “appointing authority” means a court, department, board, commission, agency, licensing or legislative body, or other body for proceedings requiring a qualified interpreter.

(d) For the purposes of this section, “interpreter” includes, but is not limited to, an oral interpreter, a sign language interpreter, or a deaf-blind interpreter, depending upon the needs of the individual who is deaf or hearing impaired.

(e) For purposes of this section, “intermediary interpreter” means an individual who is deaf or hearing impaired, or a hearing individual who is able to assist in providing an accurate interpretation between spoken English and sign language or between variants of sign language or between American Sign Language and other foreign languages by acting as an intermediary between the individual who is deaf or hearing impaired and the qualified interpreter.

(f) For purposes of this section, “qualified interpreter” means an interpreter who has been certified as competent to interpret court proceedings by a testing organization, agency, or educational institution approved by the Judicial Council as qualified to administer tests to court interpreters for individuals who are deaf or hearing impaired.

(g) In the event that the appointed interpreter is not familiar with the use of particular signs by the individual who is deaf or hearing impaired or his or her particular variant of sign language, the court or other appointing authority shall, in consultation with the individual who is deaf or hearing impaired or his or her representative, appoint an intermediary interpreter.

(h) Prior to July 1, 1992, the Judicial Council shall conduct a study to establish the guidelines pursuant to which it shall determine which testing organizations, agencies, or educational institutions will be approved to administer tests for certification of court interpreters for individuals who are deaf or hearing impaired. It is the intent of the Legislature that the study obtain the widest possible input from the public, including, but not limited to, educational institutions, the judiciary, linguists, members of the State Bar, court interpreters, members of professional interpreting organizations, and members of the deaf and hearing-impaired communities. After obtaining public comment and completing its study, the Judicial Council shall publish these guidelines. By January 1, 1997, the Judicial Council shall approve one or more entities to administer testing for court interpreters for individuals who are deaf or hearing impaired. Testing entities may include educational institutions, testing organizations, joint powers agencies, or public agencies.

Commencing July 1, 1997, court interpreters for individuals who are deaf or hearing impaired shall meet the qualifications specified in subdivision (f).

(i) Persons appointed to serve as interpreters under this section shall be paid, in addition to actual travel costs, the prevailing rate paid to persons employed by the court to provide other interpreter services unless such service is considered to be a part of the person’s regular duties as an employee of the state, county, or other political subdivision of the state. Except as provided in subdivision (j), payment of the interpreter’s fee shall be a charge against the court. Payment of the interpreter’s fee in administrative proceedings shall be a charge against the appointing board or authority.

(j) Whenever a peace officer or any other person having a law enforcement or prosecutorial function in any criminal or quasi-criminal investigation or non-court proceeding questions or otherwise interviews an alleged victim or witness who demonstrates or alleges deafness or hearing impairment, a good faith effort to secure the services of an interpreter shall be made, without any un-
necessary delay unless either the individual who is deaf or hearing impaired affirmatively indicates that he or she does not need or cannot use an interpreter, or an interpreter is not otherwise required by Title II of the Americans with Disabilities Act of 1990 (Public Law 101-336) and federal regulations adopted thereunder. Payment of the interpreter’s fee shall be a charge against the county, or other political subdivision of the state, in which the action is pending.

(k) No statement, written or oral, made by an individual who the court finds is deaf or hearing impaired in reply to a question of a peace officer, or any other person having a law enforcement or prosecutorial function in any criminal or quasi-criminal investigation or proceeding, may be used against that individual who is deaf or hearing impaired unless the question was accurately interpreted and the statement was made knowingly, voluntarily, and intelligently.

(l) In obtaining services of an interpreter for purposes of subdivision (j) or (k), priority shall be given to first obtaining a qualified interpreter.

(m) Nothing in subdivision (j) or (k) shall supersede the requirement of subdivision (b) for use of a qualified interpreter for individuals who are deaf or hearing impaired participating as parties or witnesses in a trial or hearing.

(n) In any action or proceeding in which an individual who is deaf or hearing impaired is a participant, the appointing authority shall not commence proceedings until the appointed interpreter is present and sitting in full view of and spatially situated to assure proper communication with the participating individual who is deaf or hearing impaired.

(o) Each superior court shall maintain a current roster of qualified interpreters certified pursuant to subdivision (f).

754.5. Whenever an otherwise valid privilege exists between an individual who is deaf or hearing impaired and another person, that privilege is not waived merely because an interpreter was used to facilitate their communication.

755. (a) In any action or proceeding under Division 10 (commencing with Section 6200) of the Family Code, and in any action or proceeding under the Uniform Parentage Act (Part 3 (commencing with Section 7600) of Division 12 of the Family Code) or for dissolution or nullity of marriage or legal separation of the parties in which a protective order has been granted or is being sought pursuant to Section 6221 of the Family Code, in which a party does not proficiently speak or understand the English language, and that party is present, an interpreter, as provided in this section, shall be present to interpret the proceedings in a language that the party understands, and to assist communication between the party and his or her attorney. Notwithstanding this requirement, a court may issue an ex parte order pursuant to Sections 2045 and 7710 of, and Article 1 (commencing with Section 6320) of Chapter 2 of Part 4 of Division 10 of the Family Code, without the presence of an interpreter. The interpreter selected shall be certified pursuant to Article 4 (commencing with Section 68560) of Chapter 2 of Title 8 of the Government Code, unless the court in its discretion appoints an interpreter who is not certified.

(b) The fees of interpreters utilized under this section shall be paid as provided in subdivision (b) of Section 68092 of the Government Code. However, the fees of an interpreter shall be waived for a party who needs an interpreter and appears in forma pauperis pursuant to Section 68511.3 of the Government Code. The Judicial Council shall amend subdivision (j) of California Rule of Court 985 and revise its forms accordingly by July 1, 1996.

(c) In any civil action in which an interpreter is required under this section, the court shall not commence proceedings until the appointed interpreter is present and situated near the party and his or her attorney. However, this section shall not prohibit the court from doing any of the following:

(1) Issuing an order when the necessity for the order outweighs the necessity for an interpreter.

(2) Extending the duration of a previously issued temporary order if an interpreter is not readily available.

(3) Issuing a permanent order where a party who requires an interpreter fails to make appropriate arrangements for an interpreter after receiving proper notice of the hearing with information about obtaining an interpreter.

(d) This section does not prohibit the presence of any other person to assist a party.

(e) A local public entity may, and the Judicial Council shall, apply to the appropriate state agency that receives federal funds authorized pursuant to the federal Violence Against Women Act (P.L. 103-322) for these federal funds or for funds from sources other than the state to implement this section. A local public entity and the Judicial Council shall amend subdivision (i) of California Rule of Court 985 and revise its forms accordingly by July 1, 1996.

(f) The Judicial Council shall adopt rules and modify forms necessary to implement this section, including those for the petition for a temporary restraining order and related forms, to inform both parties of their right

1345
to an interpreter pursuant to this section.

755.5. (a) During any medical examination, requested by an insurer or by the defendant, of a person who is a party to a civil action and who does not proficiently speak or understand the English language, conducted for the purpose of determining damages in a civil action, an interpreter shall be present to interpret the examination in a language that the person understands. The interpreter shall be certified pursuant to Article 8 (commencing with Section 11435.05) of Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code.

(b) The fees of interpreters used under subdivision (a) shall be paid by the insurer or defendant requesting the medical examination.

(c) The record of, or testimony concerning, any medical examination conducted in violation of subdivision (a) shall be inadmissible in the civil action for which it was conducted or any other civil action.

(d) This section does not prohibit the presence of any other person to assist a party.

(e) In the event that interpreters certified pursuant to Article 8 (commencing with Section 11435.05) of Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code cannot be present at the medical examination, upon stipulation of the parties the requester specified in subdivision (a) shall have the discretionary authority to provisionally qualify and use other interpreters.

762. “Redirect examination” is an examination of a witness by the direct examiner subsequent to the cross-examination of the witness.

763. “Recross-examination” is an examination of a witness by a cross-examiner subsequent to a redirect examination of the witness.

Article 2. Examination of Witnesses

765. (a) The court shall exercise reasonable control over the mode of interrogation of a witness so as to make interrogation as rapid, as distinct, and as effective for the as-certainty of the truth, as may be, and to protect the witness from undue harassment or embarrassment.

(b) With a witness under the age of 14 or a dependent person with a substantial cognitive impairment, the court shall take special care to protect him or her from undue harassment or embarrassment, and to restrict the unnecessary repetition of questions. The court shall also take special care to ensure that questions are stated in a form which is appropriate to the age or cognitive level of the witness. The court may, in the interests of justice, on objection by a party, forbid the asking of a question which is in a form that is not reasonably likely to be understood by a person of the age or cognitive level of the witness.

766. A witness must give responsive answers to questions, and answers that are not responsive shall be stricken on motion of any party.

767. (a) Except under special circumstances where the interests of justice otherwise require:

(1) A leading question may not be asked of a witness on direct or redirect examination.

(2) A leading question may be asked of a witness on cross-examination or recross-examination.

(b) The court may, in the interests of justice permit a leading question to be asked of a child under 10 years of age or a dependent person with a substantial cognitive impairment in a case involving a prosecution under Section 273a, 273d, 288.5, 368, or any of the acts described in Section 11165.1 or 11165.2 of the Penal Code.

768. (a) In examining a witness concerning a writing, it is not necessary to show, read, or disclose to him any part of the writing.

(b) If a writing is shown to a witness, all parties to the action must be given an opportunity to inspect it before any question concerning it may be asked of the witness.

769. In examining a witness concerning a statement or other conduct by him that is inconsistent with any part of his testimony at the hearing, it is not necessary to disclose to him any information concerning the statement or other conduct.

770. Unless the interests of justice otherwise require, extrinsic evidence of a statement made by a witness that is inconsistent with any part of his testimony at the hearing shall be excluded unless:

(a) The witness was so examined while testifying as to give him an opportunity to explain or to deny the statement; or

(b) The witness has not been excused from giving further testimony in the action.

771. (a) Subject to subdivision (c), if a witness, either while testifying or prior thereto, uses a writing to refresh his memory with respect to any matter about which he testi-
fies, such writing must be produced at the hearing at the request of an adverse party and, unless the writing is so produced, the testimony of the witness concerning such matter shall be stricken.

(b) If the writing is produced at the hearing, the adverse party may, if he chooses, inspect the writing, cross-examine the witness concerning it, and introduce in evidence such portion of it as may be pertinent to the testimony of the witness.

(c) Production of the writing is excused, and the testimony of the witness shall not be stricken, if the writing:

1. Is not in the possession or control of the witness or the party who produced his testimony concerning the matter; and
2. Was not reasonably procurable by such party through the use of the court's process or other available means.

772. (a) The examination of a witness shall proceed in the following phases: direct examination, cross-examination, redirect examination, recross-examination, and, continuing thereafter by redirect and recross-examination.

(b) Unless for good cause the court otherwise directs, each phase of the examination of a witness must be concluded before the succeeding phase begins.

(c) Subject to subdivision (d), a party may, in the discretion of the court, interrupt his cross-examination, redirect examination, or recross-examination of a witness, in order to examine the witness upon a matter not within the scope of a previous examination of the witness.

(d) If the witness is the defendant in a criminal action, the witness may not, without his consent, be examined under direct examination by another party.

773. (a) A witness examined by one party may be cross-examined upon any matter within the scope of the direct examination by each other party to the action in such order as the court directs.

(b) The cross-examination of a witness by any party whose interest is not adverse to the party calling him is subject to the same rules that are applicable to the direct examination.

774. A witness once examined cannot be reexamined as to the same matter without leave of the court, but he may be reexamined as to any new matter upon which he has been examined by another party to the action. Leave may be granted or withheld in the court's discretion.

775. The court, on its own motion or on the motion of any party, may call witnesses and interrogate them the same as if they had been produced by a party to the action, and the parties may object to the questions asked and the evidence adduced the same as if such witnesses were called and examined by an adverse party. Such witnesses may be cross-examined by all parties to the action in such order as the court directs.

776. (a) A party to the record of any civil action, or a person identified with such a party, may be called and examined as if under cross-examination by any adverse party at any time during the presentation of evidence by the party calling the witness.

1. In the case of a witness who is a party, his own counsel and counsel for a party who is not adverse to the witness.
2. In the case of a witness who is not a party, counsel for the party with whom the witness is identified and counsel for a party who is not adverse to the party with whom the witness is identified.

(c) For the purpose of this section, parties represented by the same counsel are deemed to be a single party.

777. (a) Subject to subdivisions (b) and (c), the court may exclude from the courtroom any witness not at the time under examination so that such witness cannot hear the testimony of other witnesses.

(b) A party to the action cannot be excluded from the courtroom under this section.

(c) If a person other than a natural person...
is a party to the action, an officer or employee designated by its attorney is entitled to be present.

778. After a witness has been excused from giving further testimony in the action, he cannot be recalled without leave of the court. Leave may be granted or withheld in the court’s discretion.

CHAPTER 6. CREDIBILITY OF WITNESSES

Article 1. Credibility Generally

780. Except as otherwise provided by statute, the court or jury may consider in determining the credibility of a witness any matter that has any tendency in reason to prove or disprove the truthfulness of his testimony at the hearing, including but not limited to any of the following:

(k) His admission of untruthfulness.

782. (a) In any of the circumstances described in subdivision (c), if evidence of sexual conduct of the complaining witness is offered to attack the credibility of the complaining witness under Section 780, the following procedure shall be followed:
(1) A written motion shall be made by the defendant to the court and prosecutor stating that the defense has an offer of proof of the relevancy of evidence of the sexual conduct of the complaining witness proposed to be presented and its relevancy in attacking the credibility of the complaining witness.
(2) The written motion shall be accompanied by an affidavit in which the offer of proof shall be stated. The affidavit shall be filed under seal and only unsealed by the court to determine if the offer of proof is sufficient to order a hearing pursuant to paragraph (3). After that determination, the affidavit shall be resealed by the court.
(3) If the court finds that the offer of proof is sufficient, the court shall order a hearing out of the presence of the jury, if any, and at the hearing allow the questioning of the complaining witness regarding the offer of proof made by the defendant.
(4) At the conclusion of the hearing, if the court finds that evidence proposed to be offered by the defendant regarding the sexual conduct of the complaining witness is relevant pursuant to Section 780, and is not inadmissible pursuant to Section 352, the court may make an order stating what evidence may be introduced by the defendant, and the nature of the questions to be permitted. The defendant may then offer evidence pursuant to the order of the court.
(5) An affidavit resealed by the court pursuant to paragraph (2) shall remain sealed, unless the defendant raises an issue on appeal or collateral review relating to the offer of proof contained in the sealed document. If the defendant raises that issue on appeal, the court shall allow the Attorney General and appellate counsel for the defendant access to the sealed affidavit. If the issue is raised on collateral review, the court shall allow the district attorney and defendant’s counsel access to the sealed affidavit. The use of the information contained in the affidavit shall be limited solely to the pending proceeding.
(b) As used in this section, “complaining witness” means:
(1) The alleged victim of the crime charged, the prosecution of which is subject to this section, pursuant to paragraph (1) of subdivision (c).
(2) An alleged victim offering testimony pursuant to paragraph (2) or (3) of subdivision (c).
(c) The procedure provided by subdivision (a) shall apply in any of the following circumstances:
(1) In a prosecution under Section 261, 262, 264.1, 286, 288, 288a, 288.5, or 289 of the Penal Code, or for assault with intent to commit, attempt to commit, or conspiracy to commit any crime defined in any of those sections, except if the crime is alleged to have occurred in a local detention facility, as defined in Section 6031.6 of the Penal Code, or in the state prison, as defined in Section 4504.
(2) When an alleged victim testifies pursuant to subdivision (b) of Section 1101 as a victim of a crime listed in Section 243.4, 261, 261.5, 269, 285, 286, 288, 288a, 288.5, 289, 314, or 647.6 of the Penal Code, except if the crime is alleged to have occurred in a local detention facility, as defined in Section 6031.4 of the Penal Code, or in the state prison, as defined in Section 4504 of the Penal Code.
(3) When an alleged victim of a sexual offense testifies pursuant to Section 1108, except if the crime is alleged to have occurred in a local detention facility, as defined in Section 6031.4 of the Penal Code, or in the state prison, as defined in Section 4504 of
the Penal Code.

783. In any civil action alleging conduct which constitutes sexual harassment, sexual assault, or sexual battery, if evidence of sexual conduct of the plaintiff is offered to attack credibility of the plaintiff under Section 780, the following procedures shall be followed:

(a) A written motion shall be made by the defendant to the court and the plaintiff’s attorney stating that the defense has an offer of proof of the relevancy of evidence of the sexual conduct of the plaintiff proposed to be presented.

(b) The written motion shall be accompanied by an affidavit in which the offer of proof shall be stated.

(c) If the court finds that the offer of proof is sufficient, the court shall order a hearing out of the presence of the jury, if any, and at the hearing allow the questioning of the plaintiff regarding the offer of proof made by the defendant.

(d) At the conclusion of the hearing, if the court finds that evidence proposed to be offered by the defendant regarding the sexual conduct of the plaintiff is relevant pursuant to Section 780, and is not inadmissible pursuant to Section 352, the court may make an order stating what evidence may be introduced by the defendant, and the nature of the questions to be permitted. The defendant may then offer evidence pursuant to the order of the court.

Article 2. Attacking or Supporting Credibility

785. The credibility of a witness may be attacked or supported by any party, including the party calling him.

786. Evidence of traits of his character other than honesty or veracity, or their opposites, is inadmissible to attack or support the credibility of a witness.

787. Subject to Section 788, evidence of specific instances of his conduct relevant only as tending to prove a trait of his character is inadmissible to attack or support the credibility of a witness.

788. For the purpose of attacking the credibility of a witness, it may be shown by the examination of the witness or by the record of the judgment that he has been convicted of a felony unless:

(a) A pardon based on his innocence has been granted to the witness by the jurisdiction in which he was convicted.

(b) A certificate of rehabilitation and pardon has been granted to the witness under the provisions of Chapter 3.5 (commencing with Section 1203.4) of Title 6 of Part 3 of the Penal Code.

(c) The accusatory pleading against the witness has been dismissed under the provisions of Penal Code Section 1203.4, but this exception does not apply to any criminal trial where the witness is being prosecuted for a subsequent offense.

(d) The conviction was under the laws of another jurisdiction and the witness has been relieved of the penalties and disabilities arising from the conviction pursuant to a procedure substantially equivalent to that referred to in subdivision (b) or (c).

789. Evidence of his religious belief or lack thereof is inadmissible to attack or support the credibility of a witness.

790. Evidence of the good character of a witness is inadmissible to support his credibility unless evidence of his bad character has been admitted for the purpose of attacking his credibility.

791. Evidence of a statement previously made by a witness that is consistent with his testimony at the hearing is inadmissible to support his credibility unless it is offered after:

(a) Evidence of a statement made by him that is inconsistent with any part of his testimony at the hearing has been admitted for the purpose of attacking his credibility, and the statement was made before the alleged inconsistent statement; or

(b) An express or implied charge has been made that his testimony at the hearing is recently fabricated or is influenced by bias or other improper motive, and the statement was made before the bias, motive for fabrication, or other improper motive is alleged to have arisen.

CHAPTER 7. HYPNOSIS OF WITNESSES

795. (a) The testimony of a witness is not inadmissible in a criminal proceeding by reason of the fact that the witness has previously undergone hypnosis for the purpose of recalling events that are the subject of the witness’s testimony, if all of the following conditions are met:

(1) The testimony is limited to those matters that the witness recalled and related prior to the hypnosis.

(2) The substance of the pre-hypnotic memory was preserved in a writing, audio recording, or video recording prior to the hypnosis.

(3) The hypnosis was conducted in accordance with all of the following procedures:

(A) A written record was made prior to hypnosis documenting the subject’s description of the event, and information that was provided to the hypnotist concerning the subject matter of the hypnosis.

(B) The subject gave informed consent to the hypnosis.

(C) The hypnosis session, including the pre- and post-hypnosis interviews, was video recorded for subsequent review.

(D) The hypnosis was performed by a licensed physician and surgeon, psychologist, licensed clinical social worker, licensed marriage and family therapist, or licensed professional clinical counselor experienced in
the use of hypnosis and independent of and not in the presence of law enforcement, the prosecution, or the defense.

(4) Prior to admission of the testimony, the court holds a hearing pursuant to Section 402 at which the proponent of the evidence proves by clear and convincing evidence that the hypnosis did not so affect the witness as to render the witness’s pre-hypnosis recollection unreliable or to substantially impair the ability to cross-examine the witness concerning the witness’s pre-hypnosis recollection. At the hearing, each side shall have the right to present expert testimony and to cross-examine witnesses.

(b) Nothing in this section shall be construed to limit the ability of a party to attack the credibility of a witness who has undergone hypnosis, or to limit other legal grounds to admit or exclude the testimony of that witness.

DIVISION 7. OPINION TESTIMONY AND SCIENTIFIC EVIDENCE

CHAPTER 1. EXPERT AND OTHER OPINION TESTIMONY

Article 1. Expert and Other Opinion Testimony Generally

800. If a witness is not testifying as an expert, his testimony in the form of an opinion is limited to such an opinion as is permitted by law, including but not limited to an opinion that is:

(a) Rationally based on the perception of the witness; and

(b) Helpful to a clear understanding of his testimony.

801. If a witness is testifying as an expert, his testimony in the form of an opinion is limited to such an opinion as is:  

(a) Related to a subject that is sufficiently beyond common experience that the opinion of an expert would assist the trier of fact; and

(b) Based on matter (including his special knowledge, skill, experience, training, and education) perceived by or personally known to the witness or made known to him at or before the hearing, whether or not admissible, that is of a type that reasonably may be relied upon by an expert in forming an opinion upon the subject to which his testimony relates, unless an expert is precluded by law from using such matter as a basis for his opinion.

802. A witness testifying in the form of an opinion may state on direct examination the reasons for his opinion and the matter (including, in the case of an expert, his special knowledge, skill, experience, training, and education) upon which it is based, unless he is precluded by law from using such reasons or matter as a basis for his opinion. The court in its discretion may require that a witness before testifying in the form of an opinion be first examined concerning the matter upon which his opinion is based.

803. The court may, and upon objection shall, exclude testimony in the form of an opinion that is based in whole or in significant part on matter that is not a proper basis for such an opinion. In such case, the witness may, if there remains a proper basis for his opinion, then state his opinion after excluding from consideration the matter determined to be improper.

804. (a) If a witness testifying as an expert testifies that his opinion is based in whole or in part upon the opinion or statement of another person, such other person may be called and examined by any adverse party as if under cross-examination concerning the opinion or statement.

(b) Nothing in this section makes admissible an expert opinion that is inadmissible because it is based in whole or in part on the opinion or statement of another person.

(c) Nothing in this section makes admissible an expert opinion otherwise admissible and to cross-examine witnesses.

805. Testimony in the form of an opinion that is otherwise admissible is not objectionable because it embraces the ultimate issue to be decided by the trier of fact.

Article 2. Evidence of Market Value of Property

810. (a) Except where another rule is provided by statute, this article provides special rules of evidence applicable to any action in which the value of property is to be ascertained.

(b) This article does not govern ad valorem property tax assessment or equalization proceedings.

811. As used in this article, “value of property” means market value of any of the following:

(a) Real property or any interest therein.

(b) Real property or any interest therein and tangible personal property valued as a unit.

812. This article is not intended to alter or change the existing substantive law, whether statutory or decisional, interpreting the meaning of “market value,” whether denominated “fair market value” or otherwise.

813. (a) The value of property may be
shown only by the opinions of any of the following:

(1) Witnesses qualified to express such opinions.

(2) The owner or the spouse of the owner of the property or property interest being valued.

(3) An officer, regular employee, or partner designated by a corporation, partnership, or unincorporated association that is the owner of the property or property interest being valued, if the designee is knowledgeable as to the value of the property or property interest.

(b) Nothing in this section prohibits a view of the property being valued or the admission of any other admissible evidence (including but not limited to evidence as to the nature and condition of the property and, in an eminent domain proceeding, the character of the improvement proposed to be constructed by the plaintiff) for the limited purpose of enabling the court, jury, or referee to understand and weigh the testimony given under subdivision (a); and such evidence, except evidence of the character of the improvement proposed to be constructed by the plaintiff in an eminent domain proceeding, is subject to impeachment and rebuttal.

(c) For the purposes of subdivision (a), "owner of the property or property interest being valued" includes, but is not limited to, the following persons:

(1) A person entitled to possession of the property.

(2) Either party in an action or proceeding to determine the ownership of the property between the parties if the court determines that it would not be in the interest of efficient administration of justice to determine the issue of ownership prior to the admission of the opinion of the party.

814. The opinion of a witness as to the value of property is limited to such an opinion as is based on matter perceived by or personally known to the witness or made known to the witness at or before the hearing, whether or not admissible, that is of a type that reasonably may be relied upon by an expert in forming an opinion as to the value of property, including but not limited to the matters listed in Sections 815 to 821, inclusive, unless a witness is precluded by law from using such matter as a basis for an opinion.

815. When relevant to the determination of the value of property, a witness may take into account as a basis for his opinion the price and other terms and circumstances of any sale or contract to sell and purchase which included the property or property interest being valued or any part thereof if the sale or contract was freely made in good faith within a reasonable time before or after the date of valuation, except that in an eminent domain proceeding where the sale or contract to sell and purchase includes only the property or property interest being taken or a part thereof, such sale or contract to sell and purchase may not be taken into account if it occurs after the filing of the lis pendens.

816. When relevant to the determination of the value of property, a witness may take into account as a basis for his opinion the price and other terms and circumstances of any sale or contract to sell and purchase comparable property if the sale or contract was freely made in good faith within a reasonable time before or after the date of valuation. In order to be considered comparable, the sale or contract must have been made sufficiently near in time to the date of valuation, and the property sold must be located sufficiently near the property being valued, and must be sufficiently alike in respect to character, size, situation, usability, and improvements, to make it clear that the property sold and the property being valued are comparable in value and that the price realized for the property sold may fairly be considered as shedding light on the value of the property being valued.

817. (a) Subject to subdivision (b), when relevant to the determination of the value of property, a witness may take into account as a basis for an opinion the rent reserved and other terms and circumstances of any lease which included the property or property interest being valued or any part thereof which was in effect within a reasonable time before or after the date of valuation, except that in an eminent domain proceeding where the lease includes only the property or property interest being taken or a part thereof, such lease may not be taken into account in the determination of the value of property if it is entered into after the filing of the lis pendens.

(b) A witness may take into account a lease providing for a rental fixed by a percentage or other measurable portion of gross sales or gross income from a business conducted on the leased property only for the purpose of arriving at an opinion as to the reasonable net rental value attributable to the property or property interest being valued as provided in Section 819 or determining the value of a leasehold interest.

818. For the purpose of determining the capitalized value of the reasonable net rental value attributable to the property or property interest being valued as provided in Section 819 or determining the value of a leasehold interest, a witness may take into account as a basis for his opinion the rent reserved and other terms and circumstances of any lease of comparable property if the lease was freely made in good faith within a reasonable time before or after the date of valuation.

819. When relevant to the determination of the value of property, a witness may take into account as a basis for his opinion the capitalized value of the reasonable net rental value attributable to the land and exist-
ing improvements thereon (as distinguished from the capitalized value of the income or profits attributable to the business conducted thereon).

820. When relevant to the determination of the value of property, a witness may take into account as a basis for his opinion the value of the property or property interest being valued as indicated by the value of the land together with the cost of replacing or reproducing the existing improvements thereon, if the improvements enhance the value of the property or property interest for its highest and best use, less whatever depreciation or obsolescence the improvements have suffered.

821. When relevant to the determination of the value of property, a witness may take into account as a basis for his opinion the nature of the improvements on properties in the general vicinity of the property or property interest being valued and the character of the existing uses being made of such properties.

822. (a) In an eminent domain or inverse condemnation proceeding, notwithstanding the provisions of Sections 814 to 821, inclusive, the following matter is inadmissible as evidence and shall not be taken into account as a basis for an opinion as to the value of property:

(1) The price or other terms and circumstances of an acquisition of property or a property interest if the acquisition was for a public use for which the property could have been taken by eminent domain. The price or other terms and circumstances shall not be excluded pursuant to this paragraph if the proceeding relates to the valuation of all or part of a water system as defined in Section 240 of the Public Utilities Code.

(2) The price at which an offer or option to purchase or lease the property or property interest being valued or any other property was made, or the price at which the property or interest was optioned, offered, or listed for sale or lease, except that an option, offer, or listing may be introduced by a party as an admission of another party to the proceeding; but nothing in this subdivision permits an admission to be used as direct evidence upon any matter that may be shown only by opinion evidence under Section 813.

(3) The value of any property or property interest as assessed for taxation purposes or the amount of taxes which may be due on the property, but nothing in this subdivision prohibits the consideration of actual or estimated taxes for the purpose of determining the reasonable net rental value attributable to the property or property interest being valued.

(4) An opinion as to the value of any property or property interest other than that being valued.

(5) The influence upon the value of the property or property interest being valued of any noncompensable items of value, damage, or injury.

(6) The capitalized value of the income or rental from any property or property interest other than that being valued.

(b) In an action other than an eminent domain or inverse condemnation proceeding, the matters listed in subdivision (a) are not admissible as evidence, and may not be taken into account as a basis for an opinion as to the value of property, except to the extent permitted under the rules of law otherwise applicable.

823. Notwithstanding any other provision of this article, the value of property for which there is no relevant, comparable market may be determined by any method of valuation that is just and equitable.

824. (a) Notwithstanding any other provision of this article, a just and equitable method of determining the value of nonprofit, special use property, as defined by Section 1235.155 of the Code of Civil Procedure, for which there is no relevant, comparable market, is the cost of purchasing land and the reasonable cost of making it suitable for the conduct of the same nonprofit, special use, together with the cost of constructing similar improvements. The method for determining compensation for improvements shall be as set forth in subdivision (b).

(b) Notwithstanding any other provision of this article, a witness providing opinion testimony on the value of nonprofit, special use property, as defined by Section 1235.155 of the Code of Civil Procedure, for which there is no relevant, comparable market, shall base his or her opinion on the value of reproducing the improvements without taking into consideration any depreciation or obsolescence of the improvements.

(c) This section does not apply to actions or proceedings commenced by a public entity or public utility to acquire real property or any interest in real property for the use of water, sewer, electricity, telephone, natural gas, or flood control facilities or rights-of-way where those acquisitions neither require removal or destruction of existing improvements, nor render the property unfit for the owner’s present or proposed use.

Article 3. Opinion Testimony on Particular Subjects

870. A witness may state his opinion as to the sanity of a person when:

(a) The witness is an intimate acquaintance of the person whose sanity is in question;

(b) The witness was a subscribing witness to a writing, the validity of which is in dispute, signed by the person whose sanity is in question and the opinion relates to the sanity of such person at the time the writing was signed; or

(c) The witness is qualified under Section
DIVISION 8. PRIVILEGES

CHAPTER 1. DEFINITIONS

900. Unless the provision or context otherwise requires, the definitions in this chapter govern the construction of this division. They do not govern the construction of any other division.

901. “Proceeding” means any action, hearing, investigation, inquest, or inquiry (whether conducted by a court, administrative agency, hearing officer, arbitrator, legislative body, or any other person authorized by law) in which, pursuant to law, testimony can be compelled to be given.

902. “Civil proceeding” means any proceeding except a criminal proceeding.

903. “Criminal proceeding” means:
   (a) A criminal action; and
   (b) A proceeding pursuant to Article 3 (commencing with Section 3060) of Chapter 7 of Division 4 of Title 1 of the Government Code to determine whether a public officer should be removed from office for willful or corrupt misconduct in office.

905. “Presiding officer” means the person authorized to rule on a claim of privilege in the proceeding in which the claim is made.

CHAPTER 2. APPLICABILITY OF DIVISION

910. Except as otherwise provided by statute, the provisions of this division apply in all proceedings. The provisions of any statute making rules of evidence inapplicable in particular proceedings, or limiting the applicability of rules of evidence in particular proceedings, do not make this division inapplicable to such proceedings.

CHAPTER 3. GENERAL PROVISIONS RELATING TO PRIVILEGES

911. Except as otherwise provided by statute:
   (a) No person has a privilege to refuse to be a witness.
   (b) No person has a privilege to refuse to disclose any matter or to refuse to produce any writing, object, or other thing.
   (c) No person has a privilege that another shall not be a witness or shall not disclose any matter or shall not produce any writing, object, or other thing.

912. (a) Except as otherwise provided in this section, the right of any person to claim a privilege provided by Section 954 (lawyer-client privilege), 966 (lawyer referral service-client privilege), 980 (privilege for confidential marital communications), 994 (physician-patient privilege), 1014 (psychologist-patient privilege), 1033 (privilege of penitent), 1034 (privilege of clergy member), 1035.8 (sexual assault counselor-victim privilege), or 1037.5 (domestic violence counselor-victim privilege) is waived with respect to a communication protected by the privilege if any holder of the privilege, without coercion, has disclosed a significant part of the communication or has consented to disclosure made by anyone. Consent to disclosure is manifested by any statement or other conduct of the holder of the privilege indicating consent to the disclosure, including failure to claim the privilege in any proceeding in which the holder has the legal standing and opportunity to claim the privilege.

(b) Where two or more persons are joint holders of a privilege provided by Section 954 (lawyer-client privilege), 966 (lawyer referral service-client privilege), 994 (physician-patient privilege), 1014 (psychologist-patient privilege), 1035.8 (sexual assault counselor-victim privilege), or 1037.5 (domestic violence counselor-victim privilege), a waiver of the right of a particular joint holder of the privilege to claim the privilege does not affect the right of another joint holder to claim the privilege. In the case of the privilege provided by Section 980 (privilege for confidential marital communications), a waiver of the right of one spouse to claim the privilege does not affect the right of the other spouse to claim the privilege.

(c) A disclosure that is itself privileged is not a waiver of any privilege.

(d) A disclosure in confidence of a communication that is protected by a privilege provided by Section 954 (lawyer-client privilege), 966 (lawyer referral service-client privilege), 994 (physician-patient privilege), 1014 (psychologist-patient privilege), 1035.8 (sexual assault counselor-victim privilege), or 1037.5 (domestic violence counselor-victim privilege), when disclosure is reasonably necessary for the accomplishment of the purpose for which the lawyer, lawyer referral service, physician, psychologist, sexual assault counselor, or domestic violence counselor was consulted, is not a waiver of the privilege.

913. (a) If in the instant proceeding or on a prior occasion a privilege is or was exercised not to testify with respect to any matter, or to refuse to disclose or to prevent another from disclosing any matter, neither the presiding officer nor counsel may comment thereon, no presumption shall arise because of the exercise of the privilege, and the trier of fact may not draw any inference therefrom as to the credibility of the witness or as to any matter at issue in the proceeding.

(b) The court, at the request of a party who may be adversely affected because an unfavorable inference may be drawn by the jury because a privilege has been exercised, shall instruct the jury that no presumption arises because of the exercise of the privilege and that the jury may not draw any infer-
ence therefrom as to the credibility of the witness or as to any matter at issue in the proceeding.

914. (a) The presiding officer shall determine a claim of privilege in any proceeding in the same manner as a court determines such a claim under Article 2 (commencing with Section 400) of Chapter 4 of Division 3.

(b) No person may be held in contempt for failure to disclose information claimed to be privileged unless he has failed to comply with an order of a court that he disclose such information. This subdivision does not apply to any governmental agency that has constitutional contempt power, nor does it apply to hearings and investigations of the Industrial Accident Commission, nor does it implyly repeal Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. If no other statutory procedure is applicable, the procedure prescribed by Section 1991 of the Code of Civil Procedure shall be followed in seeking an order of a court that the person disclose the information claimed to be privileged.

915. (a) Subject to subdivision (b), the presiding officer may not require disclosure of information claimed to be privileged under this division or attorney work product under subdivision (a) of Section 2018.030 of the Code of Civil Procedure in order to rule on the claim of privilege; provided, however, that in any hearing conducted pursuant to subdivision (c) of Section 1524 of the Penal Code in which a claim of privilege is made and the court determines that there is no other feasible means to rule on the validity of the claim other than to require disclosure, the court shall proceed in accordance with subdivision (b).

(b) When a court is ruling on a claim of privilege under Article 9 (commencing with Section 1040) of Chapter 4 (official information and identity of informer) or under Section 1060 (trade secret) or under subdivision (b) of Section 2018.030 of the Code of Civil Procedure (attorney work product) and is unable to do so without requiring disclosure of the information claimed to be privileged, the court may require the person from whom disclosure is sought or the person authorized to claim the privilege, or both, to disclose the information in chambers out of the presence and hearing of all persons except the person authorized to claim the privilege and any other persons as the person authorized to claim the privilege is willing to have present. If the judge determines that the information is privileged, neither the judge nor any other person may ever disclose, without the consent of a person authorized to permit disclosure, what was disclosed in the course of the proceedings in chambers.

916. (a) The presiding officer, on his own motion or on the motion of any party, shall exclude information that is subject to a claim of privilege under this division if:

(1) The person from whom the information is sought is not a person authorized to claim the privilege; and

(2) There is no party to the proceeding who is a person authorized to claim the privilege.

(b) The presiding officer may not exclude information under this section if:

(1) He is otherwise instructed by a person authorized to permit disclosure; or

(2) The proponent of the evidence establishes that there is no person authorized to claim the privilege in existence.

917. (a) If a privilege is claimed on the ground that the matter sought to be disclosed is a communication made in confidence in the course of the lawyer-client, physician-patient, psychotherapist-patient, clergy-penitent, husband-wife, sexual assault counselor-victim, or domestic violence counselor-victim relationship, the communication is presumed to have been made in confidence and the opponent of the claim of privilege has the burden of proof to establish that the communication was not confidential.

(b) A communication between persons in a relationship listed in subdivision (a) does not lose its privileged character for the sole reason that it is communicated by electronic means or because persons involved in the delivery, facilitation, or storage of electronic communication may have access to the content of the communication.

(c) For purposes of this section, “electronic” has the same meaning provided in Section 1633.2 of the Civil Code.

918. A party may predicate error on a ruling disallowing a claim of privilege only if he is the holder of the privilege, except that a party may predicate error on a ruling disallowing a claim of privilege by his spouse under Section 970 or 971.

919. (a) Evidence of a statement or other disclosure of privileged information is inadmissible against a holder of the privilege if:

(1) A person authorized to claim the privilege claimed it but nevertheless disclosure erroneously was required to be made; or

(2) The presiding officer did not exclude the privileged information as required by Section 916.

(b) If a person authorized to claim the privilege claimed it, whether in the same or a prior proceeding, but nevertheless disclosure erroneously was required by the presiding officer to be made, neither the failure to refuse to disclose nor the failure to seek review of the order of the presiding officer requiring disclosure indicates consent to the disclosure or constitutes a waiver and, under these circumstances, the disclosure is one made under coercion.

920. Nothing in this division shall be construed to repeal by implication any other
statute relating to privileges.

CHAPTER 4. PARTICULAR PRIVILEGES

Article 1. Privilege of Defendant in Criminal Case

930. To the extent that such privilege exists under the Constitution of the United States or the State of California, a defendant in a criminal case has a privilege not to be called as a witness and not to testify.

Article 2. Privilege Against Self-Incinitimation

940. To the extent that such privilege exists under the Constitution of the United States or the State of California, a person has a privilege to refuse to disclose any matter that may tend to incriminate him.

Article 3. Lawyer-Client Privilege

950. As used in this article, “lawyer” means a person authorized, or reasonably believed by the client to be authorized, to practice law in any state or nation.

951. As used in this article, “client” means a person who, directly or through an authorized representative, consults a lawyer for the purpose of retaining the lawyer or securing legal service or advice from him in his professional capacity, and includes an incompetent (a) who himself so consults the lawyer or (b) whose guardian or conservator so consults the lawyer in behalf of the incompetent.

952. As used in this article, “confidential communication between client and lawyer” means information transmitted between a client and his or her lawyer in the course of that relationship and in confidence by a means which, so far as the client is aware, discloses the information to no third persons other than those who are present to further the interest of the client in the consultation or those to whom disclosure is reasonably necessary for the transmission of the information or the accomplishment of the purpose for which the lawyer is consulted, and including a legal opinion formed and the advice given by the lawyer in the course of that relationship.

953. As used in this article, “holder of the privilege” means:
(a) The client, if the client has no guardian or conservator.
(b) A guardian or conservator of the client, if the client has a guardian or conservator.
(c) The personal representative of the client if the client is dead, including a personal representative appointed pursuant to Section 12252 of the Probate Code.
(d) A successor, assign, trustee in dissolution, or any similar representative of a firm, association, organization, partnership, business trust, corporation, or public entity that is no longer in existence.

954. Subject to Section 912 and except as otherwise provided in this article, the client, whether or not a party, has a privilege to refuse to disclose, and to prevent another from disclosing, a confidential communication between client and lawyer if the privilege is claimed by:
(a) The holder of the privilege;
(b) A person who is authorized to claim the privilege by the holder of the privilege; or
(c) The person who was the lawyer at the time of the confidential communication, but such person may not claim the privilege if there is no holder of the privilege in existence or if he is otherwise instructed by a person authorized to permit disclosure.

The relationship of attorney and client shall exist between a law corporation as defined in Article 10 (commencing with Section 6160) of Chapter 4 of Division 3 of the Business and Professions Code and the persons to whom it renders professional services, as well as between such persons and members of the State Bar employed by such corporation to render services to such persons. The court may compel disclosure of information received by the sexual assault counselor which constitutes relevant evidence of the facts and circumstances involving an alleged sexual assault about which the victim is complaining and which is the subject of a criminal proceeding if the court determines that the probative value outweighs the effect on the victim, the treatment relationship, and the treatment services if disclosure is compelled. The court may also compel disclosure in proceedings related to child abuse if the court determines the probative value outweighs the effect on the victim, the treatment relationship, and the treatment services if disclosure is compelled.

When a court is ruling on a claim of privilege under this article, the court may require the person from whom disclosure is sought or the person authorized to claim the privilege, or both, to disclose the information in chambers out of the presence and hearing of all persons except the person authorized to claim the privilege and such other persons as the person authorized to claim the privilege is willing to have present. If the judge determines that the information is privileged and must not be disclosed, neither he or she nor any other person may ever disclose, without the consent of a person authorized to permit disclosure, what was disclosed in the course of the proceedings in chambers.

If the court determines certain information shall be disclosed, the court shall so order and inform the defendant. If the court finds there is a reasonable likelihood that particular information is subject to disclosure pursuant to the balancing test provided in this section, the following procedure shall be followed:

(1) The court shall inform the defendant of the nature of the information which may be subject to disclosure.

(2) The court shall order a hearing out of the presence of the jury, if any, and at the hearing allow the questioning of the sexual assault counselor regarding the information which the court has determined may be subject to disclosure.

(3) At the conclusion of the hearing, the court shall rule which items of information, if any, shall be disclosed. The court may make an order stating what evidence may be introduced by the defendant and the nature of questions to be permitted. The defendant may then offer evidence pursuant to the order of the court. Admission of evidence concerning the sexual conduct of the complaining witness is subject to Sections 352, 782, and 1103.

(c) The person who was the sexual assault counselor at the time of the confidential communication, but that person may not claim the privilege if there is no holder of the privilege in existence or if he or she is otherwise instructed by a person authorized to permit disclosure.

(2) The 40 hours of training shall be supervised by an individual who qualifies as a counselor under paragraph (1), and who has at least one year of experience counseling domestic violence victims for the domestic violence victim service organization. The training shall include, but need not be limited to, the following areas: history of domestic violence, civil and criminal law as it relates to domestic violence, the domestic violence victim-counselor privilege and other laws that protect the confidentiality of victim records and information, societal attitudes towards domestic violence, peer counseling techniques, housing, public assistance and other financial resources available to meet the financial needs of domestic violence victims, and referral services available to domestic violence victims.

(3) An individual employed by the domestic violence victim service organization for a period of less than six months shall be supervised by a domestic violence counselor who has at least one year of experience counseling domestic violence victims for the domestic violence victim service organization.

1037.2. (a) As used in this article, “confidential communication” means any information, including, but not limited to, written or oral communication, transmitted between the victim and the counselor in the course of their relationship and in confidence by a means which, so far as the victim is aware, discloses the information to no third persons other than those who are present to further the interests of the victim in the consultation or those to whom disclosures are reasonably necessary for the transmission of the information or an accomplishment of the purposes for which the domestic violence counselor is consulted. The term includes all information regarding the facts and circumstances involving all incidences of domestic violence, as well as all information about the children of the victim or abuser and the relationship of the victim with the abuser.

(b) The court may compel disclosure of information received by a domestic violence counselor which constitutes relevant evidence of the facts and circumstances invol-
ing a crime allegedly perpetrated against the victim or another household member and which is the subject of a criminal proceeding, if the court determines that the probative value of the information outweighs the effect of disclosure of the information on the victim, the counseling relationship, and the counseling services. The court may compel disclosure if the victim is either dead or not the complaining witness in a criminal action against the perpetrator. The court may also compel disclosure in proceedings related to child abuse if the court determines that the probative value of the evidence outweighs the effect of the disclosure on the victim, the counseling relationship, and the counseling services.

(c) When a court rules on a claim of privilege under this article, it may require the person from whom disclosure is sought or the person authorized to claim the privilege, or both, to disclose the information in chambers out of the presence and hearing of all persons except the person authorized to claim the privilege and such other persons as the person authorized to claim the privilege consents to have present. If the judge determines that the information is privileged and shall not be disclosed, neither he nor she nor any other person may disclose, without the consent of a person authorized to permit disclosure, any information disclosed in the course of the proceedings in chambers.

(d) If the court determines that information shall be disclosed, the court shall order and inform the defendant in the criminal action. If the court finds there is a reasonable likelihood that any information is subject to disclosure pursuant to the balancing test provided in this section, the procedure specified in subdivisions (1), (2), and (3) of Section 1035.4 shall be followed.

1037.3. Nothing in this article shall be construed to limit any obligation to report instances of child abuse as required by Section 11166 of the Penal Code.

1037.4. As used in this article, “holder of the privilege” means:

(a) The victim when he or she has no guardian or conservator.

(b) A guardian or conservator of the victim when the victim has a guardian or conservator, unless the guardian or conservator is accused of perpetrating domestic violence against the victim.

1037.5. A victim of domestic violence, whether or not a party to the action, has a privilege to refuse to disclose, and to prevent another from disclosing, a confidential communication between the victim and a domestic violence counselor in any proceeding specified in Section 901 if the privilege is claimed by any of the following persons:

(a) The holder of the privilege.

(b) A person who is authorized to claim the privilege by the holder of the privilege.

(c) The person who was the domestic violence counselor at the time of the confidential communication. However, that person may not claim the privilege if there is no holder of the privilege in existence or if he or she is otherwise instructed by a person authorized to permit disclosure.

(1) The holder of the privilege.

(2) A person who is authorized to claim the privilege by the holder of the privilege.

(3) The person who was the human trafficking caseworker at the time of the confidential communication. However, that person may not claim the privilege if there is no holder of the privilege in existence or if he or she is otherwise instructed by a person authorized to permit disclosure. The human trafficking caseworker who received or made a communication subject to the privilege granted by this article shall claim the privilege whenever he or she is present when the communication is sought to be disclosed and he or she is authorized to claim the privilege under this section.

(b) A human trafficking caseworker shall inform a trafficking victim of any applicable limitations on confidentiality of communications between the victim and the caseworker. This information may be given orally.

1038.1. (a) The court may compel disclosure of information received by a human trafficking caseworker that constitutes relevant evidence of the facts and circumstances involving a crime allegedly perpetrated against the victim and that is the subject of a criminal proceeding, if the court determines that the probative value of the information outweighs the effect of disclosure of the information on the victim, the counseling relationship, and the counseling services. The court may compel disclosure if the victim is
either dead or not the complaining witness in a criminal action against the perpetrator.  

(b) When a court rules on a claim of privilege under this article, it may require the person from whom disclosure is sought or the person authorized to claim the privilege, or both, to disclose the information in chambers out of the presence and hearing of all persons except the person authorized to claim the privilege and those other persons that the person authorized to claim the privilege consents to have present.  

(c) If the judge determines that the information is privileged and shall not be disclosed, neither he nor she nor any other person may disclose, without the consent of a person authorized to permit disclosure, any information disclosed in the course of the proceedings in chambers. If the court determines that information shall be disclosed, the court shall so order and inform the defendant in the criminal action. If the court finds there is a reasonable likelihood that any information is subject to disclosure pursuant to the balancing test provided in this section, the procedure specified in paragraphs (1), (2), and (3) of Section 1035.4 shall be followed.

1038.2. (a) As used in this article, “victim” means any person who is a “trafficking victim” as defined in Section 236.1.  

(b) As used in this article, “human trafficking caseworker” means any of the following:  

(1) A person who is employed by any organization providing the programs specified in Section 18294 of the Welfare and Institutions Code, whether financially compensated or not, for the purpose of rendering advice or assistance to victims of human trafficking, who has received specialized training in the counseling of human trafficking victims, and who meets one of the following requirements:  

(A) Has a master's degree in counseling or a related field, or has one year of counseling experience, at least six months of which is in the counseling of human trafficking victims.  

(B) Has at least 40 hours of training as specified in this paragraph and is supervised by an individual who qualifies as a counselor under subparagraph (A), or is a psychotherapist, as defined in Section 1010. The training, supervised by a person qualified under subparagraph (A), shall include, but not be limited to, law, victimology, counseling techniques, client and system advocacy, and referral services. A portion of this training must include an explanation of privileged communication.  

(c) As used in this article, “confidential communication” means information transmitted between the victim and the caseworker in the course of their relationship and in confidence by a means which, so far as the victim is aware, discloses the information to no third persons other than those who are present to further the interests of the victim in the consultation or those to whom disclosures are reasonably necessary for the transmission of the information or an accomplishment of the purposes for which the human trafficking counselor is consulted. It includes all information regarding the facts and circumstances involving all incidences of human trafficking.  

(d) As used in this article, “holder of the privilege” means the victim when he or she has no guardian or conservator, or a guardian or conservator of the victim when the victim has a guardian or conservator.

**Article 9. Official Information and Identity of Informer**

1040. (a) As used in this section, “official information” means information acquired in confidence by a public employee in the course of his or her duty and not open, or officially disclosed, to the public prior to the time the claim of privilege is made.  

(b) A public entity has a privilege to refuse to disclose official information, and to prevent another from disclosing official information, if the privilege is claimed by a person authorized by the public entity to do so and:  

(1) Disclosure is forbidden by an act of the Congress of the United States or a statute of this state; or  

(2) Disclosure of the information is against the public interest because there is a necessity for preserving the confiden-
ality of the information that outweighs the necessity for disclosure in the interest of justice; but no privilege may be claimed under this paragraph if any person authorized to do so has consented that the information be disclosed in the proceeding. In determining whether disclosure of the information is against the public interest, the interest of the public entity as a party in the outcome of the proceeding may not be considered.

(c) Notwithstanding any other provision of law, the Employment Development Department shall disclose to law enforcement agencies, in accordance with the provisions of subdivision (k) of Section 1095 and subdivision (b) of Section 2714 of the Unemployment Insurance Code, information in its possession relating to any person if an arrest warrant has been issued for the person for commission of a felony.

1041. (a) Except as provided in this section, a public entity has a privilege to refuse to disclose the identity of a person who has furnished information as provided in subdivision (b) purporting to disclose a violation of a law of the United States or of this state or of a public entity in this state, and to prevent another from disclosing the person’s identity, if the privilege is claimed by a person authorized by the public entity to do so and either of the following apply:

(1) Disclosure is forbidden by an act of the Congress of the United States or a statute of this state.

(2) Disclosure of the identity of the informer is against the public interest because the necessity for preserving the confidentiality of his or her identity outweighs the necessity for disclosure in the interest of justice. The privilege shall not be claimed under this paragraph if a person authorized to do so has consented that the identity of the informer be disclosed in the proceeding. In determining whether disclosure of the identity of the informer is against the public interest, the interest of the public entity as a party in the outcome of the proceeding shall not be considered.

(b) The privilege described in this section applies only if the information is furnished in confidence by the informer to any of the following:

(1) A law enforcement officer.

(2) A representative of an administrative agency charged with the administration or enforcement of the law alleged to be violated.

(3) Any person for the purpose of transmittal to a person listed in paragraph (1) or (2). As used in this paragraph, “person” includes a volunteer or employee of a crime stopper organization.

(c) The privilege described in this section shall not be construed to prevent the informer from disclosing his or her identity.

(d) As used in this section, “crime stopper organization” means a private, nonprofit organization that accepts and expends dona-

1042. (a) Except where disclosure is forbidden by an act of the Congress of the United States, if a claim of privilege under this article by the state or a public entity in this state is sustained in a criminal proceeding, the presiding officer shall make such order or finding of fact adverse to the public entity bringing the proceeding as is required by law upon any issue in the proceeding to which the privileged information is material.

(b) Notwithstanding subdivision (a), where a search is made pursuant to a warrant valid on its face, the public entity bringing a criminal proceeding is not required to reveal to the defendant official information or the identity of an informer in order to establish the legality of the search or the admissibility of any evidence obtained as a result of it.

(c) Notwithstanding subdivision (a), in any preliminary hearing, criminal trial, or other criminal proceeding, any otherwise admissible evidence of information communicated to a peace officer by a confidential informant, who is not a material witness to the guilt or innocence of the accused of the offense charged, is admissible on the issue of reasonable cause to make an arrest or search without requiring that the name or identity of the informant be disclosed if the judge or magistrate is satisfied, based upon evidence produced in open court, out of the presence of the jury, that such information was received from a reliable informant and in his discretion does not require such disclosure.

(d) When, in any such criminal proceeding, a party demands disclosure of the identity of the informant on the ground the informant is a material witness on the issue of guilt, the court shall conduct a hearing at which all parties may present evidence on the issue of disclosure. Such hearing shall be conducted outside the presence of the jury, if any. During the hearing, if the privilege provided for in Section 1041 is claimed by a person authorized to do so or if a person who is authorized to claim such privilege refuses to answer any question on the ground that the answer would tend to disclose the identity of the informant, the prosecuting attorney may request that the court hold an in camera hearing. If such a request is made, the court shall hold such a hearing outside the presence of the defendant and his counsel. At the in camera hearing, the prosecution may offer evidence which would tend to disclose or which discloses the identity of the informant to aid the court in its determination whether there is a reasonable possibility that nondisclosure might deprive the defendant of a
fair trial. A reporter shall be present at the in camera hearing. Any transcription of the proceedings at the in camera hearing, as well as any physical evidence presented at the hearing, shall be ordered sealed by the court, and only a court may have access to its contents. The court shall not order disclosure, nor strike the testimony of the witness who invokes the privilege, nor dismiss the criminal proceeding. If the party offering the witness refuses to disclose the identity of the informant, unless, based upon the evidence presented at the hearing held in the presence of the defendant and his counsel and the evidence presented at the in camera hearing, the court concludes that there is a reasonable possibility that nondisclosure might deprive the defendant of a fair trial.

1043. (a) In any case in which discovery or disclosure is sought of peace or custodial officer personnel records or records maintained pursuant to Section 832.5 of the Penal Code or information from those records, the party seeking the discovery or disclosure shall file a written motion with the appropriate court or administrative body upon written notice to the governmental agency which has custody and control of the records. The written notice shall be given at the times prescribed by subdivision (b) of Section 1005 of the Code of Civil Procedure. Upon receipt of the notice the governmental agency served shall immediately notify the individual whose records are sought.

(b) The motion shall include all of the following:

(1) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the peace or custodial officer whose records are sought, the governmental agency which has custody and control of the records, and the time and place at which the motion for discovery or disclosure shall be heard.

(2) A description of the type of records or information sought.

(3) Affidavits showing good cause for the discovery or disclosure sought, setting forth the materiality thereof to the subject matter involved in the pending litigation and stating upon reasonable belief that the governmental agency identified has the records or information from the records.

(c) No hearing upon a motion for discovery or disclosure shall be held without full compliance with the notice provisions of this section except upon a showing by the moving party of good cause for noncompliance, or upon a waiver of the hearing by the governmental agency identified as having the records.

1044. Nothing in this article shall be construed to affect the right of access to records of medical or psychological history where such access would otherwise be available under Section 996 or 1016.

1045. (a) Nothing in this article shall be construed to affect the right of access to records of complaints, or investigations of complaints, or discipline imposed as a result of those investigations, concerning an event or transaction in which the peace officer or custodial officer, as defined in Section 831.5 of the Penal Code, participated, or which he or she perceived, and pertaining to the manner in which he or she performed his or her duties, provided that information is relevant to the subject matter involved in the pending litigation.

(b) In determining relevancy, the court shall examine the information in chambers in conformity with Section 915, and shall exclude from disclosure:

(1) Information consisting of complaints concerning conduct occurring more than five years before the event or transaction that is the subject of the litigation in aid of which discovery or disclosure is sought.

(2) In any criminal proceeding the conclusions of any officer investigating a complaint filed pursuant to Section 832.5 of the Penal Code.

(3) Facts sought to be disclosed that are so remote as to make disclosure of little or no practical benefit.

(c) In determining relevancy where the issue in litigation concerns the policies or pattern of conduct of the employing agency, the court shall consider whether the information sought may be obtained from other records maintained by the employing agency in the regular course of agency business which would not necessitate the disclosure of individual personnel records.

(d) Upon motion seasonably made by the governmental agency which has custody or control of the records to be examined or by the officer whose records are sought, and upon good cause showing the necessity thereof, the court may make any order which justice requires to protect the officer or agency from unnecessary annoyance, embarrassment or oppression.

(e) The court shall, in any case or proceeding permitting the disclosure or discovery of any peace or custodial officer records requested pursuant to Section 1043, order that the records disclosed or discovered may not be used for any purpose other than a court proceeding pursuant to applicable law.

1046. In any case, otherwise authorized by law, in which the party seeking disclosure is alleging excessive force by a peace officer or custodial officer, as defined in Section 831.5 of the Penal Code, in connection with the arrest of that party, or for conduct alleged to have occurred within a jail facility, the motion shall include a copy of the police report setting forth the circumstances under which the party was stopped and arrested, or a copy of the crime report setting forth the circumstances under which the conduct is alleged to have occurred within a jail facility.
1047. Records of peace officers or custodial officers, as defined in Section 831.5 of the Penal Code, including supervisory officers, who either were not present during the arrest or had no contact with the party seeking disclosure from the time of the arrest until the time of booking, or who were not present at the time the conduct is alleged to have occurred within a jail facility, shall not be subject to disclosure.

Article 10. Political Vote

1050. If he claims the privilege, a person has a privilege to refuse to disclose the tenor of his vote at a public election where the voting is by secret ballot unless he voted illegally or he previously made an unprivileged disclosure of the tenor of his vote.

Article 11. Trade Secret

1060. If he or his agent or employee claims the privilege, the owner of a trade secret has a privilege to refuse to disclose the secret, and to prevent another from disclosing it, if the allowance of the privilege will not tend to conceal fraud or otherwise work injustice.

1061. (a) For purposes of this section, and Sections 1062 and 1063:

(1) “Trade secret” means “trade secret,” as defined in subdivision (d) of Section 3426.1 of the Civil Code, or paragraph (9) of subdivision (a) of Section 499c of the Penal Code.

(2) “Article” means “article,” as defined in paragraph (2) of subdivision (a) of Section 499c of the Penal Code.

(b) In addition to Section 1062, the following procedure shall apply whenever the owner of a trade secret wishes to assert his or her trade secret privilege, as provided in Section 1060, during a criminal proceeding:

(1) The owner of the trade secret shall file a motion for a protective order, or the people may file the motion on the owner's behalf and with the owner's permission. The motion shall include an affidavit based upon the owner's personal knowledge listing the affiant's qualifications to give an opinion concerning the trade secret at issue, identifying, without revealing, the alleged trade secret and articles which disclose the secret, and presenting evidence that the secret qualifies as a trade secret under either subdivision (d) of Section 3426.1 of the Civil Code or paragraph (9) of subdivision (a) of Section 499c of the Penal Code. The motion and affidavit shall be served on all parties in the proceeding.

(2) Any party in the proceeding may oppose the request for the protective order by submitting affidavits based upon the affiant's personal knowledge. The affidavits shall be filed under seal, but shall be provided to the owner of the trade secret and to all parties in the proceeding. Neither the owner of the trade secret nor any party in the proceeding may disclose the affidavit to persons other than to counsel of record without prior court approval.

(3) The movant shall, by a preponderance of the evidence, show that the issuance of a protective order is proper. The court may rule on the request without holding an evidentiary hearing. However, in its discretion, the court may choose to hold an in camera evidentiary hearing concerning disputed articles with only the owner of the trade secret, the people's representative, the defendant, and defendant's counsel present. If the court holds such a hearing, the parties' right to examine witnesses shall not be used to obtain discovery, but shall be directed solely toward the question of whether the alleged trade secret qualifies for protection.

(4) If the court finds that a trade secret may be disclosed during any criminal proceeding unless a protective order is issued and that the issuance of a protective order would not conceal a fraud or work an injustice, the court shall issue a protective order limiting the use and dissemination of the trade secret, including, but not limited to, articles disclosing that secret. The protective order may, in the court's discretion, include the following provisions:

(A) That the trade secret may be disseminated only to counsel for the parties, including their associate attorneys, paralegals, and investigators, and to law enforcement officials or clerical officials.

(B) That the defendant may view the secret only in the presence of his or her counsel, or if not in the presence of his or her counsel, at counsel's offices.

(C) That any party seeking to show the trade secret, or articles containing the trade secret, to any person not designated by the protective order shall first obtain court approval to do so:

(i) The court may require that the person receiving the trade secret do so only in the presence of counsel for the party requesting approval.

(ii) The court may require the person receiving the trade secret to sign a copy of the protective order and to agree to be bound by its terms. The order may include a provision recognizing the owner of the trade secret to be a third-party beneficiary of that agreement.

(iii) The court may require a party seeking disclosure to an expert to provide that expert's name, employment history, and any other relevant information to the court for examination. The court shall accept that information under seal, and the information shall not be disclosed by any court except upon termination of the action and upon a showing of good cause to believe the secret has been disseminated by a court-approved expert. The court shall evaluate the expert and determine whether the expert poses a discernible risk of disclosure. The court shall withhold approval if the expert's economic interests place the expert in a competitive position with the victim, unless no
other experts are available. The court may interview the expert in camera in aid of its ruling. If the court rejects the expert, it shall state its reasons for doing so on the record and a transcript of those reasons shall be prepared and sealed.

(D) That no articles disclosing the trade secret shall be filed or otherwise made a part of the record and a transcript of those reasons shall be prepared and sealed.

(E) Other orders as the court deems necessary to protect the integrity of the trade secret.

(c) A ruling granting or denying a motion for a protective order filed pursuant to subdivision (b) shall not be construed as a determination that the alleged trade secret is or is not a trade secret as defined by subdivision (d) of Section 3426.1 of the Civil Code or paragraph (9) of subdivision (a) of Section 499c of the Penal Code. Such a ruling shall not have any effect on any civil litigation.

(d) This section shall have prospective effect only and shall not operate to invalidate previously entered protective orders.

1062. (a) Notwithstanding any other provision of law, in a criminal case, the court, upon motion of the owner of a trade secret, or upon motion by the People with the consent of the owner, may exclude from any portion of a criminal proceeding where the proponent of closure has demonstrated a substantial probability that the trade secret would otherwise be disclosed to the public during that proceeding and a substantial probability that the disclosure would cause serious harm to the owner of the secret, and where the court finds that there is no overriding public interest in an open proceeding. No evidence, however, shall be excluded during a criminal proceeding pursuant to this section if it would conceal a fraud, work an injustice, or deprive the People or the defendant of a fair trial.

(b) The motion made pursuant to subdivision (a) shall identify, without revealing the trade secrets which would otherwise be disclosed to the public. A showing made pursuant to subdivision (a) shall be made during an in camera hearing with only the owner of the trade secret, the People’s representative, the defendant, and defendant’s counsel present. A court reporter shall be present during the hearing. Any transcription of the proceedings at the in camera hearing, as well as any articles presented at that hearing, shall be sealed and shall remain in the courtroom during the closed portion of the proceeding.

(c) If, after the in camera hearing described in subdivision (b), the court determines that exclusion of trade secret information from the public is appropriate, the court shall close only that portion of the criminal proceeding necessary to prevent disclosure of the trade secret. Before granting the motion, however, the court shall find and state for the record that the moving party has met its burden pursuant to subdivision (b), and that the closure of that portion of the proceeding will not deprive the People or the defendant of a fair trial.

(e) Whenever the court closes a portion of a criminal proceeding pursuant to this section, a transcript of that closed proceeding shall be made available to the public as soon as practicable. The court shall redact any information qualifying as a trade secret before making that transcript available.

(f) The court, subject to Section 867 of the Penal Code, may allow witnesses who are bound by a protective order entered in the criminal proceeding protecting trade secrets, pursuant to Section 1061, to remain within the courtroom during the closed portion of the proceeding.

1063. The following provisions shall govern requests to seal articles which are protected by a protective order entered pursuant to Evidence Code Section 1060 or 1061:

(a) The People shall request sealing of articles reasonably expected to be filed or admitted into evidence as follows:

(1) No less than 10 court days before trial, and no less than five court days before any other criminal proceeding, the People shall file with the court a list of all articles which the People reasonably expect to file with the court, or admit into evidence, under seal at that proceeding. That list shall be available to the public. The People may be relieved from providing timely notice upon showing that exigent circumstances prevent that notice.

(2) The court shall not allow the listed articles to be filed, admitted into evidence, or in any way made a part of the court record otherwise open to the public before holding a hearing to consider any objections to the People’s request to seal the articles. The court at that hearing shall allow those objecting to the sealing to state their objections.

(3) After hearing any objections to sealing, the court shall conduct an in camera hearing with only the owner of the trade secret contained within those articles, the People’s representative, defendant, and defendant’s counsel present. The court shall review the articles sought to be sealed, evaluate objections to sealing, and determine whether the People have satisfied the consti-
tutional standards governing public access to articles which are part of the judicial record. The court may consider testimony presented or affidavits filed in any proceeding held in that action. The People, defendant, and the owner of the trade secret may file affidavits based on the affiant's personal knowledge to be considered at that hearing. Those affidavits are to be sealed and not released to the public, but shall be made available to the parties. The court may rule on the request to seal without taking testimony. If the court takes testimony, examination of witnesses shall not be used to obtain discovery, but shall be directed solely toward whether sealing is appropriate.

(4) If the court finds that the movant has satisfied appropriate constitutional standards with respect to sealing particular articles, the court shall seal those articles if and when they are filed, admitted into evidence, or in any way made a part of the court record otherwise open to the public. The articles shall not be unsealed absent an order of a court upon a showing of good cause. Failure to examine the court file for notice of a request to seal shall not constitute good cause to consider objections to sealing.

CHAPTER 5. IMMUNITY OF NEWSMAN FROM CITATION FOR CONTEMPT

1070. (a) A publisher, editor, reporter, or other person connected with or employed upon a newspaper, magazine, or other periodical publication, or by a press association or wire service, or any person who has been so connected or employed, cannot be adjudged in contempt by a judicial, legislative, administrative body, or any other body having the power to issue subpoenas, for refusing to disclose, in any proceeding as defined in Section 901, the source of any information procured while so connected or employed for publication in a newspaper, magazine or other periodical publication, or for refusing to disclose any unpublished information obtained or prepared in gathering, receiving or processing of information for communication to the public.

(c) As used in this section, “unpublished information” includes information not disseminated to the public by the person from whom disclosure is sought, whether or not related information has been disseminated and includes, but is not limited to, all notes, outtakes, photographs, tapes or other data of whatever sort not itself disseminated to the public through a medium of communication, whether or not published information based upon or related to such material has been disseminated.

DIVISION 9. EVIDENCE AFFECTED OR EXCLUDED BY EXTRINSIC POLICIES

CHAPTER 1. EVIDENCE OF CHARACTER, HABIT, OR CUSTOM

1100. Except as otherwise provided by statute, any otherwise admissible evidence (including evidence in the form of an opinion, evidence of reputation, and evidence of specific instances of such person's conduct) is admissible to prove a person's character or a trait of his character.

1101. (a) Except as provided in this section and in Sections 1102, 1103, 1108, and 1109, evidence of a person's character or a
trait of his or her character (whether in the form of an opinion, evidence of reputation, or evidence of specific instances of his or her conduct) is inadmissible when offered to prove his or her conduct on a specified occasion.

(b) Nothing in this section prohibits the admission of evidence that a person committed a crime, civil wrong, or other act when relevant to prove some fact (such as motive, opportunity, intent, preparation, plan, knowledge, identity, absence of mistake or accident, or whether a defendant in a prosecution for an unlawful sexual act or attempt to do unlawful sexual act did not reasonably and in good faith believe that the victim consented) other than his or her disposition to commit such an act.

(c) Nothing in this section affects the admissibility of evidence offered to support or attack the credibility of a witness.

1102. In a criminal action, evidence of the defendant’s character or a trait of his character in the form of an opinion or evidence of his reputation is not made inadmissible by Section 1101 if such evidence is:

(a) Offered by the defendant to prove his conduct in conformity with such character or trait of character.

(b) Offered by the prosecution to rebut evidence adduced by the defendant under subdivision (a).

1103. (a) In a criminal action, evidence of the character or a trait of character (in the form of an opinion, evidence of reputation, or evidence of specific instances of conduct) of the victim of the crime for which the defendant is being prosecuted is not made inadmissible by Section 1101 if the evidence is:

(1) Offered by the defendant to prove conduct on a specified occasion in conformity with the character or trait of character.

(2) Offered by the prosecution to rebut evidence adduced by the defendant under paragraph (1).

(b) In a criminal action, evidence of the defendant’s character for violence or trait of character for violence (in the form of an opinion, evidence of reputation, or evidence of specific instances of conduct) is not made inadmissible by Section 1101 if the evidence is offered by the prosecution to prove conduct of the defendant in conformity with the character or trait of character and is offered after evidence that the victim had a character for violence or a trait of character tending to show violence has been adduced by the defendant under paragraph (1) of subdivision (a).

(c) (1) Notwithstanding any other provision of this code to the contrary, and except as provided in this subdivision, in any prosecution under Section 261, 262, or 264.1 of the Penal Code, or under Section 286, 288a, or 289 of the Penal Code, or for assault with intent to commit, attempt to commit, or conspiracy to commit a crime defined in any of those sections, except where the crime is alleged to have occurred in a local detention facility, as defined in Section 6031.4, or in a state prison, as defined in Section 4504, opinion evidence, reputation evidence, and evidence of specific instances of the complaining witness’ sexual conduct, or any of that evidence, is not admissible by the defendant in order to prove consent by the complaining witness.

(2) Notwithstanding paragraph (3), evidence of the manner in which the victim was dressed at the time of the commission of the offense shall not be admissible when offered by either party on the issue of consent in any prosecution for an offense specified in paragraph (1), unless the evidence is determined by the court to be relevant and admissible in the interests of justice. The proponent of the evidence shall make an offer of proof outside the hearing of the jury. The court shall then make its determination and at that time, state the reasons for its ruling on the record. For the purposes of this paragraph, “manner of dress” does not include the condition of the victim’s clothing before, during, or after the commission of the offense.

(3) Paragraph (1) shall not be applicable to evidence of the complaining witness’ sexual conduct with the defendant.

(4) If the prosecutor introduces evidence, including testimony of a witness, or the complaining witness as a witness gives testimony, and that evidence or testimony relates to the complaining witness’ sexual conduct, the defendant may cross-examine the witness who gives the testimony and offer relevant evidence limited specifically to the rebuttal of the evidence introduced by the prosecutor or given by the complaining witness.

(5) Nothing in this subdivision shall be construed to make inadmissible any evidence offered to attack the credibility of the complaining witness as provided in Section 782.

(6) As used in this section, “complaining witness” means the alleged victim of the crime charged, the prosecution of which is subject to this subdivision.

1104. Except as provided in Sections 1102 and 1103, evidence of a trait of a person’s character with respect to care or skill is inadmissible to prove the quality of his conduct on a specified occasion.

1105. Any otherwise admissible evidence of habit or custom is admissible to prove conduct on a specified occasion in conformity with the habit or custom.

1106. (a) In any civil action alleging conduct which constitutes sexual harassment, sexual assault, or sexual battery, opinion evidence, reputation evidence, and evidence of specific instances of plaintiff’s sexual conduct, or any of such evidence, is not admissible by the defendant in order to prove consent by the plaintiff or the absence of injury to the plaintiff, unless the injury al-
leged by the plaintiff is in the nature of loss of consortium.

(b) Subdivision (a) shall not be applicable to evidence of the plaintiff’s sexual conduct with the alleged perpetrator.

(c) If the plaintiff introduces evidence, including testimony of a witness, or the plaintiff as a witness gives testimony, and the evidence or testimony relates to the plaintiff’s sexual conduct, the defendant may cross-examine the witness who gives the testimony and offer relevant evidence limited specifically to the rebuttal of the evidence introduced by the plaintiff or given by the plaintiff.

(d) Nothing in this section shall be construed to make inadmissible any evidence offered to attack the credibility of the plaintiff as provided in Section 783.

1107. (a) In a criminal action, expert testimony is admissible by either the prosecution or the defense regarding intimate partner battering and its effects, including the nature and effect of physical, emotional, or mental abuse on the beliefs, perceptions, or behavior of victims of domestic violence, except when offered against a criminal defendant to prove the occurrence of the act or acts of abuse which form the basis of the criminal charge.

(b) The foundation shall be sufficient for admission of this expert testimony if the proponent of the evidence establishes its relevancy and the proper qualifications of the expert witness. Expert opinion testimony on intimate partner battering and its effects shall not be considered a new scientific technique whose reliability is unproven.

(c) For purposes of this section, “abuse” is defined in Section 6203 of the Family Code, and “domestic violence” is defined in Section 6211 of the Family Code and may include acts defined in Section 242, subdivision (e) of Section 243, Section 262, 273.5, 273.6, 422, or 653m of the Penal Code.

(d) This section is intended as a rule of evidence only and no substantive change affecting the Penal Code is intended.

(e) This section shall be known, and may be cited, as the Expert Witness Testimony on Intimate Partner Battering and Its Effects Section of the Evidence Code.

(f) The changes in this section that become effective on January 1, 2005, are not intended to impact any existing decisional law regarding this section, and that decisional law should apply equally to this section as it refers to “intimate partner battering and its effects” in place of “battered women’s syndrome.”

1108. (a) In a criminal action in which the defendant is accused of a sexual offense, evidence of the defendant’s commission of another sexual offense or offenses is not made inadmissible by Section 1101, if the evidence is not inadmissible pursuant to Section 352.

(b) In an action in which evidence is to be offered under this section, the people shall disclose the evidence to the defendant, including statements of witnesses or a summary of the substance of any testimony that is expected to be offered in compliance with the provisions of Section 1054.7 of the Penal Code.

(c) This section shall not be construed to limit the admission or consideration of evidence under any other section of this code.

(d) As used in this section, the following definitions shall apply:

(1) “Sexual offense” means a crime under the law of a state or of the United States that involved any of the following:

(A) Any conduct proscribed by Section 243.4, 261, 261.5, 262, 264.1, 266c, 269, 286, 288, 288a, 288.2, 288.5, or 289, or subdivision (b), (c), or (d) of Section 311.2 or Section 311.3, 311.4, 311.10, 311.11, 314, or 647.6, of the Penal Code.

(B) Any conduct proscribed by Section 220 of the Penal Code, except assault with intent to commit mayhem.

(C) Contact, without consent, between any part of the defendant’s body or an object and the genitals or anus of another person.

(D) Contact, without consent, between the genitals or anus of the defendant and any part of another person’s body.

(E) Deriving sexual pleasure or gratification from the infliction of death, bodily injury, or physical pain on another person.

(F) An attempt or conspiracy to engage in conduct described in this paragraph.

(2) “Consent” shall have the same meaning as provided in Section 261.6 of the Penal Code, except that it does not include consent which is legally ineffective because of the age, mental disorder, or developmental or physical disability of the victim.

1109. (a) (1) Except as provided in subdivision (e) or (f), in a criminal action in which the defendant is accused of an offense involving domestic violence, evidence of the defendant’s commission of other domestic violence is not made inadmissible by Section 1101 if the evidence is not inadmissible pursuant to Section 352.

(2) Except as provided in subdivision (e) or (f), in a criminal action in which the defendant is accused of an offense involving abuse of an elder or dependent person, evidence of the defendant’s commission of other abuse of an elder or dependent person is not made inadmissible by Section 1101 if the evidence is not inadmissible pursuant to Section 352.

(3) Except as provided in subdivision (e) or (f) and subject to a hearing conducted pursuant to Section 352, which shall include consideration of any corroborating and remoteness in time, in a criminal action in which the defendant is accused of an offense involving child abuse, evidence of the defendant’s commission of child abuse is not made inadmissible by Section 1101 if the evidence is not inadmissible pursuant to Section 352.
Nothing in this paragraph prohibits or limits the admission of evidence pursuant to subdivision (b) of Section 1101.

(b) In an action in which evidence is to be offered under this section, the people shall disclose the evidence to the defendant, including statements of witnesses or a summary of the substance of any testimony that is expected to be offered, in compliance with the provisions of Section 1054.7 of the Penal Code.

(c) This section shall not be construed to limit or preclude the admission or consideration of evidence under any other statute or case law.

(d) As used in this section:

(1) “Abuse of an elder or dependent person” means physical or sexual abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment that results in physical harm, pain, or mental suffering, the deprivation of care by a caregiver, or other deprivation by a custodian or provider of goods or services that are necessary to avoid physical harm or mental suffering.

(2) “Child abuse” means an act proscribed by Section 273d of the Penal Code.

(3) “Domestic violence” has the meaning set forth in Section 13700 of the Penal Code. Subject to a hearing conducted pursuant to Section 352, which shall include consideration of any corroboration and remoteness in time, “domestic violence” has the further meaning as set forth in Section 6211 of the Family Code, if the act occurred no more than five years before the charged offense.

(e) Evidence of acts occurring more than 10 years before the charged offense is inadmissible under this section, unless the court determines that the admission of this evidence is in the interest of justice.

(f) Evidence of the findings and determinations of administrative agencies regulating the conduct of health facilities licensed under Section 1250 of the Health and Safety Code is inadmissible under this section.

CHAPTER 2. MEDIATION

1115. For purposes of this chapter:

(a) “Mediation” means a process in which a neutral person or persons facilitate communication between the disputants to assist them in reaching a mutually acceptable agreement.

(d) The recording is reduced to writing and the writing is signed by the parties within 72 hours after it is recorded.

1119. Except as otherwise provided in this chapter:

(a) No evidence of anything said or any admission made for the purpose of, in the course of, or pursuant to, a mediation or a mediation consultation is admissible or subject to discovery, and disclosure of the evidence shall not be compelled, in any arbitration, administrative adjudication, civil action, or other noncriminal proceeding in which, pursuant to law, testimony can be compelled to be given.

(b) No writing, as defined in Section 250, that is prepared for the purpose of, in the course of, or pursuant to, a mediation or a mediation consultation, is admissible or subject to discovery, and disclosure of the writing shall not be compelled, in any arbitration, administrative adjudication, civil action, or other noncriminal proceeding in which, pursuant to law, testimony can be compelled to be given.

(c) All communications, negotiations, or settlement discussions by and between participants in the course of a mediation or a mediation consultation shall remain confidential.

1120. (a) Evidence otherwise admissible or subject to discovery outside of a mediation or a mediation consultation shall not be or
become inadmissible or protected from disclosure solely by reason of its introduction or use in a mediation or a mediation consultation.

(b) This chapter does not limit any of the following:
   (1) The admissibility of an agreement to mediate a dispute.
   (2) The effect of an agreement not to take a default or an agreement to extend the time within which to act or refrain from acting in a pending civil action.
   (3) Disclosure of the mere fact that a mediator has served, is serving, will serve, or was contacted about serving as a mediator in a dispute.

1121. Neither a mediator nor anyone else may submit to a court or other adjudicative body, and a court or other adjudicative body may not consider, any report, assessment, evaluation, recommendation, or finding of any kind by the mediator concerning a mediation conducted by the mediator, other than a report that is mandated by court rule or other law and that states only whether an agreement was reached, unless all parties to the mediation expressly agree otherwise in writing, or orally in accordance with Section 1118.

1122. (a) A communication or a writing, as defined in Section 250, that is made or prepared for the purpose of, or in the course of, or pursuant to, a mediation or a mediation consultation, is not made inadmissible, or protected from disclosure, by provisions of this chapter if either of the following conditions is satisfied:

   (2) The communication, document, or writing was prepared by or on behalf of fewer than all the mediation participants, those participants expressly agree in writing, or orally in accordance with Section 1118, to its disclosure, and the communication, document, or writing does not disclose anything said or done or any admission made in the course of the mediation.
   (b) For purposes of subdivision (a), if the neutral person who conducts a mediation expressly agrees to disclosure, that agreement also binds any other person described in subdivision (b) of Section 1115.

1123. A written settlement agreement prepared in the course of, or pursuant to, a mediation, is not made inadmissible, or protected from disclosure, by provisions of this chapter if the agreement is signed by the settling parties and any of the following conditions are satisfied:

   (b) The agreement provides that it is enforceable or binding or words to that effect.
   (c) All parties to the agreement expressly agree in writing, or orally in accordance with Section 1118, to its disclosure.
   (d) The agreement is used to show fraud, duress, or illegality that is relevant to an issue in dispute.

1124. An oral agreement made in the course of, or pursuant to, a mediation is not made inadmissible, or protected from disclosure, by the provisions of this chapter if any of the following conditions are satisfied:

   (c) The agreement is in accordance with subdivisions (a), (b), and (d) of Section 1118, and the agreement is used to show fraud, duress, or illegality that is relevant to an issue in dispute.

1125. (a) For purposes of confidentiality under this chapter, a mediation ends when any one of the following conditions is satisfied:
   (1) The parties execute a written settlement agreement that fully resolves the dispute.
   (2) An oral agreement that fully resolves the dispute is reached in accordance with Section 1118.
   (3) The mediator provides the mediation participants with a writing signed by the mediator that states that the mediation is terminated, or words to that effect, which shall be consistent with Section 1121.
   (4) A party provides the mediator and the other mediation participants with a writing stating that the mediation is terminated, or words to that effect, which shall be consistent with Section 1121. In a mediation involving more than two parties, the mediation may continue as to the remaining parties or be terminated in accordance with this section.
   (5) For 10 calendar days, there is no communication between the mediator and any of the parties to the mediation relating to the dispute. The mediator and the parties may shorten or extend this time by agreement.
   (b) For purposes of confidentiality under this chapter, if a mediation partially resolves a dispute, mediation ends when either of the following conditions is satisfied:
      (1) The parties execute a written settlement agreement that partially resolves the dispute.
      (2) An oral agreement that partially resolves the dispute is reached in accordance with Section 1118.
   (c) This section does not preclude a party from ending a mediation without reaching an agreement. This section does not other-
wise affect the extent to which a party may terminate a mediation.

1126. Anything said, any admission made, or any writing that is inadmissible, protected from disclosure, and confidential under this chapter before a mediation ends, shall remain inadmissible, protected from disclosure, and confidential to the same extent after the mediation ends.

1127. If a person subpoenas or otherwise seeks to compel a mediator to testify or produce a writing, as defined in Section 250, and the court or other adjudicative body determines that the testimony or writing is inadmissible under this chapter, or protected from disclosure under this chapter, the court or adjudicative body making the determination shall award reasonable attorney’s fees and costs to the mediator against the person seeking the testimony or writing.

1128. Any reference to a mediation during any subsequent trial is an irregularity in the proceedings of the trial for the purposes of Section 657 of the Code of Civil Procedure. Any reference to a mediation during any other subsequent noncriminal proceeding is grounds for vacating or modifying the decision in that proceeding, in whole or in part, and granting a new or further hearing on all or part of the issues, if the reference materially affected the substantial rights of the party requesting relief.

CHAPTER 3. OTHER EVIDENCE AFFECTED OR EXCLUDED BY EXTRINSIC POLICIES

1150. (a) Upon an inquiry as to the validity of a verdict, any otherwise admissible evidence may be received as to statements made, or conduct, conditions, or events occurring, either within or without the jury room, of such a character as is likely to have influenced the verdict improperly. No evidence is admissible to show the effect of such statement, conduct, condition, or event upon a juror either in influencing him to assent to or dissent from the verdict or concerning the mental processes by which it was determined.

(b) Nothing in this code affects the law relating to the competence of a juror to give evidence to impeach or support a verdict.

1151. When, after the occurrence of an event, remedial or precautionary measures are taken, which, if taken previously, would have tended to make the event less likely to occur, evidence of such subsequent measures is inadmissible to prove negligence or culpable conduct in connection with the event.

1152. (a) Evidence that a person has, in compromise or from humanitarian motives, furnished or offered or promised to furnish money or any other thing, act, or service to another who has sustained or will sustain or claims that he or she has sustained or will sustain loss or damage, as well as any conduct or statements made in negotiation thereof, is inadmissible to prove his or her liability for the loss or damage or any part of it.

(b) In the event that evidence of an offer to compromise is admitted in an action for breach of the covenant of good faith and fair dealing or violation of subdivision (h) of Section 790.03 of the Insurance Code, then at the request of the party against whom the evidence is admitted, or at the request of the party who made the offer to compromise that was admitted, evidence relating to any other offer or counteroffer to compromise the same or substantially the same claimed loss or damage shall also be admissible for the same purpose as the initial evidence regarding settlement. Other than as may be admitted in an action for breach of the covenant of good faith and fair dealing or violation of subdivision (h) of Section 790.03 of the Insurance Code, evidence of settlement offers shall not be admitted in a motion for a new trial, in any proceeding involving an additur or remittitur, or on appeal.

(c) This section does not affect the admissibility of evidence of any of the following:

(1) Partial satisfaction of an asserted claim or demand without questioning its validity when such evidence is offered to prove the validity of the claim.

1153.5. Evidence of an offer for civil resolution of a criminal matter pursuant to the provisions of Section 33 of the Code of Civil Procedure, or admissions made in the course of or negotiations for the offer shall not be admissible in any action.

1154. Evidence that a person has accepted or offered or promised to accept a sum of money or any other thing, act, or service in satisfaction of a claim, as well as any conduct or statements made in negotiation thereof, is inadmissible to prove the invalidity of the claim or any part of it.

1155. Evidence that a person was, at the time a harm was suffered by another, insured wholly or partially against loss arising from liability for that harm is inadmissible to prove negligence or other wrongdoing.

1156. (a) In-hospital medical or medical-dental staff committees of a licensed hospital may engage in research and medical or dental study for the purpose of reduc-
ing morbidity or mortality, and may make findings and recommendations relating to such purpose. Except as provided in subdivision (b), the written records of interviews, reports, statements, or memoranda of such in-hospital medical or medical-dental staff committees relating to such medical or dental studies are subject to Title 4 (commencing with Section 2016.010) of Part 4 of the Code of Civil Procedure (relating to discovery proceedings) but, subject to subdivisions (c) and (d), shall not be admitted as evidence in any action or before any administrative body, agency, or person.

(b) The disclosure, with or without the consent of the patient, of information concerning him to such in-hospital medical or medical-dental staff committee does not make unprivileged any information that would otherwise be privileged under Section 994 or 1014; but, notwithstanding Sections 994 and 1014, such information is subject to discovery under subdivision (a) except that the identity of any patient may not be discovered under subdivision (a) unless the patient consents to such disclosure.

(c) This section does not affect the admissibility in evidence of the original medical or dental records of any patient.

(d) This section does not exclude evidence which is relevant evidence in a criminal action.

1156.1. (a) A committee established in compliance with Sections 4070 and 5624 of the Welfare and Institutions Code may engage in research and medical or psychiatric study for the purpose of reducing morbidity or mortality, and may make findings and recommendations to the county and state relating to such purpose. Except as provided in subdivision (b), the written records of interviews, reports, statements, or memoranda of such committees relating to such medical or psychiatric studies are subject to Title 4 (commencing with Section 2016.010) of Part 4 of the Code of Civil Procedure but, subject to subdivisions (c) and (d), shall not be admitted as evidence in any action or before any administrative body, agency, or person.

(b) The disclosure, with or without the consent of the patient, of information concerning him or her to such committee does not make unprivileged any information that would otherwise be privileged under Section 994 or 1014. However, notwithstanding Sections 994 and 1014, such information is subject to discovery under subdivision (a) except that the identity of any patient may not be discovered under subdivision (a) unless the patient consents to such disclosure.

(c) This section does not affect the admissibility in evidence of the original medical or psychiatric records of any patient.

(d) This section does not exclude evidence which is relevant evidence in a criminal action.

(a) Neither the proceedings nor the records of organized committees of medical, medical-dental, podiatric, registered dietitian, psychological, marriage and family therapist, licensed clinical social worker, professional clinical counselor, or veterinary staffs in hospitals, or of a peer review body, as defined in Section 805 of the Business and Professions Code, having the responsibility of evaluation and improvement of the quality of care rendered in the hospital, or for that peer review body, or medical or dental review or dental hygienist review or chiropractic review or podiatric review or registered dietitian review or veterinary review or acupuncturist review committees of local medical, dental, dental hygienist, podiatric, dietetic, veterinary, acupuncture, or chiropractic societies, marriage and family therapist, licensed clinical social worker, professional clinical counselor, or psychological review committees of state or local marriage and family therapist, state or local licensed clinical social worker, state or local licensed professional clinical counselor, or state or local psychological associations or societies having the responsibility of evaluation and improvement of the quality of care, shall be subject to discovery.

(b) Except as hereinafter provided, no person in attendance at a meeting of any of those committees shall be required to testify as to what transpired at that meeting.

(c) The prohibition relating to discovery or testimony does not apply to the statements made by any person in attendance at a meeting of any of those committees who is a party to an action or proceeding the subject matter of which was reviewed at that meeting, or to any person requesting hospital staff privileges, or in any action against an insurance carrier alleging bad faith by the carrier in refusing to accept a settlement offer within the policy limits.

(d) The prohibitions in this section do not apply to medical, dental, dental hygienist, podiatric, dietetic, psychological, marriage and family therapist, licensed clinical social worker, professional clinical counselor, veterinary, acupuncture, or chiropractic society committees that exceed 10 percent of the membership of the society, nor to any of those committees if any person serves upon the committee when his or her own conduct or practice is being reviewed.

(e) The amendments made to this section by Chapter 1081 of the Statutes of 1983, or at the 1985 portion of the 1985-86 Regular Session of the Legislature, at the 1990 portion of the 1989-90 Regular Session of the Legislature, at the 2000 portion of the 1999-2000 Regular Session of the Legislature, or at the 2011 portion of the 2011-12 Regular Session of the Legislature, do not exclude the discovery or use of relevant evidence in a criminal action.

1157.5. Except in actions involving a claim of a provider of health care services
for payment for such services, the prohibition relating to discovery or testimony provided by Section 1157 shall be applicable to the proceedings or records of an organized committee of any nonprofit medical care foundation or professional standards review organization which is organized in a manner which makes available professional competence to review health care services with respect to medical necessity, quality of care, or economic justification of charges or level of care.

The presentation of the authorization by the agent on behalf of the attorney shall be sufficient proof that the agent is the attorney's representative.

Failure to make the records available, during business hours, within five days after the presentation of the written authorization, may subject the person or entity having custody or control of the records to liability for all reasonable expenses, including attorney's fees, incurred in any proceeding to enforce this section.

DIVISION 10. HEARSAY EVIDENCE

CHAPTER 1. GENERAL PROVISIONS

1200. (a) “Hearsay evidence” is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter stated.

(b) Except as provided by law, hearsay evidence is inadmissible.

(c) This section shall be known and may be cited as the hearsay rule.

1201. A statement within the scope of an exception to the hearsay rule is not inadmissible on the ground that the evidence of such statement is hearsay evidence if such hearsay evidence consists of one or more statements each of which meets the requirements of an exception to the hearsay rule.

1202. Evidence of a statement or other conduct by a declarant that is inconsistent with a statement by such declarant received in evidence as hearsay evidence is not inadmissible for the purpose of attacking the credibility of the declarant though he is not given and has not had an opportunity to explain or to deny such inconsistent statement or other conduct. Any other evidence offered to attack or support the credibility of the declarant is admissible if it would have been admissible had the declarant been a witness at the hearing. For the purposes of this section, the deponent of a deposition taken in the action in which it is offered shall be deemed to be a hearsay declarant.

1203. (a) The declarant of a statement that is admitted as hearsay evidence may be called and examined by any adverse party as if under cross-examination concerning the statement.

(b) This section is not applicable if the declarant is (1) a party, (2) a person identified with a party within the meaning of subdivision (d) of Section 776, or (3) a witness who has testified in the action concerning the subject matter of the statement.

1204. A statement that is otherwise admissible as hearsay evidence is inadmissible against the defendant in a criminal action if the statement was made, either by the defendant or by another, under such circumstances that it is inadmissible against the defendant under the Constitution of the United States or the State of California.

1205. Nothing in this division shall be construed to repeal by implication any other statute relating to hearsay evidence.

CHAPTER 2. EXCEPTIONS TO THE HEARSAY RULE

Article 1. Confessions and Admissions

1220. Evidence of a statement is not made inadmissible by the hearsay rule when offered against the declarant in an action to which he is a party in either his individual or representative capacity, regardless of whether the statement was made in his individual or representative capacity.
1221. Evidence of a statement offered against a party is not made inadmissible by the hearsay rule if the statement is one of which the party, with knowledge of the contents thereof, has by words or other conduct manifested his adoption or his belief in its truth.

1222. Evidence of a statement offered against a party is not made inadmissible by the hearsay rule if:

(a) The statement was made by a person authorized by the party to make a statement or statements for him concerning the subject matter of the statement; and

(b) The evidence is offered either after admission of evidence sufficient to sustain a finding of such authority or, in the court’s discretion as to the order of proof, subject to the admission of such evidence.

1223. Evidence of a statement offered against a party is not made inadmissible by the hearsay rule if:

(a) The statement was made by the declarant while participating in a conspiracy to commit a crime or civil wrong and in furtherance of the objective of that conspiracy;

(b) The statement was made prior to or during the time that the party was participating in that conspiracy; and

(c) The evidence is offered either after admission of evidence sufficient to sustain a finding of the facts specified in subdivisions (a) and (b) or, in the court’s discretion as to the order of proof, subject to the admission of such evidence.

1224. When the liability, obligation, or duty of a party to a civil action is based in whole or in part upon the liability, obligation, or duty of the declarant, or when the claim or right asserted by a party to a civil action is barred or diminished by a breach of duty by the declarant, evidence of a statement made by the declarant is as admissible against the party as it would be if offered against the declarant in an action involving that liability, obligation, duty, or breach of duty.

1225. When a right, title, or interest in any property or claim asserted by a party to a civil action requires a determination that a right, title, or interest exists or existed in the declarant, evidence of a statement made by the declarant during the time the party now claims the declarant was the holder of the right, title, or interest is as admissible against the party as it would be if offered against the declarant in an action involving that right, title, or interest.

1226. Evidence of a statement by a minor child is not made inadmissible by the hearsay rule if offered against the plaintiff in an action for wrongful death brought under Section 377 of the Code of Civil Procedure.

1228. Notwithstanding any other provision of law, for the purpose of establishing the elements of the crime in order to admit as evidence the confession of a person accused of violating Section 261, 264.1, 285, 286, 288, 288a, 289, or 647a of the Penal Code, a court, in its discretion, may determine that a statement of the complaining witness is not made inadmissible by the hearsay rule if it finds all of the following:

(a) The statement was made by a minor child under the age of 12, and the contents of the statement were included in a written report of a law enforcement official or an employee of a county welfare department.

(b) The statement describes the minor child as a victim of sexual abuse.

(c) The statement was made prior to the defendant's confession. The court shall view with caution the testimony of a person recounting hearsay where there is evidence of personal bias or prejudice.

(d) There are no circumstances, such as significant inconsistencies between the confession and the statement concerning material facts establishing any element of the crime or the identification of the defendant that would render the statement unreliable.

(e) The minor child is found to be unavailable pursuant to paragraph (2) or (3) of subdivision (a) of Section 240 or refuses to testify.

(f) The confession was memorialized in a trustworthy fashion by a law enforcement official.

If the prosecution intends to offer a statement of the complaining witness pursuant to this section, the prosecution shall serve a written notice upon the defendant at least 10 days prior to the hearing or trial at which the prosecution intends to offer the statement.

If the statement is offered during trial, the court’s determination shall be made out of the presence of the jury. If the statement is found to be admissible pursuant to this section, it shall be admitted out of the presence of the jury and solely for the purpose of determining the admissibility of the confession of the defendant.

1228.1. (a) Except as provided in subdivision (b), neither the signature of any parent or legal guardian on a child welfare services case plan nor the acceptance of any services prescribed in the child welfare services case plan by any parent or legal guardian shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law.

(b) A parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used as evidence, if relevant, in any hearing held pursuant to
Section 366.21, 366.22, or 388 of the Welfare and Institutions Code and at any jurisdictional or dispositional hearing held on a petition filed pursuant to Section 300, 342, or 387 of the Welfare and Institutions Code.

**Article 2. Declarations Against Interest**

**1230.** Evidence of a statement by a declarant having sufficient knowledge of the subject is not made inadmissible by the hearsay rule if the declarant is unavailable as a witness and the statement, when made, was so far contrary to the declarant’s pecuniary or proprietary interest, or so far subjected him to the risk of civil or criminal liability, or so far tended to render invalid a claim by him to the risk of civil or criminal liability, or so far subjected him to natural causes.

**Article 2.5. Sworn Statements Regarding Gang-Related Crimes**

**1231.** Evidence of a prior statement made by a declarant is not made inadmissible by the hearsay rule if the declarant is deceased and the proponent of introducing the statement establishes each of the following:

1. Whether the statement was made in contemplation of a pending or anticipated criminal or civil matter, in which the declarant had an interest, other than as a witness.

2. Whether the declarant had a bias or motive for fabricating the statement, and the extent of any bias or motive.

3. Whether the statement is corroborated by evidence other than statements that are admissible only pursuant to this section.

4. Whether the statement was a statement against the declarant’s interest.

**1231.1.** A statement is admissible pursuant to Section 1231 only if the proponent of the statement makes known to the adverse party the intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the adverse party with a fair opportunity to prepare to meet the statement.

**1231.2.** A peace officer may administer and certify oaths for purposes of this article.

**1231.3.** Any law enforcement officer testifying as to any hearsay statement pursuant to this article shall either have five years of law enforcement experience or have completed a training course certified by the Commission on Peace Officer Standards and Training which includes training in the investigation and reporting of cases and testifying at preliminary hearings and trials.

1. Was made at a time when the fact recorded in the writing actually occurred or was fresh in the witness’ memory;

2. Was made (i) by the witness himself or under his direction or (ii) by some other person for the purpose of recording the witness’ statement at the time it was made;

3. Is offered after the witness testifies that the statement he made was a true statement of such fact; and

4. Is offered after the writing is authenticated as an accurate record of the statement.

(b) The writing may be read into evidence, but the writing itself may not be received in evidence unless offered by an adverse party.

**1238.** Evidence of a statement previously...
made by a witness is not made inadmissible by the hearsay rule if the statement would have been admissible if made by him while testifying and:

2. The evidence is offered to prove or explain acts or conduct of the declarant.

(b) This section does not make admissible evidence of a statement of memory or belief to prove the fact remembered or believed.

(1) The declarant was related to the other by blood or marriage; or
(2) The declarant was otherwise so intimately associated with the other’s family as to be likely to have had accurate information concerning the matter declared and made the statement (i) upon information received from the other or from a person related by blood or marriage to the other or (ii) upon repute in the other’s family.

1313. Evidence of reputation among members of a family is not made inadmissible by the hearsay rule if the reputation concerns the birth, marriage, divorce, death, parent and child relationship, race, ancestry, relationship by blood or marriage, or other similar fact of the family history of a member of the family by blood or marriage.

1314. Evidence of reputation in a community concerning the date or fact of birth, marriage, divorce, or death of a person resident in the community at the time of the reputation is not made inadmissible by the hearsay rule.

1322. Evidence of reputation in a community is not made inadmissible by the hearsay rule if the reputation concerns boundaries of, or customs affecting, land in the community and the reputation arose before controversy.

1323. Evidence of a statement concerning the boundary of land is not made inadmissible as a witness and had sufficient knowledge of the subject, but evidence of a statement is not admissible under this section if the statement was made under circumstances such as to indicate its lack of trustworthiness.

1324. Evidence of a person’s general reputation with reference to his character or a trait of his character at a relevant time in the community in which he then resided or in a group with which he then habitually associated is not made inadmissible by the hearsay rule.

1330. Evidence of a statement contained in a deed of conveyance or a will or other writing purporting to affect an interest in real or personal property is not made inadmissible by the hearsay rule if:
(a) The matter stated was relevant to the purpose of the writing;
(b) The matter stated would be relevant to an issue as to an interest in the property; and
(c) The dealings with the property since the statement was made have not been inconsistent with the truth of the statement.

1331. Evidence of a statement is not made inadmissible by the hearsay rule if the statement is contained in a writing more than 30 years old and the statement has been since generally acted upon as true by persons having an interest in the matter.

Article 15. Declarant Unavailable as Witness

1350. (a) In a criminal proceeding charging a serious felony, evidence of a statement made by a declarant is not made inadmissible by the hearsay rule if the declarant is unavailable as a witness, and all of the following are true:
(1) There is clear and convincing evidence that the declarant’s unavailability was knowingly caused by, aided by, or solicited by the party against whom the statement is offered for the purpose of preventing the arrest or prosecution of the party and is the result of the death by homicide or the kidnapping of the declarant.
(2) There is no evidence that the unavailability of the declarant was caused by, aided by, solicited by, or procured on behalf of, the party who is offering the statement.
(3) The statement has been memorialized in a tape recording made by a law enforcement official, or in a written statement prepared by a law enforcement official and signed by the declarant and notarized in the presence of the law enforcement official, or to the death or kidnapping of the declarant.
(4) The statement was made under circumstances which indicate its trustworthiness and was not the result of promise, inducement, threat, or coercion.
(5) The statement is relevant to the issues to be tried.
(6) The statement is corroborated by other evidence which tends to connect the party against whom the statement is offered with the commission of the serious felony with which the party is charged. The corroboration is not sufficient if it merely shows the commission of the offense or the circumstances thereof.
(b) If the prosecution intends to offer a statement pursuant to this section, the prosecution shall serve a written notice upon the defendant at least 10 days prior to the hearing or trial at which the prosecution intends to offer the statement, unless the prosecution shows good cause for the failure to provide that notice. In the event that good cause is shown, the defendant shall be entitled to a reasonable continuance of the hearing or trial.
(c) If the statement is offered during trial, the court’s determination shall be made out of the presence of the jury. If the defendant elects to testify at the hearing on a motion brought pursuant to this section, the court shall exclude from the examination every person except the clerk, the court reporter, the bailiff, the prosecutor, the investigating officer, the defendant and his or her counsel, an investigator for the defendant, and the officer having custody of the defendant. Notwithstanding any other provision of law, the defendant’s testimony at the hearing shall not be admissible in any other proceeding except the hearing brought on the motion pursuant to this section. If a transcript is made of the defendant’s testimony, it shall be sealed and transmitted to the clerk of the court in which the action is pending.
(d) As used in this section, “serious felony” means any of the felonies listed in subdivision (c) of Section 1192.7 of the Penal Code or any violation of Section 11351, 11352, 11378, or 11379 of the Health and Safety Code.
(e) If a statement to be admitted pursuant to this section includes hearsay statements made by anyone other than the declarant who is unavailable pursuant to subdivision (a), those hearsay statements are inadmissible unless they meet the requirements of an exception to the hearsay rule.

Article 16. Statements by Children Under the Age of 12 in Child Neglect and Abuse Proceedings

1360. (a) In a criminal prosecution where the victim is a minor, a statement made by the victim when under the age of 12 describing any act of child abuse or neglect per-
formed with or on the child by another, or
describing any attempted act of child abuse
or neglect with or on the child by another, is
not made inadmissible by the hearsay rule if
all of the following apply:

(1) The statement is not otherwise admiss-
ible by statute or court rule.

(2) The court finds, in a hearing con-
ducted outside the presence of the jury, that
the time, content, and circumstances of the
statement provide sufficient indicia of reli-
bility.

(3) The child either:
(A) Testifies at the proceedings.
(B) Is unavailable as a witness, in which
case the statement may be admitted only if
there is evidence of the child abuse or neglect
that corroborates the statement made by the
child.
(b) A statement may not be admitted un-
der this section unless the proponent of the
statement makes known to the adverse par-
ty the intention to offer the statement and
the particulars of the statement sufficiently
in advance of the proceedings in order to pro-
vide the adverse party with a fair opportuni-
ty to prepare to meet the statement.
(c) For purposes of this section, “child
abuse” means an act proscribed by Section
273a, 273d, or 288.5 of the Penal Code, or
abuse” means an act proscribed by Section
240, and all of the following are true:

(1) The party offering the statement has
made a showing of particularized guar-
antees of trustworthiness regarding the
statement, the statement was made under
circumstances that indicate its trust-
worthiness, and the statement was not the
result of promise, inducement, threat, or
coercion. In making its determination, the
court may consider only the circumstances
that surround the making of the statement
and that render the declarant particularly
worthy of belief.

(2) There is no evidence that the unavail-
ability of the declarant was caused by, aided
by, solicited by, or procured on behalf of, the
party who is offering the statement.

(3) The entire statement has been memoi-
rized in a videotape recording made by a
law enforcement official, prior to the death
or disabling of the declarant.

(4) The statement was made by the victim
of the alleged violation.

(5) The statement is supported by corrob-
orative evidence.

(6) The victim of the alleged violation is
an individual who meets both of the follow-
wing requirements:
(A) Was 65 years of age or older or was a
dependent adult when the alleged violation
or attempted violation occurred.

(B) At the time of any criminal proceed-
ing, including, but not limited to, a prelimi-
nary hearing or trial, regarding the alleged
violation or attempted violation, is either
deceased or suffers from the infirmities of
aging as manifested by advanced age or or-
ganic brain damage, or other physical, men-
tal, or emotional dysfunction, to the extent
that the ability of the person to provide ade-
quately for the person’s own care or protec-
tion is impaired.

(b) If the prosecution intends to offer a
statement pursuant to this section, the pros-
ection shall serve a written notice upon the
defendant at least 10 days prior to the hear-
ing or trial at which the prosecution intends

Article 17. Physical Abuse

1380. (a) In a criminal proceeding
charging a violation, or attempted violation,
of Section 368 of the Penal Code, evidence
of a statement made by a declarant is not
made inadmissible by the hearsay rule if the
declarant is unavailable as a witness, as de-
fined in subdivisions (a) and (b) of Section
240, and all of the following are true:

(1) The party offering the statement has
made a showing of particularized guar-
antees of trustworthiness regarding the
statement, the statement was made under
circumstances that indicate its trust-
worthiness, and the statement was not the
result of promise, inducement, threat, or
coercion. In making its determination, the
court may consider only the circumstances
that surround the making of the statement
and that render the declarant particularly
worthy of belief.

(2) There is no evidence that the unavail-
ability of the declarant was caused by, aided
by, solicited by, or procured on behalf of, the
party who is offering the statement.

(3) The entire statement has been memoi-
rized in a videotape recording made by a
law enforcement official, prior to the death
or disabling of the declarant.

(4) The statement was made by the victim
of the alleged violation.

(5) The statement is supported by corrob-
orative evidence.

(6) The victim of the alleged violation is
an individual who meets both of the follow-

1386
to offer the statement, unless the prosecution shows good cause for the failure to provide that notice. In the event that good cause is shown, the defendant shall be entitled to a reasonable continuance of the hearing or trial.

(c) If the statement is offered during trial, the court’s determination as to the availability of the victim as a witness shall be made out of the presence of the jury. If the defendant elects to testify at the hearing on a motion brought pursuant to this section, the court shall exclude from the examination of the un-confronted hearsay statement of the declarant, and shall be supported by independent corroborative evidence. The foundational hearing shall be conducted outside the presence of the jury. However, if the hearing is conducted after a jury trial has begun, the judge presiding at the hearing may consider evidence already presented to the jury in deciding whether the elements of subdivision (a) have been met.

(4) In deciding whether or not to admit the statement, the judge may take into account whether it is trustworthy and reliable.

(c) This section shall apply to any civil, criminal, or juvenile case or proceeding initiated or pending as of January 1, 2011.

(d) This section shall remain in effect only until January 1, 2016, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2016, deletes or extends that date. If this section is repealed, the fact that it is repealed, should it occur, shall not be deemed to give rise to any ground for an appeal or a post-verdict challenge based on its use in a criminal or juvenile case or proceeding before January 1, 2016.

DIVISION 11. WRITINGS

CHAPTER 1. AUTHENTICATION AND PROOF OF WRITINGS

Article 1. Requirement of Authentication

1400. Authentication of a writing means (a) the introduction of evidence sufficient to sustain a finding that it is the writing that the proponent of the evidence claims it is or (b) the establishment of such facts by any other means provided by law.

1401. (a) Authentication of a writing is required before it may be received in evidence.

(b) Authentication of a writing is required before secondary evidence of its content may be received in evidence.

1402. The party producing a writing as genuine which has been altered, or appears to have been altered, after its execution, in a part material to the question in dispute, must account for the alteration or appearance thereof. He may show that the alteration was made by another, without his concurrence, or was made with the consent of the parties affected by it, or otherwise properly or innocently made, or that the alteration did not change the meaning or language of the instrument. If he does that, he may give the writing in evidence, but not otherwise.

Article 2. Means of Authenticating and Proving Writings

1410. Nothing in this article shall be construed to limit the means by which a writing may be authenticated or proved.

1410.5. (a) For purposes of this chapter, a writing shall include any graffiti consisting of written words, insignia, symbols, or any other markings which convey a particular meaning.

(b) Any writing described in subdivision (a), or any photograph thereof, may be admitted into evidence in an action for vandalism, for the purpose of proving that the writing was made by the defendant.

(c) The admissibility of any fact offered to prove that the writing was made by the defendant shall, upon motion of the defendant, be ruled upon outside the presence of the jury, and is subject to the requirements of Sections 1416, 1417, and 1418.

1411. Except as provided by statute, the testimony of a subscribing witness is not required to authenticate a writing.
1412. If the testimony of a subscribing witness is required by statute to authenticate a writing and the subscribing witness denies or does not recollect the execution of the writing, the writing may be authenticated by other evidence.

1413. A writing may be authenticated by anyone who saw the writing made or executed, including a subscribing witness.

1414. A writing may be authenticated by evidence that:
(a) The party against whom it is offered has at any time admitted its authenticity; or
(b) The writing has been acted upon as authentic by the party against whom it is offered.

1415. A writing may be authenticated by evidence of the genuineness of the handwriting of the maker.

1416. A witness who is not otherwise qualified to testify as an expert may state his opinion whether a writing is in the handwriting of a supposed writer if the court finds that he has personal knowledge of the handwriting of the supposed writer. Such personal knowledge may be acquired from:
(a) Having seen the supposed writer write;
(b) Having seen a writing purporting to be in the handwriting of the supposed writer and upon which the supposed writer has acted or been charged;
(c) Having received letters in the due course of mail purporting to be from the supposed writer in response to letters duly addressed and mailed by him to the supposed writer; or
(d) Any other means of obtaining personal knowledge of the handwriting of the supposed writer.

1417. The genuineness of handwriting, or the lack thereof, may be proved by a comparison made by the trier of fact with handwriting (a) which the court finds was admitted or treated as genuine by the party against whom the evidence is offered or (b) otherwise proved to be genuine to the satisfaction of the court.

1418. The genuineness of writing, or the lack thereof, may be proved by a comparison made by an expert witness with writing (a) which the court finds was admitted or treated as genuine by the party against whom the evidence is offered or (b) otherwise proved to be genuine to the satisfaction of the court.

1419. Where a writing whose genuineness is sought to be proved is more than 30 years old, the comparison under Section 1417 or 1418 may be made with writing purporting to be genuine, and generally respected and acted upon as such, by persons having an interest in knowing whether it is genuine.

1420. A writing may be authenticated by evidence that the writing was received in response to a communication sent to the person who is claimed by the proponent of the evidence to be the author of the writing.

1421. A writing may be authenticated by evidence that the writing refers to or states matters that are unlikely to be known to anyone other than the person who is claimed by the proponent of the evidence to be the author of the writing.

**Article 3. Presumptions Affecting Acknowledged Writings and Official Writings**

1450. The presumptions established by this article are presumptions affecting the burden of producing evidence.

1451. A certificate of the acknowledgment of a writing other than a will, or a certificate of the proof of such a writing, is prima facie evidence of the facts recited in the certificate and the genuineness of the signature of each person by whom the writing purports to have been signed if the certificate meets the requirements of Article 3 (commencing with Section 1180) of Chapter 4, Title 4, Part 4, Division 2 of the Civil Code.

1452. A seal is presumed to be genuine and its use authorized if it purports to be the seal of:
(a) The United States or a department, agency, or public employee of the United States.
(b) A public entity in the United States or a department, agency, or public employee of such public entity.
(c) A nation recognized by the executive power of the United States or a department, agency, or officer of such nation.
(d) A public entity in a nation recognized by the executive power of the United States or a department, agency, or officer of such public entity.
(e) A court of admiralty or maritime jurisdiction.
(f) A notary public within any state of the United States.

1453. A signature is presumed to be genuine and authorized if it purports to be the signature, affixed in his official capacity, of:
(a) A public employee of the United States.
(b) A public employee of any public entity in the United States.
(c) A notary public within any state of the United States.

1454. A signature is presumed to be genuine and authorized if it purports to be the signature, affixed in his official capacity, of an officer, or deputy of an officer, of a nation or public entity in a nation recognized by the executive power of the United States and the writing to which the signature is affixed is accompanied by a final statement certifying the genuineness of the signature and the official position of (a) the person who executed the writing or (b) any foreign official who has certified either the genuineness of the signature and official position of the person executing the writing or the genuineness of
the signature and official position of another foreign official who has executed a similar certificate in a chain of such certificates beginning with a certificate of the genuineness of the signature and official position of the person executing the writing. The final statement may be made only by a secretary of an embassy or legation, consul general, consul, vice consul, consular agent, or other officer in the foreign service of the United States stationed in the nation, authenticated by the seal of his office.

CHAPTER 2. SECONDARY EVIDENCE OF WRITINGS

Article 1. Proof of the Content of a Writing

1520. The content of a writing may be proved by an otherwise admissible original.

1521. (a) The content of a writing may be proved by otherwise admissible secondary evidence. The court shall exclude secondary evidence of the content of writing if the court determines either of the following:

(1) A genuine dispute exists concerning material terms of the writing and justice requires the exclusion.

(2) Admission of the secondary evidence would be unfair.

(b) Nothing in this section makes admissible oral testimony to prove the content of a writing if the testimony is inadmissible under Section 1523 (oral testimony of the content of a writing).

(c) Nothing in this section excuses compliance with Section 1401 (authentication).

(d) This section shall be known as the “Secondary Evidence Rule.”

1522. (a) In addition to the grounds for exclusion authorized by Section 1521, in a criminal action the court shall exclude secondary evidence of the content of a writing if the court determines that the original is in the proponent’s possession, custody, or control, and the proponent has not made the original reasonably available for inspection at or before trial. This section does not apply to any of the following:

(1) A duplicate as defined in Section 260.

(2) A writing that is not closely related to the controlling issues in the action.

(3) A copy of a writing in the custody of a public entity.

(4) A copy of a writing that is recorded in the public records, if the record or a certified copy of it is made evidence of the writing by statute.

(b) In a criminal action, a request to exclude secondary evidence of the content of a writing, under this section or any other law, shall not be made in the presence of the jury.

1523. (a) Except as otherwise provided by statute, oral testimony is not admissible to prove the content of a writing.

(b) Oral testimony of the content of a writing is not made inadmissible by subdivision (a) if the proponent does not have possession or control of a copy of the writing and the original is lost or has been destroyed without fraudulent intent on the part of the proponent of the evidence.

(c) Oral testimony of the content of a writing is not made inadmissible by subdivision (a) if the proponent does not have possession or control of the original or a copy of the writing and either of the following conditions is satisfied:

(1) Neither the writing nor a copy of the writing was reasonably procurable by the proponent by use of the court’s process or by other available means.

(2) The writing is not closely related to the controlling issues and it would be inexpedient to require its production.

(d) Oral testimony of the content of a writing is not made inadmissible by subdivision (a) if the writing consists of numerous accounts or other writings that cannot be examined in court without great loss of time, and the evidence sought from them is only the general result of the whole.

Article 2. Official Writings and Recorded Writings

1530. (a) A purported copy of a writing in the custody of a public entity, or of an entry in such a writing, is prima facie evidence of the existence and content of such writing or entry if:

(1) The copy purports to be published by the authority of the nation or state, or public entity therein in which the writing is kept;

(2) The office in which the writing is kept is within the United States or within the Panama Canal Zone, the Trust Territory of the Pacific Islands, or the Ryukyu Islands, and the copy is attested or certified as a correct copy of the writing or entry by a public employee, or a deputy of a public employee, having the legal custody of the writing; or

(3) The office in which the writing is kept is not within the United States or any other place described in paragraph (2) and the copy is attested as a correct copy of the writing or entry by a person having authority to make attestation. The attestation must be accompanied by a final statement certifying the genuineness of the signature and the official position of (i) the person who attested the copy as a correct copy or (ii) any foreign official who has certified either the genuineness of the signature and official position of the person attesting the copy or the genuineness of the signature and official position of another foreign official who has executed a similar certificate in a chain of such certificates beginning with a certificate of the genuineness of the signature and official position of the person attesting the copy.

Except as provided in the next sentence, the final statement may be made only by a secretary of an embassy or legation, consul gen-
eral, consul, vice consul, or consular agent of the United States, or a diplomatic or consular official of the foreign country assigned or accredited to the United States. Prior to January 1, 1971, the final statement may also be made by a secretary of an embassy or legation, consul general, consul, vice consul, consular agent, or other officer in the foreign service of the United States stationed in the nation in which the writing is kept, authenticated by the seal of his office. If reasonable opportunity has been given to all parties to investigate the authenticity and accuracy of the documents, the court may, for good cause shown, (i) admit an attested copy without the final statement or (ii) permit the writing or entry in foreign custody to be evidenced by an attested summary with or without a final statement.

(b) The presumptions established by this section are presumptions affecting the burden of producing evidence.

1531. For the purpose of evidence, whenever a copy of a writing is attested or certified, the attestation or certificate must state in substance that the copy is a correct copy of the original, or of a specified part thereof, as the case may be.

1532. (a) The official record of a writing is prima facie evidence of the existence and content of the original recorded writing if:

(1) The record is in fact a record of an office of a public entity; and
(2) A statute authorized such a writing to be recorded in that office.

(b) The presumption established by this section is a presumption affecting the burden of producing evidence.

Article 3. Photographic Copies and Printed Representations of Writings

1550. A non-erasable optical image reproduction provided that additions, deletions, or changes to the original document are not permitted by the technology, a photo static, microfilm, micro card, miniature photographic, or other photographic copy or reproduction, or an enlargement thereof, of a writing is as admissible as the writing itself if the copy or reproduction was made and preserved as a part of the records of a business (as defined by Section 1270) in the regular course of that business. The introduction of the copy, reproduction, or enlargement does not preclude admission of the original writing if it is still in existence. A court may require the introduction of a hard copy printout of the document.

(2) A photo static copy or reproduction.
(3) A microfilm, micro card, or miniature photographic copy, reprint, or enlargement.
(4) Any other photographic copy or reproduction, or an enlargement thereof.

(b) The introduction of evidence of a writing pursuant to subdivision (a) does not preclude admission of the original writing if it is still in existence. A court may require the introduction of a hard copy printout of the document.

1550.1. Reproductions of files, records, writings, photographs, fingerprints or other instruments in the official custody of a criminal justice agency that were micro photographed or otherwise reproduced in a manner that conforms with the provisions of Section 11106.1, 11106.2, or 11106.3 of the Penal Code shall be admissible to the same extent and under the same circumstances as the original file, record, writing or other instrument would be admissible.

1551. A print, whether enlarged or not, from a photographic film (including a photographic plate, micro photographic film, photostatic negative, or similar reproduction) of an original writing destroyed or lost after such film was taken or a reproduction from an electronic recording of video images on magnetic surfaces is admissible as the original writing itself if, at the time of the taking of such film or electronic recording, the person under whose direction and control it was taken attached thereto, or to the sealed container in which it was placed and has been kept, or incorporated in the film or electronic recording, a certification complying with the provisions of Section 1531 and stating the date on which, and the fact that, it was so taken under his direction and control.

1552. (a) A printed representation of computer information or a computer program is presumed to be an accurate representation of the computer information or computer program that it purports to represent. This presumption is a presumption affecting the burden of producing evidence. If a party to an action introduces evidence that a printed representation of computer information or computer program is inaccurate or unreliable, the party introducing the printed representation into evidence has the burden of proving, by a preponderance of evidence, that the printed representation is an accurate representation of the existence and content of the computer information or computer program that it purports to represent.

(b) Subdivision (a) applies to the printed representation of computer-generated information stored by an automated traffic enforcement system.

(c) Subdivision (a) shall not apply to com-
puter-generated official records certified in accordance with Section 452.5 or 1530.

1553. (a) A printed representation of images stored on a video or digital medium is presumed to be an accurate representation of the images it purports to represent. This presumption is a presumption affecting the burden of producing evidence. If a party to an action introduces evidence that a printed representation of images stored on a video or digital medium is inaccurate or unreliable, the party introducing the printed representation has the burden of proving, by a preponderance of evidence, that the printed representation is an accurate representation of the existence and content of the images that it purports to represent.

(b) Subdivision (a) applies to the printed representation of video or photographic images stored by an automated traffic enforcement system.

Article 4. Production of Business Records

1560. (a) As used in this article:
(1) “Business” includes every kind of business described in Section 1270.
(2) “Record” includes every kind of record maintained by a business.

(b) Except as provided in Section 1564, when a subpoena duces tecum is served upon the custodian of records or other qualified witness of a business in an action in which the business is neither a party nor the place where any cause of action is alleged to have arisen, and the subpoena requires the production of all or any part of the records of the business, it is sufficient compliance therewith if the custodian or other qualified witness delivers by mail or otherwise a true, legible, and durable copy of all of the records described in the subpoena to the clerk of the court or to another person described in subdivision (d) of Section 2026.010 of the Code of Civil Procedure, together with the affidavit described in Section 1561, within one of the following time periods:
(1) In any criminal action, five days after the receipt of the subpoena.
(2) In any civil action, within 15 days after the receipt of the subpoena.

(3) Within the time agreed upon by the party who served the subpoena and the custodian or other qualified witness.

(c) The copy of the records shall be separately enclosed in an inner envelope or wrapper, sealed, with the title and number of the action, name of witness, and date of subpoena clearly inscribed thereon; the sealed envelope or wrapper shall then be enclosed in an outer envelope or wrapper, sealed, and directed as follows:
(1) If the subpoena directs attendance in court, to the clerk of the court.
(2) If the subpoena directs attendance at a deposition, to the officer before whom the deposition is to be taken, at the place designated in the subpoena for the taking of the deposition or at the officer’s place of business.

(3) In other cases, to the officer, body, or tribunal conducting the hearing, at a like address.

(d) Unless the parties to the proceeding otherwise agree, or unless the sealed envelope or wrapper is returned to a witness who is to appear personally, the copy of the records shall remain sealed and shall be opened only at the time of trial, deposition, or other hearing, upon the direction of the judge, officer, body, or tribunal conducting the proceeding, in the presence of all parties who have appeared in person or by counsel at the trial, deposition, or hearing. Records that are original documents and that are not introduced in evidence or required as part of the record shall be returned to the person or entity from whom received. Records that are copies may be destroyed.

(e) As an alternative to the procedures described in subdivisions (b), (c), and (d), the subpoenaing party in a civil action may direct the witness to make the records available for inspection or copying by the party’s attorney, the attorney’s representative, or deposition officer as described in Section 2020.420 of the Code of Civil Procedure, at the witness’ business address under reasonable conditions during normal business hours. Normal business hours, as used in this subdivision, means those hours that the business of the witness is normally open for business to the public. When provided with at least five business days’ advance notice by the party’s attorney, attorney’s representative, or deposition officer, the witness shall designate a time period of not less than six continuous hours on a date certain for copying of records subject to the subpoena by the party’s attorney, attorney’s representative, or deposition officer. It shall be the responsibility of the attorney’s representative to deliver any copy of the records as directed in the subpoena. Disobedience to the deposition subpoena issued pursuant to this subdivision is punishable as provided in Section 2020.240 of the Code of Civil Procedure.

1561. (a) The records shall be accompanied by the affidavit of the custodian or other qualified witness, stating in substance each of the following:
(1) The affiant is the duly authorized custodian of the records or other qualified witness and has authority to certify the records.
(2) The copy is a true copy of all the records described in the subpoena duces tecum, or pursuant to subdivision (e) of Section 1560 the records were delivered to the attorney, the attorney’s representative, or deposition officer for copying at the custodian’s or witness’ place of business, as the case may be.

(3) The records were prepared by the personnel of the business in the ordinary course of business at or near the time of the act, condition, or event.
(4) The identity of the records.
(5) A description of the mode of preparation of the records.
(b) If the business has none of the records described, or only part thereof, the custodian or other qualified witness shall so state in the affidavit, and deliver the affidavit and those records that are available in one of the manners provided in Section 1560.
(c) Where the records described in the subpoena were delivered to the attorney or his or her representative or deposition officer for copying at the custodian’s or witness’ place of business, in addition to the affidavit required by subdivision (a), the records shall be accompanied by an affidavit by the attorney or his or her representative or deposition officer stating that the copy is a true copy of all the records delivered to the attorney or his or her representative or deposition officer for copying.

1562. If the original records would be admissible in evidence if the custodian or other qualified witness had been present and testified to the matters stated in the affidavit, and if the requirements of Section 1271 have been met, the copy of the records is admissible in evidence. The affidavit is admissible as evidence of the matters stated therein pursuant to Section 1561 and the matters so stated are presumed true. When more than one person has knowledge of the facts, more than one affidavit may be made. The presumption established by this section is a presumption affecting the burden of producing evidence.

1563. (a) This article shall not be interpreted to require tender or payment of more than one witness fee and one mileage fee or other charge, to a witness or witness’ business, unless there is an agreement to the contrary between the witness and the requesting party.
(b) All reasonable costs incurred in a civil proceeding by any witness which is not a party with respect to the production of all or any part of business records the production of which is requested pursuant to a subpoena duces tecum may be charged against the party serving the subpoena duces tecum.
(1) “Reasonable cost,” as used in this section, shall include, but not be limited to, the following specific costs: ten cents ($0.10) per page for standard reproduction of documents of a size 8 1/2 by 14 inches or less; twenty cents ($0.20) per page for copying of documents from microfilm; actual costs for the reproduction of oversize documents or the reproduction of documents requiring special processing which are made in response to a subpoena; reasonable clerical costs incurred in locating and making the records available to be billed at the maximum rate of twenty-four dollars ($24) per hour per person, computed on the basis of six dollars ($6) per quarter hour or fraction thereof; actual postage charges; and the actual cost, if any, charged to the witness by a third person for the retrieval and return of records held off-site by that third person.
(2) The requesting party, or the requesting party’s deposition officer, shall not be required to pay those costs or any estimate thereof prior to the time the records are available for delivery pursuant to the subpoena, but the witness may demand payment of costs pursuant to this section simultaneous with actual delivery of the subpoenaed records, and until payment is made, is under no obligation to deliver the records.
(3) The witness shall submit an itemized statement for the costs to the requesting party, or the requesting party’s deposition officer, setting forth the reproduction and clerical costs incurred by the witness. Should the costs exceed those authorized in paragraph (1), or the witness refuses to produce an itemized statement of costs as required by paragraph (3), upon demand by the requesting party, or the requesting party’s deposition officer, the witness shall furnish a statement setting forth the actions taken by the witness in justification of the costs.
(4) The requesting party may petition the court in which the action is pending to recover from the witness all or a part of the costs paid to the witness, or to reduce all or a part of the costs charged by the witness pursuant to this subdivision, on the grounds that those costs were excessive. Upon the filing of the petition the court shall issue an order to show cause and from the time the order is served on the witness the court has jurisdiction over the witness. The court may hear testimony on the order to show cause and if it finds that the costs demanded and collected, or charged but not collected, exceeded the amount authorized by this subdivision, it shall order the witness to remit to the requesting party, or reduce its charge to the requesting party by an amount equal to, the amount of the excess. In the event that the court finds the costs excessive and charged in bad faith by the witness, the court shall order the witness to remit the full amount of the costs demanded and collected, or excuse the requesting party from any payment of costs charged but not collected, and the court shall also order the witness to pay the requesting party the amount of the reasonable expenses incurred in obtaining the order including attorney’s fees. If the court finds the costs were not excessive, the court shall order the requesting party to pay the witness the amount of the reasonable expenses incurred in defending the petition, including attorney’s fees.
(5) If a subpoena is served to compel the production of business records and is subsequently withdrawn, or is quashed, modified or limited on a motion made other than by the witness, the witness shall be entitled to reimbursement pursuant to paragraph (1) for all costs incurred in compliance with the subpoena to the time that the requesting
party has notified the witness that the subpoena has been withdrawn or quashed, modified or limited. In the event the subpoena is withdrawn or quashed, if those costs are not paid within 30 days after demand therefor, the witness may file a motion in the court in which the action is pending for an order requiring payment, and the court shall award the payment of expenses and attorney’s fees in the manner set forth in paragraph (4).

(b) Where the records are delivered to the attorney, the attorney’s representative, or the deposition officer for inspection or photocopying at the witness’ place of business, the only fee for complying with the subpoena shall not exceed fifteen dollars ($15), plus the actual cost, if any, charged to the witness by a third person for retrieval and return of records held offsite by that third person. If the records are retrieved from microfilm, the reasonable cost, as defined in paragraph (1), shall also apply.

(c) When the personal attendance of the custodian of a record or other qualified witness is required pursuant to Section 1564, in a civil proceeding, he or she shall be entitled to the same witness fees and mileage permitted in a case where the subpoena requires the witness to attend and testify before a court in which the action or proceeding is pending and to any additional costs incurred as provided by subdivision (b).

1564. The personal attendance of the custodian or other qualified witness and the production of the original records is not required unless, at the discretion of the requesting party, the subpoena duces tecum contains a clause which reads:

“The personal attendance of the custodian or other qualified witness and the production of the original records are required by this subpoena. The procedure authorized pursuant to subdivision (b) of Section 1560, and Sections 1561 and 1562, of the Evidence Code will not be deemed sufficient compliance with this subpoena.”

1565. If more than one subpoena duces tecum is served upon the custodian of records or other qualified witness and the production of the original records is required by this subpoena, the procedure authorized pursuant to subdivision (b) of Section 1560, and Sections 1561 and 1562, of the Evidence Code will not be deemed sufficient compliance with this subpoena.

1566. This article applies in any proceeding in which testimony can be compelled.

1567. A completed form described in Section 3664 of the Family Code for income and benefit information provided by the employer may be admissible in a proceeding for modification or termination of an order for child, family, or spousal support if both of the following requirements are met:

(a) The completed form complies with Sections 1561 and 1562.
(b) A copy of the completed form and notice was served on the employee named therein pursuant to Section 3664 of the Family Code.

CHAPTER 3. OFFICIAL WRITINGS AFFECTING PROPERTY

1600. (a) The record of an instrument or other document purporting to establish or affect an interest in property is prima facie evidence of the existence and content of the original recorded document and its execution and delivery by each person by whom it purports to have been executed if:

(1) The record is in fact a record of an office of a public entity; and
(2) A statute authorized such a document to be recorded in that office.

(b) The presumption established by this section is a presumption affecting the burden of proof.

1601. (a) Subject to subdivisions (b) and (c), when in any action it is desired to prove the contents of the official record of any writing lost or destroyed by conflagration or other public calamity, after proof of such loss or destruction, the following may, without further proof, be admitted in evidence to prove the contents of such record:

(1) Any abstract of title made and issued and certified as correct prior to such loss or destruction, and purporting to have been prepared and made in the ordinary course of business by any person engaged in the business of preparing and making abstracts of title prior to such loss or destruction; or
(2) Any abstract of title, or of any instrument affecting title, made, issued, and certified as correct by any person engaged in the business of insuring titles or issuing abstracts of title to real estate, whether the same was made, issued, or certified before or after such loss or destruction and whether the same was made from the original records or from abstract and notes, or either, taken from such records in the preparation and upkeep of its plant in the ordinary course of its business.

(b) No proof of the loss of the original writing is required other than the fact that the original is not known to the party desiring to prove its contents to be in existence.

(c) Any party desiring to use evidence admissible under this section shall give reasonable notice in writing to all other parties to the action who have appeared therein, of his intention to use such evidence at the trial of the action, and shall give all such other parties a reasonable opportunity to inspect the evidence, and also the abstracts, memoranda, or notes from which it was compiled, and to take copies thereof.

1603. A deed of conveyance of real property, purporting to have been executed by a proper officer in pursuance of legal process of any of the courts of record of this state, acknowledged and recorded in the office of
the recorder of the county wherein the real
property therein described is situated, or
the record of such deed, or a certified copy
of such record, is prima facie evidence that
the property or interest therein described
was thereby conveyed to the grantee named
in such deed. The presumption established
by this section is a presumption affecting the
burden of proof.

1604. A certificate of purchase, or of loca-
tion, of any lands in this state, issued or
made in pursuance of any law of the United
States or of this state, is prima facie evidence
that the holder or assignee of such certificate
is the owner of the land described therein;
but this evidence may be overcome by proof
that, at the time of the location, or time of fil-
ing a preemption claim on which the certifi-
cate may have been issued, the land was in
the adverse possession of the adverse party,
or those under whom he claims, or that the
adverse party is holding the land for mining
purposes.

1605. Duplicate copies and authenti-
cated translations of original Spanish title
papers relating to land claims in this state,
derived from the Spanish or Mexican gov-
ernments, prepared under the supervision
of the Keeper of Archives, authenticated by
the Surveyor-General or his successor and
by the Keeper of Archives, and filed with a
county recorder, in accordance with Chapter
281 of the Statutes of 1865-66, are admissi-
ble as evidence with like force and effect as
the originals and without proving the execu-
tion of such originals.
